

Taking Chances (Taking Chances, #1) By Molly McAdams **Taking chances world tour celine dion** She doesn't tell anyone but his family! WHO DON'T EVEN TELL HIM!!! LIKE WTF MOM AND DAD!? Then she sees Chase tell him she broke up with Brandon days ago-which is a lie- continues to keep the baby a secret- finally breaks up with Brandon- Chase stumbles upon the ultra sound because Harper is living with his family. **EPub Taking chances** utterly shocked! The twist is an uber blow.

Taking chances book

The author is a good writer and she nails the hot and steamy scenes but what was she thinking when she wrote this? I know it all comes down to Harper was always meant to be with Brandon but Chase got in the way but I don't buy it. **Taking chance streaming** So you can pretty much guess what happens next? Harper runs back into Brandon's open arms (even though she did cheat on him and Chase's family support her for going back to him) and yeah all is forgotten. **Taking chances chords** At least call him Chase seems as he is the father (actually he does have Chase as his middle name but it's not the point) and not only that when the boy is old enough.

Contemporary Taking chances r

And basically causing the lover's death. **Taking chances book 3** I've never kissed a girl and I'm pretty sure I'm the only human being with a vagina that DOESN'T think Jensen Ackles is hot!! What does all of this have to do with Taking Chances? Abso-f**king-lutely nothing!! I'm just desperately trying to get this book out of my head. **Book Taking chances winning** I'm sorry but am I the ONLY one who found this book painfully predictable and poorly written? Am I the only one who saw the picture-perfect characters and situations completely unrealistic? I may be a happy girl with a happy life but even I was rolling my eyes SO OFTEN at the cheese factor. **Book Taking chances games** I finished the book and all I knew about Harper was that she falls in love incredibly fast and moves from guy to guy incredibly fast and everyone thinks she's just the bees knees. **Taking chances book** The Carter thing was also dumb he served no purpose except to be ANOTHER person that was COMPLETELY obsessed with Harper because she's gorgeous with great boobs and aww look she's so cute and tiny (sidenote: She couldn't get off the kitchen counters? Was that part supposed to be funny? Maybe if it made any sense she's 5'2 not a toddler). **Taking chance poster** If you want to read something amazing that will leave you breathless at the end and completely impressed with the author and wondering how your life can go back to normal after reading something so incredible read anything else. **Taking chances tour 2008** Time will tell ;) 5 stars! Okay what to say about this book? I LOVED IT! Well that would be an understatement! All the characters were wonderful (except Trish) and it was just a great story. **Taking chance streaming** One of the best books I have read this year! English Let me see if I can scrape together the pieces that are left of my shattered heart and try to come up with a way to review this book. **Taking Chances suspenseful music** I debated for a few days whether or not I wanted to bother but I decided to go ahead for one reason and that is to give the character I fell head-over-heels for the attention and remembrance that he didn't get in this story. **Taking Chances epub file** So I didn't go into this book blind after I saw some very upset readers' comments and I thought what I knew of the story prepared me for the heart-wrenching event I'd heard so much about. **Book Taking chances r** I did end up skimming through to the end just to reaffirm some of the comments other irate readers were making and so that I could say with confidence this book deserved the rating I'm giving it. **Taking chance song** I honestly feel like McAdams had more concern about making this story shocking and dramatic so that it stands out in it's genre instead of thinking about how upsetting it would be for her readers. **Book Taking chances games** I'm actually shocked that she was even okay with writing the story this way because to me it shows a complete detachment from a beautiful memorable character that she herself created. **Taking chances book summary** Hell she was even practically a member of their

family already she'd been going to family Sundays over at the parent's house for months and was best friends with Chase's sister. **Book Taking chances winning** The story post-Chase turns into this fairytale of we're all so happy come on that's what Chase would have wanted as if his life really didn't mean enough to cause a change in their lives in any way. **Book Taking chances** I was so disgusted that Chase's passing had no affect whatsoever on the rest of the story unless you count Harper and Brandon taking Liam to his daddy's grave once a year (and don't even get me started on Liam's name. **Talking changes portsmouth** Harper's reaction was probably the most difficult to stomach; when she tells Brandon she was made to love him as if Chase was never a factor and has Liam refer to his deceased daddy as Uncle Chase it just made me ill. **Taking chance streaming** AND THEN THAT SKANKY TRISH HAS THE NERVE TO WALK INTO HIS HOUSE WHERE HIS PREGNANT GIRLFRIEND IS ON THE FLOOR DYING AND HIS FAMILY IN PIECES ONLY TO TELL THEM THAT SHE DRUGGED HIM SNUCK INTO HIS BED AND TOOK PHOTOS BECAUSE SHE WAS JEALOUS AND WANTED HIS GIRLFRIEND- HARPER TO LEAVE HIM. **Taking chances book 3** THIS WAS HIS LAST CONVERSATION WITH HARPER BEFORE HE LEFT AND DIED IN CAR CRASH BECAUSE HE WAS TO DISTRAUGHT TO THINK CLEARLY: We walked into the living room and I almost chickened out when I saw Chase sitting on the couch. **Taking chances world tour celine dion** "Why her Chase? The one person I hate! How could you do this to me? How could you do this to our baby?!" I fell into a chair near me and kept my eyes on him. **Taking chances 2009** I mean I don't know I don't remember anything! I was at the party and the next thing I know I'm waking up to Breanna and Konrad screaming at me and Trish is in my bed with me. **Taking chances book** "You really expect me to believe this? You know how I feel about her Chase and then you invite her to a party I just happen to not be at? Everyone thinks you came back to me last night and yet she walks out of your room this morning wearing your shirt and you were practically naked in the bed?" "I didn't invite her she invited me over again and I told her no with the excuse of the party. **Taking Chances contemporary dining** "Why did you have to have the party as an excuse? Why can't I be excuse enough? You should have told her a long time ago that she needed to stop that you were in a relationship and going to be a father and her flirting with you wasn't okay! Instead you let her continue to flirt with you and invite you over to her place in the middle of the night. **EBook Taking chances winning** When I was around she would be hanging off your arm and you think I'm going to believe that you didn't sleep with her when I wasn't around?" "I thought she was gay! But I wouldn't sleep with her baby you have to believe me!" "You're still sticking with that? That is exactly why I don't believe you you can't even tell me the truth when you know I've seen the pictures. **Book Taking chances r** "His face fell and eyes grew wide "What pictures?" He whispered horrified when I didn't answer he shot off the couch his deep voice so loud I almost covered my ears "WHAT PICTURES HARPER!?" "Come on Chase they were taken with and sent to me from your phone. **Taking chances book** "I'm not lying!" He scooted closer to me and placed his hands on my thighs "Please believe me!" I removed his hands and took a deep breath "Chase if you still want to be in the baby's life I would love that. **Taking chances book 3** I sat there silently and ran my fingers through his shaggy blond hair until he calmed down and looked back up into my face "Maybe sometime later after you've had a chance to think about what you really want we can give us a shot again. **Taking chance book cast** I can't be the naïve girlfriend at home with a baby while you're off with other "I'm not lying!" He scooted closer to me and placed his hands on my thighs "Please believe me!" I removed his hands and took a deep breath "Chase if you still want to be in the baby's life I would love that. **Book Taking chances winning** I sat there silently and ran my fingers through his shaggy blond hair until he calmed down and looked back up into my face "Maybe sometime later after you've had a chance to think about what you really want we can give us a shot again. **Taking chances world tour celine dion** I can't be the naïve girlfriend at home with a baby while you're off with other "I'm not lying!" He scooted closer to me and placed his hands on my thighs "Please believe me!" I removed his hands and took a deep breath "Chase if you still want to be in the baby's life I would love that. **Taking chance streaming** I sat there silently and ran my fingers through his shaggy blond hair until he calmed down and looked back up into my face "Maybe sometime later

