Highly recommend!**ARC provided in exchange for an honest review** English Theresa Paolo is fast becoming one of my favourite authors and there are only a small select few that I will drop everything for when I get a copy of their books never seeming to spend more than 1 night with a girl but when Kat comes back into his life he realises that she is the reason he has never been able to let himself get emotionally involved with any other girl. **Book of mormon** Although I have never personally suffered from or known anyone close that has suffered from PTSD what I have seen in movies TV and read about previously she seems to have gotten it right. **Solar eclipse 2024 map** Her mother passed away from cancer not long after she and Josh broke up leaving her to struggle to pay bills and raise her 16 year old brother who was on a path to self-destruction. **Book 1** I loved that Josh had to struggle with his emotions over the shooting in a typical guy way "I'm fine" and also was determined to do whatever he could to win Kat back all the while trying to overcome his fear of walking unaided and conquering the pain in his leg. **Blender** When she was in (Never) Again she didn't seem that great probably because that book was about Liz and it was evident that Josh was her favourite but she was really great in this. **Bing** English 4'5!Me ha encantado! No se si es por Kat y Josh o si es porque está contada desde el punto de vista del protagonista pero de una forma u otra este libro me ha encantado. **Godaddy** He was in college having this great time being a star baseball player and then suddenly in one morning everything changes and his chances of playing baseball are pretty slim in fact at this point walking is him main goal. **Book of mormon** It becomes his mission to fix things with Kat and it really gives him to motivation to start working on overcoming his own issues to be able to open up about what he feels about what happened to him and to really poor himself into his recovering. **Joe lieberman** She also has a traumatic storyline that gets revealed as the story goes on and I think it's really an experience that brings Josh and Kat together helps the two of them really understand each other and find strength in being with one another learning that life sometimes requires leaning on other people to get you through the hard times. **Kenan Thompson** But if you want to see how two people can really survive some heavy stuff and come out on the other side then this is definitely a book you want to pick up especially if you like new adult. **Canva** She had me from the very first word of this book and maybe before then because I was a big fan of Josh from Never AgainThe GistStarts with Josh Wagner our school-shooting victim who's dealing with rehab for his leg. **Jimmy carter** Will they be able to work things out and rekindle their relationship? Will Josh be able to recover both physically and emotionally from the shooting? Will Kat survive when her attempted rapist is released from prison? These questions will all be answered after reading (Once) Again. **Illinois basketball** Don't we all?OBS would like to thank the publisher for supplying a free copy of this title in exchange for an honest review* English ***4 Cotton Candy Stars*** (Thank you to NetGalley and the author for this copy :D :D) My mind is on a buzz trying to contain just how much this book made me feel and also trying to form coherent thoughts to describe the experience of reading it. **Connections hints today**

I call this a case of It's not you it's me because I bet thousands of readers will be giving (Once) Again perfect 10s :D And it's my bad for comparing book 2 to book 1. **Ipps-a** You also get some quite funny parts too Kat doesn't take any crap from Josh and puts him in his place when he needs it! Their chemistry is perfect and they are perfect for each other healing each other and finding their way through all the pain of the past to build a future. **Harbor freight** Did I finish this one...Yes! Did I like it more than the first one... Yes!Josh and Kat were for the most part likeable characters and the development between them the story and their characters in general was a vast improvement from book 1. **Booklet** I am a sucker for a second-chance romance and this one was really well thought out from the unusual situation that necessitates Kat to come back into Josh's life after 2 years to assist with his rehabilitation and although there is drama it isn't OTT or unnecessary. **Home depot** It also worked really well being written from Josh's POV I found him pretty funny and self-deprecating and his relentless pursuit of Kat was absolutely adorable especially with everything that he was suffering from. **Ipps-a** It was nice to read of a heroine who didn't just fall down and fall in love in the first couple of chapters Kat has a whole set of her own problems that she is dealing with aside from the re-emergence of the guy who broke her heart back into her life. **Rockford stabbing** After book one I wasn't sure whether I would want to read another book again by this Author I am not ashamed to say when I am wrong and after reading (Once) Again I would happily pick up another book by Teresa Paolo.This is Josh's story and starts about a month after (Never) Again finished: **Bookshelf** Josh is back at his parents' home recovering after the school shooting where he was shot in the leg. **Travis Kelce** His parents and sister are hovering constantly and he is having trouble coping with his PTSD without letting his family know about it: **Ipps-a** As his parents work and Liz has to go back to college herself his parents hire an aide to come look after him during the day: **Book 1** Enter Kat who Josh had a pretty hot and heavy summer romance with before heading off to college 2 years ago, **Book 1** The relationship ended pretty badly as he left her not long after she discovered her mother had cancer and he has always felt guilty about leaving her: **Kenan Thompson** Josh has always been a party boy with a playboy reputation.

