And this didn't do that. Jodie is sparky and vibrant and not a bit shy. however shy little Pearl is the exact opposite. In 2008 she became Dame Jacqueline Wilson. {site_link} Pearl and Jodie are sisters. Pearl is the younger one small shy and anxious. Things start to change now they are in their new home. When term begins their strange summer is over. But things keep on changing. Pearl is blossoming. Maybe she doesn't need Jodie as much as she used to. But Jodie needs her. It upset her so much. However Jodie is the opposite. It was one of my favourite books. This book was an excellent book.She keeps writing to her old schools principle's wife.This books deserves 5 stars and I will never forget it. I found it in the library at school. I thought it would be boring but it was really good. Even sad. I cried at the end of the book.One day a terrible thing happens to Jodie. Hardcover That's. a shock. I mean the ending. I nearly recovered from it. Literally I DID NOT expect that.So.I hope you knew now. Hardcover.
