Frank Gill Slaughter pen name Frank G. Slaughter pseudonym {site_link} C.V.Slaughter was born in Washington D.C. Slaughter pseudonym {site_link} C.V.Slaughter was born in Washington D.C. Books by Slaughter include The Purple Quest Surgeon U.S.A. Epidemic! Tomorrow's Miracle and The Scarlet Cord. Slaughter died May 17 2001 in Jacksonville Florida. This book is amazing in its narrative. It's a truly amazing accomplishment. One scene well describes the Devils Millhopper near Gainesville. I could go on. Now I must write this is my first Slaughter book. I'm guessing he does this in all his books. I look forward to wading into more. Again Slaughter holds the outcome to the last few pages. You hate him too much. Well Doctor? Can we strike a bargain now? Storm Haven.