after you've had a chance to think about what you really want we can give us a shot again. **Taking chances book summary** "I sat there a moment concentrating on deep breaths in and out "It's going to take a lot for me to believe you again Chase but I'm willing to give you the opportunity to earn my trust again. **Taking Chances kindle** He started to press ignore but did a double take and answered "WHAT THE HELL DID YOU DO TO ME?! DO YOU HAVE ANY IDEA WHAT YOU'VE DONE?!" He stormed off into the kitchen face bright red from anger "No! You just ruined my life do you understand that?! Don't fucking apologize to me! Harper is the only person you should be apologizing to but understand understand that if you ever contact her or me for that matter again I will make the rest of your life a living hell!" He ended the call and threw his iPhone against the wall shattering the case and sending pieces towards me. **Taking chance song** HE CHANGED THEOUGHOUT THIS BOOK HE BECAME A GOOD MAN HE WAS FAITHFUL AND BECAME A DAD SINCE HE FOUND OUT HE WAS GOING TO BE ONE HE PROVIDED FOR HARPER EVEN THOUGH SHE HAD HER OWN MONEY. **EPub Taking chances** It was so much like Beautiful Disasters Thoughtless and Vampire Diaries(the show without the fiction) and yet so much more [A total emotional roller coaster I cried I laughed I blushed I was shocked I fell in love with two wonderful guys tonight! Stayed up the whole night to finish the book reach the end and damn was it worth loosing sleep over. **Taking chance poster** Its like BAM!It was heart breaking left me breathless I though I read it wrong till I re-read the page again and I was like WHAT??? NO!!! There has to be some error in my book. **Book Taking chances winning** " - Hahaha Carter you idiot :PDO READ THIS BOOK ASAP!! :* English Molly grew up in California but now lives in the oh so amazing state of Texas with her husband daughter and fur baby. **Book Taking chances winning** When shes not diving into the world of her characters some of her hobbies include hiking snowboarding traveling and long walks on the beach ... which roughly translates to being a homebody with her hubby and dishing out movie quotes. **Taking Chances contemporary dining** When she's not diving into the world of her characters some of her hobbies include hiking snowboarding traveling and long walks on the beach ... which roughly translates to being a homebody with her hubby and dishing out movie quotes. **Taking Chances contemporary kitchen** All the guys that are falling head over for her are dying too: take care of her protect her declare their love for her; all while being un-deserving of her at the same time. **Book taking chances** So of course this girl is hell-bent on breaking the two up so you guessed it she drugs him at a party takes pictures of them together with different settings I swear I didn't see it coming. **Taking chances with investing** Grrrrrr! I want to tell them can't you see how it made me feel? Now would you say that to yourself if you are in Harper's place? That's why I think the plot is unforgivable. **Taking chances book 3** If you're reading this I want to tell you in advance that the love interest the gorgeous hot sweet loving Chase was killed! I'm sorry but I'm just frigging mad I even bothered reading this. **Book Taking chances** I was like Wow! They're getting married soon and they're going to have a baby! So excited! But then 50% through the book he died in a freaking ACCIDENT His death wasn't even given enough justice! One minute they were having an emotional fight then he died the next page! To tell the truth I was asking myself Is this real?! Because killing the love interest is unbelievable! Preposterous! Yup Brandon is still there but how about the guy who blew me away the first time I read about him??! How can the characters especially Harper move on that fast?! How can she be with Brandon as if nothing happened?! Again I apologize for the major ranting or shall I say outburst. **Taking chances book 3** I enjoyed it that much I even started adding bookmarks to my pages in my kindle so I could go and re-read them at some point and yes most of them where of Harper and Chase. **Taking chances book 3** I cannot get my head around why the author thought it was okay to make readers invested and care for her characters and then snatch it all away with an event that seemed in my opinion pointless and unnecessary. **Taking chance poster** Once this event happened the book became very predictable - you just know what she was planning to do and where the story would lead and I didn't like it! I ended up skimming the last 40% because everything I loved about the first part of the book... **Contemporary Taking chances** So really what was the point of me reading anymore? Now I hear the author is doing a book from Chase's point of view and while I'm intrigued to read it I have to ask

