

Witch Me Luck (Wicked Witches of the Midwest, #6) By Amanda M. Lee **Witch me luck amanda m lee** 361 I just cant stop reading them 361 Another fun read! Another fun read of the antics of the Winchester witches and their love interests! Yes all three of the cousins have steady beaux which make for interesting dynamics. **Witch me luck amanda m lee** You have to give these women a try you won't be sorry and the laughter will improve your health! 361 Hemlock Cove is celebrating a magical birthday and familiar faces from different places are descending on the town to participate in the party. **Witch me luck amanda m lee** Things go from bad to worse when Bay has to face off against her high school nemesis and solve a murder case in which Clove's love interest Sam appears to be the main suspect. **Witch me luck amanda m lee** 361 You know that feeling you get when you start a book and you know you're going to be disappointed so you should just close the book and forget about it? I really have to start paying attention to that feeling. Heather recommended this series to me and I finally got around to reading it. **Witch me luck amanda m lee** Its like a cross between Charmed and the witty dialogue of Gilmore Girls. **Witch me luck amanda m lee** 361 Reunions suck 5 Star Kindle Unlimited Read The only people who love high school reunions are the ones who peeked there, **Witch me luck amanda m lee** Not only do the Winchester's have to deal with past bully but there is a thief and murder on the loose trying to tie it to Sam, **Witch me luck amanda m lee** Aunt Tillie is her usual crotchety self that always seems to come through in a pinch even with the love/hate relationship with the rest of the human population. **Witch me luck amanda m lee** Everyone is looking forward to the festivities except Bay Winchester who would rather be hiding from her high school nemesis than chatting her up in the town square: **Witch me luck amanda m lee** Lila Stevens hasn't changed since graduation and Bay remains her favorite target, **Witch me luck amanda m lee** Bay would like to ignore her but Lila isn't making it easy - especially when she sets her sights on FBI Agent Landon Michaels. **Witch me luck amanda m lee** Unfortunately for Bay she can't focus on that predicament when the Hemlock Cove Savings & Loan is held up and a local teller is shot: **Witch me luck amanda m lee** When suspicion falls upon Sam Cornell the Winchesters have to gather together to prove his innocence (or guilt). **Witch me luck amanda m lee** Clove is despondent Thistle is on a revenge mission and Aunt Tillie is ... well ... Aunt Tillie, **Witch me luck amanda m lee** As the clues start to fit together Bay realizes she has to wade through a pack of lies to find the truth, **Witch me luck amanda m lee** With Landon by her side and Lila nipping at her heels Bay is going to have to find a way to survive and keep her family together. **Witch me luck amanda m lee** Witch Me Luck (Wicked Witches of the Midwest #6) Well we step into the past in this one. **Witch me luck amanda m lee** The insults are flying from every direction and Aunt Tillie goes on the defensive for her family, **Witch me luck amanda m lee** Nick was always on my radar and I must admit that ruined it for me as I guessed who is was early on. **Witch me luck amanda m lee** 361 In this one Bay is not looking forward to the people she went to high school with coming back to town especially the people who bullied her back then, **Witch me luck amanda m lee** But when she does run into them she starts to realize a few truths about them and herself. **Witch me luck amanda m lee** But when a robbery happens and an innocent woman dies because of someone close to Bay and her family gets framed and things take a turn for the worse. **Witch me luck amanda m lee** Bay and the gang must do what they can to figure out who the real culprit is before it tears their family apart: **Witch me luck amanda m lee** I enjoyed the interactions between Bay and Landon a lot in this one, **Witch me luck amanda m lee** I really felt like their relationship is growing and it was beautiful to read about. **Witch me luck amanda m lee** The only really bad thing about this one was the issues with Clove she's really starting to get on my nerves, **Witch me luck amanda m lee** I have to say she is probably my least favorite of the characters but other than that I thought it was good and I'm looking forward to more, **Witch me luck amanda m lee** Keeping her cousin from going over the deep end confronting her teenage past and solving the case all collide in this hilarious read with our favorite family of witches. **Witch me luck amanda m lee** Another crazy adventure that you won't want to miss a single second of; I absolutely love to sit down with these insane characters and just immerse myself into their stories, **Witch me luck amanda m lee** A fun light read that makes me laugh and swoon with delight: **Witch me luck**

**amanda m lee** :) 361 So here's the thing I know I will read the next one because as I write this review I've already read it: **Witch me luck amanda m lee** This book sealed the deal for me that I don't like Landon, **Witch me luck amanda m lee** He is obvious very full of himself and written at someone who is a borderline abuser, **Witch me luck amanda m lee** I teach about domestic violence and I teach against this behavior. **Witch me luck amanda m lee** I'd like to see Bay not feel like she needs an attractive man on her arm to feel good about her, **Witch me luck amanda m lee** The books of the girl who thinks she is ugly is actually hot in everyone else's eyes, **Witch me luck amanda m lee** Why are you with her? She is a freak!!? How many more times can you say that. **Witch me luck amanda m lee** Worst storyline and I believe that if I lived in this small town I would leave: **Witch me luck amanda m lee** Crime is running rampant and it is usually murder! And the bully from high school? PLEASE! And Nick? SO BADLY WRITTEN! Just painful: **Witch me luck amanda m lee** I guess I was distracted by believing it was going to get better. **Witch me luck amanda m lee** Between the immature bitching the lame plot and the incessant stupidity not even Aunt Tillie could conjure up a spell to save it. **Witch me luck amanda m lee** Like when they were trying to sneak up on a prowler in a greenhouse and stood outside having a noisy argument over who's going to go in first, **Witch me luck amanda m lee** At that point I was hoping the bad guy would shoot all of them. **Witch me luck amanda m lee** Truly this was abysmal and a real disappointment compared to the other books in this series: **Witch me luck amanda m lee** 361 When I was a kid I was torn between whether or not I was going to grow up and be the Incredible Hulk or Wonder Woman: **Witch me luck amanda m lee** I flirted with being a Jedi Knight for awhile but I wasn't up for the intense travel associated with the gig. **Witch me luck amanda m lee** In my teens I settled on being a writer although I had no idea the effort that would entail. **Witch me luck amanda m lee** Not only am I a writer now but I'm a writer in several different mediums. **Witch me luck amanda m lee** I'm a longtime newspaper reporter an avid reader and a voracious science fiction fanatic. **Witch me luck amanda m lee** When I was a kid I was torn between whether or not I was going to grow up and be the Incredible Hulk or Wonder Woman. **Witch me luck amanda m lee** I flirted with being a Jedi Knight for awhile but I wasn't up for the intense travel associated with the gig: **Witch me luck amanda m lee** In my teens I settled on being a writer although I had no idea the effort that would entail. **Witch me luck amanda m lee** Not only am I a writer now but I'm a writer in several different mediums. **Witch me luck amanda m lee** I'm a longtime newspaper reporter an avid reader and a voracious science fiction fanatic[1]

Adorable. It was fantastic. Love it. What a fun series. The cherry on top is that there is no cheesy sex. despite it hedging slightly towards paranormal romance. 361 A really good read. I enjoy this series a lot. Humour romance Interesting characters and a good mystery. What can possibly go wrong. As usual the Winchester witches are in an uproar. Bay's nemesis is in town. I didn't see Bay getting shot though. This book was another good one in the series. 361 4 Stars. But. this one. This book. Do I need to explain? Well I'm going to. Landon is a pig. About the constant need to know where you are. the yelling. the guilt trips. the possessiveness. All of this is just dangerous. and the sexy guy who is with her. It didn't. Words cannot fully express how crappy this book was. {site\_link}.
