

Bigfoot Sommelier Butt Tasting By Chuck Tingle Bigfoot = 1Nick = 0 (actually he ends up winning too his asshole just got a new resident member)Torbo turns up the charm by serving up a hot dish of anilingus: bigfoot style. nick is wandering around the place looking for a milf to seduce when he suddenly finds himself in a crowded room struck by a most unexpected sight:Right there in front of me is the most beautiful creature I have ever laid eyes on towering over the others by a good two or three feet. nick tries to cling to the vestiges of his familiar and comfortable self-image with his confused I'm completely straight as an arrow nonsense but ain't nobody straight in a tingler for long and nick finds himself right up front under the bigfoot's gaze. now because even monsterporn has rulz the only thing here aged fifteen years is this wine but there will certainly be a woody finish for all the consenting adults in this story. nick and torbo unleash the usual tingle-catalog of descriptive phrases in their lovemaking banter; oral sex is like a beastly jackhammer eyes are wet with lustful gay tears much mention is made of my bro ass and my tasty bro ass and the mid-coital (verbal) ejaculations are boilerplate tingle:*Do it! I scream. Fuck me like the dirty gaybro that I am!and the classic tingle phrase a staple i believe is in every tingler ever:as he uses me like a gay human play toyhowever there is also this line which like nick's tight butthole itself might have been used for the very first time: Let's blow our loads together bigfoot bro. It's classic lines like: Have you ever considered being the one who is tasted?It could have something to do with The Tingle's uncanny ability to make creature porn sound at least kinda hot mostly amusing though. Maybe a combination of the two?Oh Tingle... what are we to do with you and your tinglers that use \$5 words in the strangest most laughable ways yet still manage to miss the easiest typos? Only The Tingle could work in unquantifiable into monster porn and make every single character he writes about ripped and hot with holes gagging to be reamed by monsters and mythical creatures.