myself if I will ever it? Well.... **Taking chances world tour celine dion** probably not! Why? Because it's pointless! What's the point of starting to fall for him all over again only for it to be taken away? It broke my heart once; I won't let it happen again. **Taking chances world tour celine dion** I don't like rating books poorly but I have to be honest and even if you read this book and don't agree with me - that's okay because I hope you love this book - I just couldn't. **Taking chances meaning** But then there are a number of things that set off this tragic event first some girl claims that Chase has cheated on Harper with her when really CHASE WOULD NEVER DO THAT! Not only that but Harper thinks things are weird and you know deep down she know he would never do it but yet she chooses to believe it. **Taking chances book summary** Talk about heart-breaking! I know Harper still loved Brandon but she loves Chase too and come on at least kill off Brandon - the guy that no-one is rooting for! It's just frustrating to no end and I'm that frustrated with this book that I honestly wish I had never read it. **Book taking chances** WTF! I'm not trying to be mean but I'm trying to get my feelings out about this book and when like I said before when I'm invested into a character and it's taken away from me so unexpected how am I supposed to feel? The more I think about this book the angrier I get so I'm not going to say no more! Thanks for listening to my rant <3 English I have never - never - been more enraged in a book. **Taking chances book 3** After introducing Harper to Chase and Brandon (another fighter) Harper turns into a party-girl and ends up in the most ridiculous love triangle I've ever read with Chase and her boyfriend Brandon. **Book Taking chances** AHAHAHAHA what the hell is wrong with this woman?The phrase I love you is used over one hundred and nineteen times and over seventy of them are Harper telling Brandon and Chase she loves them - or Brandon and Chase telling Harper they love her after they've learned she cheated on them. **Taking chance story** You'd think that Harper would actually wise up and realize that's she's surrounded by a bunch of jealous bitches who want to steal her popularity and her men according to her but she's too stupid to think for one moment. **Book Taking chances mobile** Everything she does is supported by Chase would've wanted this when if I was Chase I would've been like this: Harper ends up getting married to Brandon at nineteen (or twenty I forgot) and her child is born alongside Chase and Brandon's happy families. **Book Taking chances games** One day she's in love with Brandon the next she's making out with Chase and confessing her love and then a week later she's telling Brandon how she won't be able to survive without him. **Taking chances book 3** I'm mad because the main character doesn't even think about what she's going to do does it without regrets and spends the whole rest of the book bitching being a hypocrite and blaming everyone else. **Suspense Taking chances** It practically screams YOU ONLY LIVE ONCE SO SCREW IT UP WHILE YOU CANTAKING CHANCES = cheating on your boyfriend and getting pregnant every feeling every emotion for the past twenty four hours can be traced back to this book. **Book Taking chances mobile** Molly McAdams didn't just go all Temple of Doom and rip out my heart! She ripped it out played hacky sack with it for a bit then attempted to kiss it and make it better. **Taking Chances epublishing** Ready to live life her own way and to experience things she's only ever heard of from the jarheads in her father's unit she's on her way to college at San Diego State University,

So that also may be why I was so dissatisfied with this story, **Book Taking chances r** Every situation is just wrapped up with a neat little bow all too often throughout the book. **Kindle Taking chances** And I feel like everyone is making speeches every other page: **Kindle Taking chances mobile** Brandon makes a speech about how much he loves Harper after having one date and making out constantly, **Taking chances 2009** Chase makes a speech about how much he loves Harper and how much he wants to be with her but he just can't: **Taking chance strobl** Harper makes a speech about how confused her poor little heart is, **Book Taking chances r** Bree makes a speech about how awesome Harper is and everyone loves her just so much. **EBook Taking chances games** Of

Taking chances book summary

I'm blown away reading these reviews, **Taking Chances suspense definition** Why did I keep reading? Because I never start a book and don't finish it's just a thing, **Suspense Taking chances** Anyway the story is entertaining for sure (love triangle woohoo!) but I just don't think this book was well-written or well thought out at all: **Talking changes professional referral durham** The characters are all soooo super gorgeous which is referenced over. **Taking chance streaming** God forbid Harper doesn't go back to looking perfect a day after having a baby: **Taking chances book** Everyone is completely in love with Harper which I never understood because there is NO in-depth