Josh will have to reconcile his past... In order to make Kat his future. **Epub converter** After surviving a real-life nightmare Josh Wagner is sent home from his dream college on crutches, **Ebook publishing** Bedridden and tormented by flashbacks he's just seen his world shattered and his baseball scholarship go up in smoke: **Solar eclipse 2024 map** Now even though she's only taking care of him because it's her job Josh is determined to win her back. **Epub format** But protecting her—and redeeming himself—will put Josh in the line of fire again: **Kenan Thompson** Long bio:Theresa Paolo lives in Long Island NY with her fiancé and their fish, **Rockford stabbing** She writes steamy small town romances with sassy heroines sexy heroes and feisty townspeople. **God bless the usa bible** When shes not writing shes reading brewery hopping or daydreaming, **Travis Kelce** She loves coffee all things Christmas and fall and making lists: **Pdffiller** Long bio:Theresa Paolo lives in Long Island NY with her fiancé and their fish: **Bookkeeping** She writes steamy small town romances with sassy heroines sexy heroes and feisty townspeople: **Pdffiller** When she's not writing she's reading brewery hopping or daydreaming. **Illinois basketball** She loves coffee all things Christmas and fall and making lists: **Book 1** Josh is recovering from a school shooting and when his caregiver shows up it is Kat the one who got away: **Differences between epub and pdf formats** Both Josh and Kat are very likeable characters and I loved how they started to reconnect: **At&t** My heart broke for both of them and everything they went through: **Calculator** I was happy that Zack and Liz from (Never) Again made a few appearances in this book, **Jimmy carter** I really loved this book and once I started it I couldn't put it down. **Instagram** It is fast-paced doesn't have a lot of angst and has a little suspense: **Solar eclipse 2024 map** This book can be read as a standalone but I highly recommend reading (Never)Again as well because it is also really good. **God bless the usa bible** After all she is the only girl he knows that doesn't automatically fall for his

charm and calls him out on his crap, **Jimmy carter** Josh is suffering really bad PTSD and I think that Theresa nailed this perfectly: **Joe lieberman** Josh has always been a carefree happy go lucky positive kind of guy but this incident really gets to him, **Book 1** He is not only suffering from survivor's guilt but also feels responsible for the death of Nia a girl that died in his arms during the shooting, **Bookshelf** Kat has had a pretty bad life over the past 2 years herself: **Ebook publishing services** She managed to get him through his last couple of years of high school and into college on scholarship but had to sacrifice her own college dreams in the process. **Book club** She is still struggling financially and emotionally with everything that has happened to her along with another trauma from the past coming back to haunt her: **Solar eclipse 2024 map** I usually love books from guys POV's as they don't tend to be as whinny as some girls can be: **Travis Kelce** I enjoyed the cameo appearances by Liz and Zach also really liked Kat's brother Justin (wonder if there will be a 3rd book about him?????) and Josh's mom was just awesome: **Kenan Thompson** Absolutely loved when she decided have a "chat" to Josh about his sex life, **Book outlet** This book wasn't all serious and concentrating solely on romance: **Flytant** It was a typical book by Theresa meaning it was funny as well: **Pdf** Some of my favourites were "Just keep it in your pants" "But he's like a guy's guy, **God bless the usa bible** What do you want him to wear heels and fake eyelashes? He's not a drag queen for crying out loud: **Book 1** "It's not like I was holding out hope for you to come back and sweep me off my feet so please keep your ego in check: **Joe lieberman** I loved getting to know new characters as well as getting to find out more about old ones. **Instagram** They're very real and I felt so much for them! Another great job by Paolo: **Pdf editor** He llorado muchísimo porque ambos han pasado por situaciones muy duras y han sobrevivido y eso es lo importante: **God bless the usa bible** Esta bilogía ha sido una sorpresa no es una historia fantástica pero gusta y eso es suficiente para mi. **Illinois basketball** English To read this review and others like it check out my site at www: **Book 1** com This book is definitely on the intense side although given that it's the second book in the series I can't help but think the first book might have been just as intense. **Lowe's** So this book focuses on Josh who is recovering from a gun shot wound to the leg that he got when he was in a mass shooting at his college. **Illinois basketball** To say it was a traumatic experience for Josh might be an understatement, **Epub format** When the book starts Josh is in the middle of his rehab and he is not a happy guy. **Harbor freight** He's clearly going through some PTSD like symptoms and is pretty much angry at the world, **Godaddy** Of course when his home health aid shows up and it turns out to be the girl from high school that he was in love with things really start to change for him: **Book 1** He really wants to be the