Dreamspell is mainstream clean romance (not Christian fiction) and the sensuality is high in places--for example the hero is taking a bath and the heroine walks in and stays to talk to him and then takes a bath after him while the hero is supposedly sleeping. **EBook dreamspell** I'm not used to mainstream fiction -- the characters I usually read are growing and changing spiritually throughout the book and perhaps that missing element distanced me from Fulke and Nedy.

**Dreamspell kindle paperwhite** I'd recommend it to those who enjoy mainstream clean romances time travel and medieval history and to women who have lost their hair and other womanly features to radiation treatment. **Dreamspell Historical fiction books :-)** Dreamspell (Beyond Time #1) I wish I knew what made Tamara Leigh's books so magical because I'd bottle it and sell it (or maybe give it away if I was feeling philanthropic) to all the other authors out there. **Dreamspell Historical fiction vs** □ Ken becomes torn between her life in the Middle Ages where she tries to keep up her facade as a lady which leads to some slut shaming and of course a vulgar proposition of his own and I know that sounds strange but it was a breath of fresh air for me that he was normal looking and not a Greek statue . **Dreamspell bookpedia** Without a doubt I will be definitely be reading more from this author in the future and have already acquired a few books of her popular Age Of Faith series to delve into next!

That was my only real complaint . A TIME TO DIE. A TIME TO DREAM. Dreamspell (Beyond Time #1)4.5 starsWhat a great romance! I loved the author's writing. I loved both the hero and heroine. The epilogue was short but very satisfying. H - 30. Divorced. Only had one partner her ex. He was not a bad guy.ow drama - Not really. Another woman does want him but he's not interested.om drama - No.The premise was totally cool. Kennedy is a 28-year-old doctor specializing in sleep disorders. there's Fulke. It's so well-conceived and well-written. BONUS: No graphic sex scenes. This is my honest review. Dreamspell (Beyond Time #1) This is a fantastic book. The kind to kill for. The kind to die for. The kind that lasts throughout eternity. The suspense kept me guessing. Nedy's attitude toward her ex-husband Graham bothered me. First she managed to make me like chick lit.Dreamspell is a keeper. And her heroes. yep I always like her heroes. Fulke Wynland is no different. Very well done. According to history he murdered his two young nephews.why Lord Fulke of course . Dreamspell (Beyond Time #1) "Is that—?" "Venison." "Bambi?"So there are some ridiculous things in this. But they made me laugh. Fulke and Kennedy have a fun relationship.