Ugh: **Taking Chances ebooks free** It's way more fun to read about perfect situations right? Sure. **Taking Chances contemporary bathroom** I won't say how but I was pretty much like how convenient: **Taking chances world tour celine dion** Nothing going on in the personality department with the chick so I'm assuming it's physical. **Taking chance streaming** There's a lot of sex and making out and touching and heated glances and husky voices in this book. **Book Taking chances games** They are actually written pretty well and are really hot (if also unrealistic at times - of course Harper is amazing in bed when she has ZERO previous experience): **Taking chance story** English Audio re-read November 2018Gah! whatever else happened. **Taking Chances kindle books** BRANDON'S dad's name??!! Why don't we just completely erase any memory of Chase at all. **Taking chance streaming** Even with all of this I think the biggest most unforgivable mistake made with this plot for me was how Chase's death happened. **Taking Chances kindle books** I could possibly have gone on with this story if Chase had died in a way that wasn't so cold cut-off and heartless, **Taking chance poster** I still liked Brandon and could have seen them consoling each other in grief while they kept Chase's memory a pivotal part of Liam's life in honor of his dad: **Taking chances molly mcadams** But Chase's death comes immediately after a heart-wrenching scene where a jealous twit sets him up to look like he cheated. **Book Taking chances games** Harper breaks up with him and sends him away completely crushed determined to prove to the mother of his child that he's innocent. **Book Taking chances mobile** So alone and shattered he races through an intersection and slams into a semi. **Taking Chances contemporary art** Alone in unbearable emotional and physical pain with no one to say goodbye to as he passes on he dies: **Taking chances book summary** Never reading anything by this author again because she clearly couldn't care less about her readers or the characters she created for them, **Taking chances chords** For those people who have messaged me and told me to not be so critical when I haven't finished the book, **Taking chances chords** Even if I read it to the very end I can most assure you Taking Chances lovers that my views will never change, **Kindle Taking chances** I ask that you respect my views and if you do not well, **Book Taking chances games** IT WAS TOO HEARTBREAKING I CHOKED UP AS MY HEART BROKE INTO A MILLION TIMY PIECES I AM STILL SITTING HERE SHOCKED AND GASPING FOR BREATH WITH TEARS STREAMING DOWN MY FACE. **Taking Chances kindle books** This is where the spoilers come in so if you haven't read this... "It's that or nothing Chase: **EBook Taking chances winning** " I tried to keep my tone composed for the both of us, **Taking Chances suspense thriller** I promise I wouldn't have done that to you I don't remember anything from last night, **Book Taking chances r** But I need a few days before we can try to be friends, **Taking chances 2009** I really - I'm hurting Chase I feel like you just confirmed every fear I've ever had of being in a relationship with you, **Taking chance book images** And I'm still not sure how to begin to deal with this, **Taking chance book cast** "He kissed me firmly and cupped my face "I will get to the bottom of whatever happened: **Book taking chances** " He brought his mouth to mine again and I let our lips move against each other for a few moments. **Book Taking chances games** I couldn't help it I didn't know if or when we would have this again, **Taking Chances contemporary art** I'm sorry!" I shrunk into the chair when he came near me he still looked like he was about to kill someone, **Taking Chances contemporary house** When he saw my movements his face fell his anger quickly fading, **Taking Chances booklet** " He brushed his knuckles along my jaw "I'm sorry for everything: **Taking chance book cast** Please don't end us though I will earn your trust again somehow just don't do this: **Book Taking chances winning** " "Don't make this harder for either of us you know how I feel, **Taking Chances epub reader** Let's give it a few days and we'll see if we can start again as friends, **Taking chance song** No matter what happens to us Chase I want you in his life, **Taking chance book images** " With tears falling freely from his eyes he kissed me quickly and walked out the door: **Taking chances world tour celine dion** DON'T TELL ME YOUR HEART WAS STILL WHOLE AFTER READING THAT AND KNOWING THAT WHEN HE LEAVES WILL BE THE LAST ANYONE WILL SEE HIM ALIVE: **Taking chances tiktok celine dion** KNOWING THAT HE DIED A BROKEN MAN ALL BECAUSE THAT SKANK FALSELY MADE OUT HE SLEPT WITH HER: **Taking chances book 3** NO-ONE GAVE HIM

THE BENEFIT OF THE DOUBT THAT HE DIDN'T REMEMBER ANYTHING: **Book Taking chances** THAT ALL JUMPED TO CONCLUSIONS CHOOSING TO BELIEVE THE WORST AND HE HAD TO LEAVE HIS OWN HOUSE TO TOP ALL OF THAT: **Suspense Taking chances r** BUT I WON'T I WAS IN CHASES CORNER FROM THE BEGINNING AND IT IS WHY I CANNOT READ ON: **EPub Taking chances mobile** IT SHOULD'VE BEEN- I KNOW IT'S HORRIBLE SINCE HE'S DONE NOTHING WRONG BUT- IT SHOULD'VE BEEN BRANDON WHO DIED, **Taking Chances suspense account** CHASE HAD A BABY ON THE WAY A GIRL HE WANTED TO MARRY AND SPEND THE REST OF HIS LIFE WITH. **Taking chance book cast** I REFUSE TO RATE THIS BOOK PURELY FOR THE FACT THAT I REFUSE TO FINISH IT: **Taking chances molly mcadams** UP UNTIL THEN IT WAS GOING TO BE A FIVE STARER BUT NOW. **Taking chances molly mcadams pdf** HOW CAN I RATE A BOOK I HAVEN'T FINISHED AND THAT I'M BIASED OVER THE FACT THAT CHASE HAS DIED. **Taking chance synopsis** I DON'T MIND THE CAR CRASH BUT WHY KILL HIM OFF? TO MAKE HARPERS CHOICE EASIER? SHE DID LOVE THEM BOTH: **Taking chances quotes** SHE'S TO BLAME FOR ALL OF IT THE JEALOUS MURDEROUS BITCH OF A HUMAN BEING: **Taking chances book** I THINK THIS IS THE LONGEST REVIEW EVER AND ALL I'VE DONE IS SLAG TRISH OFF AND SAID HOW I FEEL: **Book Taking chances r** I'M SORRY BUT THIS HAS TRULY MADE ME FEEL A LITTLE BETTER. **Taking chance synopsis** English Oh boy! I think I found my new favorite book :) It was just, **Taking chances book series** The twist which comes around 50% through the book is SHOCKING Like seriously: **Taking chances song** Beautifully written :) Harper is just woah mature loving sensible adorable and just everything right Chase AH, **Taking chance book cast** Every girl's wet dream ;) haha I love his possessiveness and his pure desire. **Taking Chances booking** I want to marry someone like him Seriously could the guy get any fucking cuter sweeter and adorabler? He too is every girl's dream ;) :P Harper's father is a BITCH. **Taking chances tiktok celine dion** I loved the whole college romance thingie the summary of this book doesn't give it justice its way more and its beautiful: **Book Taking chances winning** Each and every character in this book is amazing all the way from her best friend to the parents :D LOVED THIS BOOK a great great read. **Taking chance streaming** "Oh I'm sorry but I don't have any STDs I'm not your type: **Taking chance book cast** She has a weakness for crude hud movies and loves curling up in a fluffy comforter during a thunderstorm or under one in a bathtub if there are tornados: **Book taking chances** Molly grew up in California but now lives in the oh so amazing state of Texas with her husband daughter and fur baby, **Book taking chances** She has a weakness for crude hud movies and loves curling up in a fluffy comforter during a thunderstorm or under one in a bathtub if there are tornados, **Suspense Taking chances** Taking Chances was like reading Beautiful Disaster all over again: **Book Taking chances winning** Harper is one of the most throat punching females I've read in the longest. **Book Taking chances mobile** I get that your dad is a strict marine guy but I can't understand why he would want to keep her from a mall. **Taking chance streaming** Every guy within a ten mile radius turns into a giant caveman just knowing she is close. **EPub Taking chances r** On to Chase the tattooed bad boy from the right side of the tracks: **Book Taking chances winning** He slores around campus and the ladies just love him and his arrogant ways, **Taking chance poster** McAdam's had to top the bad boy so she just takes Chase and decides hey how can I make him better? Give him an amazing personality? Ha no that would be ridiculous. **Taking Chances booking** So what does she do? She of course makes him a quick tempered underground mma street fighter *cough beautiful disaster cough*, **Kindle Taking chances** but grey eyes aren't enough! His eyes change colors!!!! He literally has all the eyes yall! Like I know this is a real thing that can happen, **Taking chance poster** So as you can guess there's a love triangle between the three of them. **PDF Taking chances winning** The first 200 plus pages are Chase and Brandon dick measuring fist fighting pounding their chest but that last all of like two seconds: **Kindle Taking chances games** A random girl is introduced at the shop Chase works at (failed to mention as a college student he somehow managed to become a full time tattoo artist): **Taking Chances epub air** But is it so wrong to wish one for Chase? I'm sorry but all I have right now is the sheer disappointment for the story: **Taking Chances suspense definition** It has