man that he feels Kat deserves: **Bookkeeping** I liked that the book was told from Josh's perspective it's not something I really read a lot the male perspective only. **Book 1** And I think the book was done really well I felt that it was really easy to connect with Josh and to really pull for him I wanted him to get his happy ending, **Rockford stabbing** Kat has not had it easy after her mother died from cancer she suddenly had to take care of all the bills and become like a second mother to her little brother. **Canva** But she's such a strong woman in spite of all the stress that is thrust upon her and all this new found responsibility she keeps going, **Autozone** I liked that she wasn't a push over she stands up and says what she thinks life dealt her a bad hand and she learned how to make it work, **Baltimore bridge collapse** She an impressive chick and she's great at pushing Josh to be a better person and really helping him to get over what happened to him. **Canva** I think this is a pretty good new adult romance I really enjoyed it. **Bookshelf** I do have to point out that it is on the heavy side so if you are looking for upbeat and fancy free this isn't the book you want to pick up, **Barnes and noble** English ***I was a lucky beta for this one :) Release in June!***Five Foamy StarsI am a true blue Theresa Paolo fan, **Godaddy** Poor guy is also having flashbacks from the traumatizing experience every time he hears a loud noise or even when he closes his eyes. **Calculator** He's at home but he needs hospice to come clean his bullet wound and make sure he's following doctor's orders: **Canva** And low and behold the nurse shows up and it's Josh's first love Kat (which will now be named Kit Kat because that was freaking adorable. **Epub to pdf**) And after their first exchange where Kit Kat refuses to be anything but professional and of course Josh having none of that Josh starts to think, **Pdf drive** dayum why the heck did I ever let her

go?The CharactersI LOVE all male POV books (when done well): **Bluestacks** Theresa had Josh's voice down and it was equally hilarious and adorable being in his mind: **God bless the usa bible** He's dealing with so much with the PTSD and not to mention having his dream of playing baseball shot away I couldn't help but want ONE thing for him to go right, **Rockford stabbing** Get your girl Josh! And his persistence and just FABULOUSLY guy dialogue was entertaining and had me rooting for him the whole book. **Ebook central** Kit Kat is worthy to be on a list of the most kickbutt female leads ever, **Kohl's** Poor thing is taking care of her younger brother after her mom died working long hours and she doesn't have time for bull: **Book 1** And she's not going to make it easy for the guy who totally ripped her heart out and try to worm his way back in, **Rockford stabbing** Not without a few obstacles ;) I love that she didn't melt like a freaking puddle every time Josh opened his mouth or smiled. **Instagram** It was great to see Zach and Liz again and LOVED Justin (Kit Kat's brother): **Kindle reader** And Theresa knows how to write a fun yet deep love story with characters I can't get out of my mind. **Expedia** There were several parts I smiled panicked screamed cried and laughed in (Once) Again and when a book can make me feel everything possible that's something I cherish: **Solar eclipse 2024 map** I definitely recommend for those who loved (Never) Again but also for anyone looking for a suspenseful and sweet romance told from an all guy POV in New Adult, **Kohl's** Brought to you by OBS reviewer Jerjenonce-again-theresa-paolo(Once) Again by Theresa Paolo is a love story but so much more, **Bookshelf** It's a story of Josh who is a victim in a college shooting, **Godaddy** He is trying to rebuild his life to deal with the nightmares and at the same time trying to rehabilitate from the physical damage. **Illinois basketball** It's also a story about Kat who is trying to deal with the loss of her mother while raising her younger brother: **Flytant** Josh and Kat are attempting to deal with the loss of each other when Josh left for college. **Expedia** They are reunited when Kat becomes Josh's Health Care Aide, **Epub reader** They have so much to deal with: their past the present and their future. **God bless the usa bible** The main characters and the supporting cast of characters are very well developed. **God bless the usa bible** The characters felt very human to me and would be people I would like to be friends with, **Canva** They have many different problems to deal with and obstacles to overcome, **Godaddy** I love the way she sucks you in spins you around in a romantic world that leaves you with a more hopeful outlook when you set the book down. **Booklet** She definitely has a talent for the romance genre and in particular new adult. **Travis Kelce** In a Nutshell:Josh Wagner is dealing with the aftermath of a school shooting leaving him wounded and trying to get back on his feet-literally. **Bookshelf** When an at-home nurse's assistant shows up he finds himself looking straight into the eyes of his first and only love Kat and the feelings he had for her rush back: **Bookshelf** or were they ever really gone? But Kat's not so willing to let him back in no matter how pushy charming Josh