

Diary ng Panget 2 By HaveYouSeenThisGirL Mass Market Paperback Mass Market Paperback Holy chicken sticks! Ano daw? Ano yun? Meron ba nun? Nahahawa na ko sa kaabonormalan ng mga sinasabi at pag-iisip ng mga tauhan!! *clap *clap happy ending na kung happy ending haha di na natapos ang mga sagabal sa pag-iibigan ng dalawang tauhan. For anyone who's looking for a light read in Filipino or Tagalog or if you're a Wattpad reader that didn't get to read this on the site before the author (Denny) deleted it it's a must read. Eto naman kasi si Cross kala mo may menstruation lagi kay Eya lagi nagsusungit tapos nilalait pa lalo na ngayon gumanda na siya (pasalamat na lang siya sa beauty treatment na ginawa sa kanya ni Lory ;)) Di ko rin maiwasan isipin kung sino makakatuluyan ni Eya it's either si Chad na super gwapo friendly at major crush at heartthrob ng bayan o si Cross kahit super sungitkahit mapanglait sa iba lalo na pagdating kay Eya at kahit mataas ang pride (takot naman sa multo ;P) at super gwapo rin meron naman din siyang good side diba. habang nasa work ko sya binasa oo maiyak kakabasa sakit na ng mata ko eh dalawang gabi na kong puyat haha ganda kasi eh! Buti nalang magaling magsulat ang author ng book muntik na kong madismaya sa mga pasabog buti nalang nilalamon ulit ng lupa yung mga pasabog na yun at di na natuloy pa hahaha! Nakakabitin sana tapusin na ng author ang istorya hanggang book :) Kudos for Denny!*This review is for the Book 2 series from Wattpad =) Mass Market Paperback Diary ng Panget 2

, Tas What??? Brownout??!! :(It's a really a kilig story for me: Muntikan na kong maiyak.

The second installment of the series is finally here: I'll be anticipating the next book that starts where it left off in the Wattpad version, There are still glitches or might I say grammatical errors that I think it wasn't proofread that much. :(I guess the artwork is better now it's clear unlike the first book that had a blurry cover. For me it's still a premature story it's cliché and I've read better young-adult novels, (It's a combination of Boys over Flowers and Kaichou wa Maid-sama! set in fictional Philippines if you're into Korean dramas and animé,) But for a teenager to come up with such an interesting read it's amazing, siguro kabukod tangi talaga si Cross na may mala-halimaw na ugali unique kumbaga special kasi special child. Sensitibo kung hindi man delikado (para na rin sa akin) ang mga linyang tumatalakay sa ganitong paksa lalo na't sa hindi masyadong akmang pamamaraan, Medyo maayos pa 'yung unang chapter kung saan nagsalo sila sa Boy Bawang, At ni minsan hindi ko talaga nagawang matawa sa bawat nababasa ko dito. Umaasa pa rin akong makakaaninag ng kaunti pang liwanag sa pagbasa ko nito: halos hindi ko na mabitawan itong libro isang araw tapos ko na agad, Waaah excited na talaga malaman ang next part ng story :) Mass Market Paperback Sa pagkakasulat hindi siya tulad ng ibang libro na nakaka-boring kung babasahin, Isa sa mga katangian ni HaveYouSeenThisGirL ang mag-alihw sa mga mambabasa at naniniwala ako doon. Common lang ang story (nasabi ko ito dahil nabasa ko na ang buong story sa Wattpad noon) isang gwapong lalaking nainlove sa pangit na babae. Can't wait for the 3rd Book! Mass Market Paperback Why oh why have I decided to read the second book? Oh I know: That's because I want to give the author another chance to prove herself to me: I can say this is a lot better than the first book but still. Maybe because the build up for the characters in the book started to bore me: *sighs* But of course I'm still going to read the third book since I'm a masochist, If I managed to finish the Twilight saga and Fifty Shades of Grey I can also survive this one. When I was 14 my goal was to

have readers who will appreciate my story goal accomplished: When I was 18 my goal was to publish a book now I have a published book goal accomplished: NOW my goal is to write and publish something I can call a masterpiece before I turn 30, I just have to use the same formula: PASSION + DEDICATION x PATIENCE Mostly corny but funny: And multiple Twilight references? Sirius-ly? Anyway to sum it up if you're looking for some light fun and I must admit kilig read then go read Diary ng Panget, This is actually supposed to be a gift to my cousin who loves reading Wattpad stories but anyway I won't pass on books without reading it first so: He and his funny antics might have to actually be the reasons why I went on reading: I think it is unfair to have him rooting for someone who does not love him back when he deserves all the love. (Can I just have him instead?) Although I must say though it is very predictable the Cross and Eya pairing is also. Mass Market Paperback I like the first better but what the heck: Falling in love with characters is a bad thing when a story starts getting bad: I just realized I might be blind to the bad parts that's all :D Mass Market Paperback Binasa ko sya ng Thursday ng gabi[1]

Pasaway lang). Nanlumo ako ng malamang kong ang final entry ay. wala! at mababasa daw sya online! what the. So I've decided na sa lunch break mag o- online ako. Really nice book to read. pam pawala nang stress sa life. Muntik na kong atakin ng aso sa puso whew. Will read tonight and write a review soon. ;)[Review update 07/09/13]The book is still unfinished. Just like I predicted they're doing a series on it. Still not satisfied with this edition. I'm so difficult to please. Haha. But yeah. Indeed. Looking forward to the next installment. :) Mass Market Paperback He's really a mongoloid.- p. 68.-p. 74 Tatabasin ko ang mga parteng 'yan kung ako ang editor. Ganoon pa rin. Sandamakmak pa rin ang mga irrelevant na eksena. Puro asaran pa rin sila Eya at Cross. Mumuntikan na akong ubrahan ng kakaunting kilig. MUMUNTIKAN lang; hindi pa rin natuloy. Sa totoo lang. Now proceeding to Book 3. Mass Market Paperback Paganda ng paganda ang istorya wooh. Kaya lang nabitin nanaman ako hahaha. Sana marelease na yung next part ng book ng DNP. I sooo like the story. Nakukulitan at natutuwa ako pagdating kela Eya at Cross. Para silang aso't pusa away ng away. May mga misspelled words sa book. Pero kahit na ganoon naaliw at nagustuhan ko pa rin ito. It just didn't appeal to me. Right? I hope so. Wish me luck guys. Mass Market Paperback I just turned 19 last February. I still have 11 years to go I can do this. Plus I'm having serious problems with the typos. Lakas makabitin lang talaga e. *spoiler-ish alert* I am actually rooting for Chad. interesting. Especially on the end part of this book. I'm still hooked and in need of something light. This book is light and fun. Not that this book is bad. Natapos ko ng friday morning (take note