great potential only if it was told in a different way. **Taking chances book** And I'm tired of hearing people say that It's the reality of life somehow we have to deal with it: **Taking chances world tour celine dion** But if you want to save yourself from the all the trouble I'd support you all the way: **Book Taking chances winning** I don't want to give away the story but I just want to make you guys think first before reading this. **Book Taking chances games** If you don't want to read the BIG SPOILER you can stop here: **Taking chances book 3** It would've been better if the author didn't make the readers love Chase if she wrote it in such a way that you would hate him. **Taking Chances epub** But it wasn't that way! She made Chase's character seem lovable and not to mention there was too much effort in his character development. **Taking Chances ebook3000** So I thought he was the one! And just when you start loving and swooning over him something happens then BAM! Everything goes down the drain, **Book Taking chances** It was an absurd effort to stir the reader's emotion but all it does was make you miserable. **Taking Chances kindle** I don't want to torture myself any further than I already have: **Taking chances book summary** "That first night I did realize I would never meet another girl like you. **Taking chance poster** But you deserve someone who has waited for you as long as you have waited for them. **Taking chances book** And no matter how much I wish I could be that guy I can't Harper: **Taking chances tiktok celine dion xoxo** English Non spoiler review - Spoiler review at the very bottom but you will have enough time NOT to read it, **Taking chances book series** TEAM CHASE!!!! I finished this book 8 hours ago and I was hoping once I had a few hours to think about the events that happened I would have a different opinion. **Book Taking chances** When I started Taking Chances I was really looking forward to it and you know what it was so damn good too, **Taking chances 2009** It had similarities to Beautiful Disaster by Jamie McGuire but was unique in its own way and I loved it. **Taking Chances kindle edition** The story starts with Harper starting college and while there she meets Chase and Brandon two extremely hot guys who she has a deep connection with: **EPub Taking chances games** She starts dating Brandon but can't get Chase out of her mind and one night she gives into her passion with Chase and that changes her life forever. **Taking Chances contemporary art** I could not put the first half of this book down it was so addicting hot and intense - all the things I love about a novel: **EBook Taking chances mobile** I was rooting for this two and they had to go through so many obstacles the main one being Brandon, **Suspense Taking chances winning** To start with I was unsure who would be a better person for Harper but you once you start reading about Chase you just can't get him out of your head. **Taking chances tour 2008** Now I bet you're wondering why I only rated this book one star? To be honest I've been going back and forth from a 1 to 2 to 4 and now I'm back to 1: **Talking changes professional referral durham** Around 50% of the book something happens and because of what's happened it changed everything for me. **Taking Chances kindle books** Maybe she was going for the shock factor? - Well if she was she won! I need a new word for shocked! I cried I almost threw my kindle I was gobsmacked, **Taking chances midi** I just couldn't believe it! I felt like my heart was pulled out of my chest - it hurt that much: **Taking Chances ebooks online** =(This book easily could have become a favourite of mine but because of the direction the author took this book I didn't like it, **Taking Chances kindle unlimited** If anything I became frustrated angry and mad - even more so as time passed and I like to enjoy my reading not be a blubbing mess, **Kindle Taking chances winning** If you don't want to read my spoiler review aka a major rant (lol) then please stop reading!. **Taking chance book images** Grrrrr! I'm so so frustrated angry mad sad and so frigging annoyed, **Taking chances 2009** This so called 'Event' I've been talking about? Well she kills off Chase! She kills him! I can't believe it. **Taking Chances contemporary definition** I'm 50% through the book and I'm so excited because Chase and Harper are having a baby together: **Taking chances book** Yea a baby and it's such a great story because I'm rooting for them so bad. **Taking Chances ebook3000** So an angry Chase sets out to prove her wrong he runs a red light and gets frigging killed and the worse thing - she's 5 and half months pregnant: **Taking chances world tour celine dion** Don't get me wrong he visits Chase's grave and calls him Uncle Chase. **Taking chance streaming** You're going to be hearing a lot of these words so prepare yourself: **Taking Chances ebook3000** SynopsisTAKING CHANCES is