is, **Jimmy carter** This book is written entirely in Josh's point of view which was great: **Best buy** He was entertaining very authentic guy and pretty angsty too. **Epub file** All wrapped up together it made for a great one-day read for me-never a dull moment, **Ebook** He was hilarious and had some one-liners I kept highlighting all throughout the book giggling into my kindle while my husband looked at me like I was some sort of lunatic: **Ipps-a** Now it's not a bad thing because it followed what I refer to as the New Adult Blueprint and after getting about 10% in I had predicted the story line: **Illinois basketball** Sadly it was what prevented me from giving a perfect 5 star :(because I loved the fact that (Never) Again was so different than what was already out there. **Blender** I'm trying to be objective I promise!Even with that one bugger ;) I'll definitely be re-reading this and reading everything Ms. **Epubs air force** Paolo writes because she has captured my heart properly squeezed it out of all the feels and left me wanting more. **Kindle reader** Happy reading!!!! English Great Second chance love storyA well written tale of heartache nightmares secrets pain and reconnecting with an old love and falling in love all over again: **Solar eclipse 2024 map** Josh had a 'secret' relationship with Kat the summer before college started: **Kenan Thompson** He wanted to keep her all to himself he didn't want to share her with anyone. **Bookshelf** When she didn't ask him to stay instead of going away to college he left heartbroken, **Ebook reviews** But time heals all wounds right? That's what Josh thought until the tragic shooting at his college two years later and Kat shows up at his door as his new PT: **Joe lieberman** After

seeing her face as soon as he opens the door all those feelings come rushing back to him even though he knows they never left in the first place: **Kenan Thompson** But Kat isn't interested in rekindling the past she can't lose her job, **Epubs air force** "He can see that she is hiding something he knew when he left her mom was sick and she avoids all questions centered around her like a plague: **Book 1** Frustrated Josh knows that he still affects her and is determined to remind her of how she once felt for him: **Travis Kelce** He just needs to get her to trust him again and open up to him like the feisty girl he remembers. **Ebooker** She was always shy but her feisty side always came out around Josh always calling him on his BS. **Booking.com** The reason I lost her all came down to the fact that I didn't take a chance: **Bookkeeping** I played it safe and it was the biggest mistake I ever made. **Linkedin** I told myself if I ever had a shot with Kat again I would be all in. **Bookshelf** The one I thought about so many nights when girl after girl sent me home disappointed with her inability to make me feel a tinge of what I felt with Kat, **Epub to mobi** If you want a great Second Chance romance story with lots of sweet moments a feisty girl and a boy determined to make her his again this is the book for you, **Rockford stabbing** (Josh was a big time Baseball star in high school and college until the shooting and girls always swooned over him which make him a bit cocky. **Harbor freight** The one that would make most girls melt but only put gas in her b*tch tank, **Rockford stabbing** After DNF'ing the first book in Teresa Paolo's Again series I must admit I went into this one with more than a little trepidation: **Canva** There seems to be more depth and less superficiality to Ms: **Book 1** Paolo's writing in this book and the story was all the better for it: **Kindle fire** ARC generously provided via Netgalley in exchange for the above honest review[1]

And yes she is one of them. Her co-author Cassie Mae is another one. I received this from Netgalley for an honest review. Writes YA under Tessa Marie. Writes YA under Tessa Marie. She also writes YA romance under Tessa Marie. Kat has always been his one true love. I loved that this book was solely from Josh's POV. Some really great lines and quotes. "Really Josh? How stereotypical." "I've already seen it." I laughed. Her gaze shot to my crotch then back to my face. "And if I remember correctly it wasn't too impressive." English A wonderful continuation of (Never)Again. Paolo does such a beautiful job with her characters. <http://openbooksociety.com/article/on>. There is romance terror suspense friendship and heartbreak. She is also trying to put an attempted rape behind her. Kat's heart aches from that loss. They have many human traits we can all identify with. They feel sadness happiness terror frustration and longing. So let's hope I make some sense. I fell in love with Ms. Paolo's writing in Never Again. I loved being in his head. Josh's internal dialogue MADE THIS BOOK. My only qualm. I felt the story itself lacked originality. That doesn't stop Josh from trying though. "We could pick up where we left off. Go back to the way things were." Long lashes blinked up at me. "That's what I'm afraid of. *I was taking a chance but I had to. Nothing would stop me. It was my opportunity. I'll leave you with this I loved this little line. I love it when his little tricks doesn't work on Kat!). "For starters" I said and gave her the look. English 3 Stars. English
