

Outlaw Tales of Montana, 2nd: True Stories of Notorious Montana Bandits, Culprits, and Crooks (Outlaw Tales Series) By Gary Wilson

From rustlers and robbers to crimes of passion and the wannabe outlaws who couldn't quite pull it off Outlaw Tales of Montana tells the stories of some of the most fascinating--and least known--badmen to roam Montana's Long Henry Thompson the terror of eastern Montana; Con Murphy the Jesse James of Montana; Dutch Henry Ieuch (and the outlaws of Big Muddy Creek); George Big Nose Parrott; and infamous Wild Buncher Harvey Kid Curry Logan. This book offers entertainment and an unusual look at history Outlaw Tales of Montana 2nd: True Stories of Notorious Montana Bandits Culprits and Crooks (Outlaw Tales Series) This book delves into the stories of these men and the lives they lived. Wilson does a great job of setting up the context of their lives to people like me who don't have such a wealth of knowledge about this region or topic. I would recommend this book to anyone who wants to know what the Wild West was really like: Hollywood does a great job of glamor and gunfights but this book shows you what it was really like. 0762726865