incredibly cliché and must've been done a billion times before. **Book Taking chances games** A lot of 'New Adult' books simply follow the same trend but the only one I've found worth reading is Easy: **Taking chances world tour celine dion** The book follows Harper an eighteen-year old who needs to be featured on Breaking Amish: **Taking chances book summary** She's homeschooled lives with her father (she calls him 'Sir') on the base and her best friends are a bunch of young Marines, **Book Taking chances r** She's basically missed out on everything girls her age should've at least done and decides to go to college at San Diego State University to escape her controlled life, **Taking Chances kindle unlimited** She quickly befriends her roommate - a kind-hearted promiscuous girl who's brother Chase is a hot underground fighter, **Taking chances with investing** A night of lustful passion ends up completely turning Harper's life around, **Taking chance song** Basically that means that Harper cheats on her boyfriend Brandon and has sex - twice - with Chase. **Book Taking chances mobile** Without protection since she claims she doesn't care and just needs him, **Kindle Taking chances winning** Now darlings what sometimes happens when someone has sex without taking a birth control pill or using protection? Harper ends up pregnant, **Taking Chances contemporary house** What else? Of course she's shocked and sickened that she's knocked up, **Taking chances book summary** Meanwhile I'm just laying on my bed trying hard not to laugh, **Taking chance book cast** What the fuck did this girl expect? And while she's doing it with Chase she actually has the fucking nerve to think: I wasn't meant to do this with Brandon. **Book Taking chances r** Are you kidding me? Every other page it's SOMEBODY going on about how much they wuvvvvv Harper, **Taking Chances contemporary dining** Throughout TAKING CHANCES various women try to steal Chase or Brandon from Harper by sending nude pictures and such, **Taking chance poster** One night Harper finds Chase in bed with another woman and refuses to believe him when he tells her that he genuinely doesn't know what's happening. **Taking chances tour celine dion** This is around the time when Chase and Harper are sort of planning to live together and get married for their baby and what not. **Book Taking chances games** So the first thing Harper thinks when she sees Chase and the girl is: I recoiled at the thought of him asking me to marry him while he'd been cheating on me: **Taking chances world tour celine dion** She has absolutely no right to fly into a rage because he'd supposedly been cheating on her: **Taking chances book** She did it many times and still has no regrets because she was in love with Chase and Brandon and apparently that makes it all better: **Taking chances celine dion lyrics** I was more in love with Chase than I realized but I couldn't live without Brandon: **Taking chances tiktok celine dion** And Chase actually ends up dying - so not expecting that - when he runs a red light and hits a semi-truck trying to prove that he didn't cheat on Harper. **Book Taking chances r** TAKING CHANCES continues with Harper's pregnancy and the aftermath of Chase's death. **Taking chances book series** She turns to Brandon when Chase dies and seemingly doesn't give a shit after that, **Taking chance song** His family got over it so quickly! And they encouraged Harper to move in with Brandon as soon as possible which makes no effing sense. **Book Taking chances mobile** By the way you ought to know that Brandon's family was not the least bit upset when they discovered she cheated on him and wasn't pregnant with Brandon's child: **Taking chances book 2019** Harper gets knocked up by Brandon- this time before she's twenty-two I believe and Chase is referred to as Uncle Chase by Harper's children. **Book Taking chances mobile** Even if Brandon is the one of the child's adopted father Chase is not some random dead uncle - HE ONE OF THE CHILDREN'S FATHER. **Taking chance synopsis** Characters Harper Harpy (I call her that) is a disgusting hypocrite and for someone who grew up under her father's thumb she sure grows up pretty fast, **Book Taking chances r** Despite no previous sexual experience of course she's amazing in bed. **Taking Chances suspense books** Obnoxious unlikable immature naïve snobby - this only begins to describe her. **Taking chance streaming** Everyone - and I do mean everyfuckingone - adores and loves and CHERISHES Harpy for reasons unknown to me: **Taking chances book 3** She gets away with everything and people worship the ground she walks on, **Taking chance strobl** Every man who sees her falls head-over-heels in love with her because she's supposed to be perfect. **Taking chances molly mcadams** She thinks of marrying both Brandon and Chase so often in such a short

period of time it made me sick. **Taking chance streaming** Apparently she is the most beautiful girl anyone has ever seen and the lengths taken to empathize her perfection are enraging and unreal.

Taking chance streaming My legs and arms hadn't changed a bit my hips were not even a fraction of an inch wider the only difference was my chest and stomach [, **Taking chance poster** You can't get pregnant have the baby and look exactly the same - like a petite Victoria's Secret model mind you - the next day. **Taking chance streaming** She calls every single girl who lays an eye on her two men sluts whores tramps skanks - anything she can possibly make up. **Taking chances tour 2008** I didn't recognize you without that tramp on your arm, **Taking chance poster** You really thought you could marry a whore? "Oh I'm sorry but I don't have any STDs: **Taking Chances epub reader** "

