

A Road Through the Mountains By Elizabeth McGregor **A Road Through the Mountains**

Literature fiction **manai** 2° L'aver fatto della botanica la vera protagonista del libro con riferimenti ai viaggi in Cina dello studioso ed esploratore Henry Wilson grazie al quale oltre 2000 specie di piante (tra cui la rara Davidia) sono ora anche in Occidente. **A Road Through the Mountains**
booking 3° L'aver introdotto anche il tema dell'arte in particolare della pittura che per motivi prettamente economici può portare a censurare l'animo dell'artista per soddisfare i desideri degli acquirenti. **Mystery Thrillers** **A Road Through the mountains** **tv** 4° Quest'ultimo punto lo lascerei velato per non togliere il piacere di leggere il libro; aggiungo solo che ho trovato bella tutta la narrazione relativa all'esperienza immaginaria di Anna in un momento delicatissimo della sua vita. **Book** **A Road Through the mountain** **seed** Zij vraagt hem om naar Boston te komen omdat Anna een ernstig ongeluk heeft gehad en in coma in het ziekenhuis ligt en omdat zij hem nodig heeft om voor Rachel zijn dochter te zorgen. **A Road Through the Mountains** **booking** Door het navertellen van het reisverhaal van de botanicus Ernest Wilson dat hij eerder aan Anna had verteld vlak voor zij vertrok probeert hij tot haar door te dringen en haar uit haar coma te halen geholpen door de tekeningen van Rachel. **Book** **A Road Through the mountainside** Die ganzen „Zeiten“wechsel von „Heut „ dann damals“ und die verschiedenen Sichten brachten die Geschichte ein Kuddelmuddel dass mich immer mehr und mehr die Geschichte mich entfremdet hat. **Book** **A Road Through the mountains** 11 Jahre später erfolgreiche Künstlerin mit einem andere Mann vergeben der nicht wirklich die nette Art hat Anna hatte mit ihrer Tochter einen Autounfall und hat seit 10 Jahren keinen Kontakt mit David Mortimer. **A Road Through the Mountains** **booklet** Obwohl sie eigentlich keine Zeit hat zum sterben und obwohl ihr toller Freund weiß dass seine Freundin im Krankenhaus liegt und schwer verletzt ist wird die Vernissage von Anna nicht abgesagt. **A Road Through the Mountains** **kindle reader** Auch als David James eine reinhaute weil James ein mieser Charakter war hat es mich nicht sonderlich „begeistert“ Erst auf der letzten Seite wacht Anna vom Koma auf was ich sehr schade fand denn damit machte sie die Geschichte noch mehr kaputt. **Book** **A Road Through the mountainsmith** I vaguely remember myself holding tight to this book it was one of the first ones I read in high school library (I begun reading quite late in my life although I remember myself being all curious about my dad's little library his words that it's too early and that I need to be older so that I can understand those books. **A Road Through the Mountains** **epublishing** At first it seemed like I won't even enjoy it and I must admit I kinda dislike the pages where the writer goes in describing the woods and plants but again I can't possibly imagine it would be a better story without it! By the time I was coming to the end of the book it hit me hard. **Book** **A Road Through the mountainside** ebook An accident victim desperate to return to her family a child with Asperger's syndrome and a man discovering the daughter he never knew are brought together by love in this suspenseful moving novel by acclaimed author Elizabeth Cooke After a car accident single mother and painter Anna Russell lies in a coma in a Boston hospital. **Book** **A Road Through the mountainside** Botanist David Mortimer can name any tree or form of plant life but he can't commit to anything—not even to writing his masterpiece about the rare flowers that fascinate him in the mountains of China. **Book** **A Road Through the mountainside** A Road Through the Mountains

I liked the back story of botanist Ernest Wilson who went to China and brought back all kinds of plants that are in our gardens today. **Book** **A Road Through the mountains** **book** His long-ago

affair with Anna was short and intense; when she suddenly returned home to the States David slipped into a reclusive life of research haunted by memories of the girl who'd left him without explanation. **A Road Through the Mountains book pdf** Now he knows he must break his self-imposed isolation go to Boston and the woman he's always loved meet the child he never knew he had—and perhaps coax them both out of their silence. **Book A Road Through the mountains** I did love the flow and details especially in the middle of the story as it built up to David understanding why Anna did what she did back then and how she carried on eleven years after having their daughter Rachel,

Achtung:Dies ist meine persönliche Meinung. Meine Meinung wurde nicht gefälscht. Alles was ich schreibe kommt von mir. Sie brauchen unsere Unterstützung. Schaut gerne darin vorbei. Ich kam nicht wirklich in die Geschichte hinein. Ich hatte ehrlich gesagt keine Lust gehabt weiter zu lesen. Es war alles ein bisschen zu viel des ganzen. Anna lernte den Oxforder David Mortimer kennen und

lieben. Allerdings wurde Anna schwanger von ihm und heute ab. Ihre Bilder verkaufen sich. David wird von Annas Mutter angerufen. Und was dann passiert Dennoch ich kam nicht mit den Personen warm. Für mich hat das ganze ein Chaos hinterlassen. Es war alles irgendwie verwirrend. Man sieht nur einen „Taubenbaum“ mehr aber auch nicht. Der Schreibstil ist ok. ebook

Approximately ten years ago I read this book. Now that I read it for the second time. I still love it. How lovely it ended. Just beautiful. The memory of Anna's mum it got me all emotional. I can hardly remember mine. But in a way it helped me a bit. The scientist is stunned to learn that he's a father. She is fascinated by maps and bridges. The book had beautiful lyrical writing and engaging characters. I am torn about whether I liked it or not. ebook.
