Both parents were hardworking people who obviously cared for their children but in the blame department I felt Roy was an apologist for his father who had retreated into the bush to live as a bachelor. **A life in the woods wonders** A Life in the Bush Having a grandfather who spent time working in the bush of northern Ontario in the 1930s it was neat to hear about the quirks of such a personality. **EPub A Life in the bush tv** A Life in the Bush This book is a classic in the Canadian literature The author tribute to his father and the men of that generation of the 1920 and 1930 who dedicated their lives in bush for a living or for the love of the forest. **A life in the woods wonders** For anyone who is passionate about Algonquin Park the Valley from Ottawa to Trout Creek and every place in between a must read!