And I really hate saying this (as someone who fights for equality it pains me to write this) but if anyone is a slut it's Harpy, **Taking Chances suspense definition** Not because she wears short clothing or sleeps around without a partner but because she bounces back and forth between love interests and leads them on. **PDF Taking chances r** Being in love with the man you cheated on doesn't grant you a free pass to it's fucking fine land you idiot, **Taking chances with investing** She does end up continuously cheating on both boys for weeks. **Book Taking chances games** Plus she keeps on claiming that her child is in her stomach: **Taking Chances epub.pub** Harpy spends most of her time feeling bad for herself and her woe-is-me attitude got annoying real fast, **Book Taking chances r** She even compared herself to Elena from The Vampire Diaries which really was the last straw. **Taking Chances ebook** Chase was a typical douchebag with absolutely nothing charming about him, **Taking chance story** He screwed girls on his couches not his bed or even his room because of course they're too shitty for that: **Taking Chances epub file** Chase was about as unsexy as you could get and as typical bad boys do he went mad without Harpy, **Taking chances 2009** His favorite thing to do was preach about how special and different she was: **Taking chances song lyrics** He even tried to pull the you-can't-wear-this card on Harpy like Travis from Beautiful Disaster, **Taking chances book 2019** Now typically I'll always fall for a properly-written gentleman but Brandon is just, **Taking Chances epub reader** And he was too nice to Harpy - trust me if I found out she'd cheated on me I'd be so much more upset: **Taking chance book cast** After all her crap he suffered through to discover she was pregnant with another man's child? I would've been pissed. **Taking chances book series** The surrounding characters blend together and have no importance in my mind. **Taking Chances suspenseful music** And everyone is rich and has money and faces no problems in freaking life except for love triangles and cheat-babies. **Taking Chances contemporary dining** Don't forget that every friend of Harpy's is stunningly beautiful too! Oh and WHITE. **Taking chances book series** They're all gorgeous rich white People with a billion people in love with them. **Taking Chances suspenseful music** Various commas were missing when they should have been included the dialogue is very stiff and unnatural (I mean honestly. **Book Taking chances mobile** What teenager regularly uses the term 'oh my word' anymore?) the style itself was dull and odd and am I the only one who doesn't see people's eyes darken? I'M SO SERIOUS: **Taking chances book 3** When have you ever seen a guy's eyes turn a darker color when they're angry or passionate? I have never seen this shit, **Book Taking chances** Will authors please stop making character's eyes do crazy stuff that. **Taking chances tour 2008** Yes those are actually MY eyes from my vlog review of TAKING CHANCES, **Taking chances book series** Make it a meme! Unless they have an eye disorder or some funky disease normal people's eyes don't darken on cue. **Taking chances 2009** I can't believe that Harper is probably an inspiration or something to people. **Book Taking chances winning** Her life had a happy ending that she never deserved in the first place, **Taking chance song** There are books about cheating and I'm not so furious at the cheating part of it because well: **Book Taking chances winning** We should be able to sympathize but not like or forgive the main character when she does this and we should feel for the men she cheated on. **Taking chance streaming** But TAKING CHANCES acts like it's not a problem to do these things, **Taking chances book** Unlikable characters amateur writing angering messages selfless slut-shaming an unoriginal plot make TAKING CHANCES one of my least favorite reads of the year. **Taking chance streaming** I haven't stopped thinking about Taking Chances since the moment I

finished!The book started off as a cross between Thoughtless and Beautiful Disaster, **Book Taking chances** I'll take two! But eventually the story completely evolved into something totally unique. **Taking Chances booking** HELL NO! You almost destroyed me but it hurt so good!!Taking Chances is almost like having two books in one: **Taking chances book summary** I felt like I was reading a book that was immediately followed by its sequel, **Taking chance story** I totally loved that but it did kind of make the ending drag on, **Book Taking chances r** Maybe by that point I was just too emotionally exhausted but I feel it could have been edited and trimmed down just a bit. **Taking Chances contemporary dance** As much as this story tore me apart I realize now that everything happened as it should: **Taking Chances kindle edition** Yes it broke my heart and left me feeling breathless but it also took me on an incredible journey that touched my soul, **Book taking chances** I healed!READ ON! English Her first year away is turning out to be nearly perfect but one weekend of giving in to heated passion will change everything. **Taking Chances epub**s Eighteen-year-old Harper has grown up under the thumb of her career marine father. **Taking chances book** Thanks to her new roommate Harper is introduced to a world of parties gorgeous guys family and emotions. **Taking chance streaming** She finds herself being torn in two as she quickly falls in love with both her new boyfriend Brandon and her roommate's brother Chase. **Taking chance streaming** Despite their dangerous looks and histories both men adore Harper and would do anything for her including taking a step back if it would mean she'd be happy. It's ridiculously unrealistic. I CAN'T TAKE IT. Someone is either punching someone or running off in tears. You're wrong. She starts dating Brandon but is sleeping with Chase. Cool your jets it's not a spoiler. This is where the story goes from bad to worse. The plot starts spiraling out of control. Not him just his family. This of course send Harper into a jealous rage. He says he loves her and will give her time. He then leaves the house. Seriously goes straight from the fight to wham dead. This is what really did it in for me. Now after all this Harper gets pregnant again. This time it really is Brandon's. here it comes. Chase. I'll be real; I didn't love them but they were alright. Harper and the plot were my biggest issues. I mean shoot just look at the ratings. But I was highly highly disappointed. There's no doubt McAdam's can write. I'm so devastated. My heart is crushed to its core.Because I was shocked. English This book should come with a warning label.I'm scared of bananas. True story.I feel sorry for inanimate objects. I named him Herbert. (Some tiny spoilers in this review but nothing major. Just general ranting). And over. AND OVER. WE GET IT. I have no idea who this girl is. Nothing here. Yawn.All of the other characters just struck me as so cliché. This whole book was cliché. Nothing in this book surprised me which is a problem. Lame. I took it as poor writing and zero creativity.The whole issue with her dad is weird to me. It was just solved waaaaay too easily at the end. Lord knows that was made clear. So the sex scenes. I can appreciate the romance. But even so I would never recommend this book to anyone. it doesn't get easier. I freely admit that I'm an emotional reader. 60%. That's where I stopped. I'm really not sure what part angers me most. But the more I read the more it infuriated me.oh no wait Liam's MIDDLE name can be his dad's name. Right). English I tried guys I tried. Well I tried. AGAIN. FOR YOU. And AGAIN I JUST COULDN'T.There's just so many things wrong with this book. write your own review. simple. I COULDN'T FINISH THIS. She wrapped her arms around me and began crying.“Baby -”“Don't. Call. Me. That.” I hissed through gritted teeth.“Harper please I messed up.“I didn't. I didn't know she was going to show up.” He mumbled.“Oh God. No. No no I wouldn't.” His legs gave out and he hit the ground hard.“Well you obviously did.” My voice was shaky but I kept myself calm.“No it hasn't!”“I can't trust you Chase. Especially after this.”“Harper. We. Are not. Breaking up.” He gripped my hands in his his whole body shaking. “We need to. You and our baby are my everything.”“Princess please please don't do this. I can't lose you. Because of that I can't be yours right now.”“No it hasn't!”“I can't trust you Chase. Especially after this.”“Harper. We. Are not. Breaking up.” He gripped my hands in his his whole body shaking. “We need to. You and our baby are my everything.”“Princess please please don't do this. I can't lose you. Because of that I can't be yours right now.”“No it hasn't!”“I can't trust you Chase. Especially after this.”“Harper. We. Are not. Breaking up.” He gripped my hands in his his whole body shaking. “We need to. You and our baby are my everything.”“Princess please please

don't do this. I can't lose you. Because of that I can't be yours right now." "I won't be I only want you. We're going to have to start over as friends though." "Baby I'm so sorry." "I told you I'll give you a chance if you want it. I love you Harper more than you could ever imagine. Chase's phone rang snapping us out of the moment. "Oh God Harper. "I have to go before I mess this up more. I can't say that enough Harper I'm so so sorry." "I love you Princess. EVERYONE HATED HIM. BEFORE HE DIED WAS THE WORST FEW MOMENTS OF HIS LIFE. AND THE WORSE THING? NO-ONE BELIEVED HIM. IM SORRY IM ALL CHOCKED UP AND I AM FUMING. BECAUSE I CAN SEE WHAT WILL HAPPEN NOW. SHE WILL GO BACK TO BRANDON AND FORGET ALL ABOUT HIM. I WOULD HAVE KILLED TRISH KILLED HER SLOWLY AND PAINFULLY. SHE IS THE LOWEST OF THE LOW. NOT MUCH BUT A LITTLE. I don't have words at the moment. I won't give out much because the suspense is mad. This book is so worth it and so very amazing. It is long but not dragged. Boy I feel head over heels for him ;) Brandon FUCK." - Harper AY-DIAS. All I Do Is Eat And Shit. That way she can pretend they aren't really happening. That way she can pretend they aren't really happening. {site_link} Alright *cracks knuckles* let's do this. I was past being annoyed. Every single person and event in this book set me off. This book had me laughing. at it not with it. She comes from a very sheltered background. VERY ridiculously sheltered. Girl hasn't even gone to a mall before. Yeah I don't believe it either. Makes no sense. Then Harper is the type of girl that EVERY guy wants. Every guy must have her. If you've read any NA you know what I'm talking about. When this occurs in books I get so annoyed. Why all these men are doing this is beyond me. Harper is boring as watching paint dry. She has no personality and no depth. He is of course a man-whore rebel tough guy. Now Brandon. Good god help me. I'll just make him a hotter version. She doesn't stop there though she gives him grey eyes. but it's really not at the same time. So allow me to show you how I felt. I was like this. And this. Then this. I'm glad Brandon and Harper have their happy ending. If you want to torture yourself go read it. It will be tough if you go in blind. Your hopes dreams expectation comes tumbling down. I was so happy about how their love story turns out. I just need to vent this. I heard the author will write the story in Chase's POV. Well. There's no way I'm going to break my heart again. -Chase. Ugh. I miss him. I think I need a support group for this book. I'm extremely pissed. Well 8 hours later and I still feel the same. Within 4% of reading I was hooked. was gone. The characters I was invested in and loved... was gone. It's coming. Now. I didn't finish reading it. I quit at about sixty percent and skimmed the rest. I couldn't bear to do it. I'm not brave enough. The book outraged me. Let that sink in for a moment. ONE HUNDRED AND NINETEEN. ONE HUNDRED AND NINETEEN. ONE HUNDRED AND NINETEEN. What. The. Actual. Fuck. That is the biggest load of bullshit I've read all year. Two months after Chase died. TWO MONTHS. This is wrong. Seems legit. SPESHUL SNOWFLAKE. [...] everyone said I was the cutest pregnant woman they'd seen.] I looked like a normal Harper again. until I turned to the side or faced front. Somehow I really fucking doubt that. It's impossible and incredibly stupid. Go find another brainless bimbo to screw. I'm not your type. I'm pretty sure I lost brain cells reading this. How could this girl even begin to even- UGH. UGH. UGH. He was possessive controlling and I absolutely hated him. Brandon is dull boring and supposed to be sweet. plain. I don't know what anyone saw in him. He forgave her so fast it was unbelievable. Writing Simply put terrible. isn't. real. Stop this stupidity. Seriously. Stop. STAHP. Wrap-up This book made me very upset most of all. And look I get it. that's what it's about. People doing stupid things. In fact it glorifies it. Teenage pregnancy? Check that or check it twice actually. Teenage marriage? Check. Slut-shaming? Check. Adultery? How about a check for that. Or my life. That's one helluva literary cocktail. A story that left me emotional incontinent. However that was my only complaint. And by the end of the book. Taking Chances (Taking Chances #1)
