

Don't Make Me Beautiful By Elle Casey **Book Don't Make Me beautiful disaster** I'm always very impressed when a book comes along like this where I can genuinely respect each one of the characters and where the drama comes from completely external sources. **Book Don't Make Me beautiful places** There was a twist in the last 20% or so that sent full body shivers through me!! I absolutely loved the direction it took the story in and I read the ending with happy tears in my eyes as everything came together. **Don't Make Me beautifulkjv** Nicole is a woman who is trapped in a physically and mentally abusive relationship; one that has not only crippled her integrity but has dramatically deformed her physical appearance to the point where people see her as a monster. **Fantasy Don't Make Me beautiful gif** Yes this plot resembles Sleeping With the Enemy in the way the heroine runs from an abusive situation but it's aftermath subtly displayed the charm and gratification of a fairy tale . **Don't Make Me beautifully yu** I feel this story does a wonderful job in getting across the healthy ways to face and handle such a serious and heartbreaking circumstance and offers a very lovely and positive message of seeing the beauty within. **Book Don't Make Me beautiful again** ■ POV: 3rd Person Perspective ■ Cliffhanger: None/Standalone 9781939455123 First here's my casting for Brian:*** FULL REVIEW NOW POSTED ***WOW!! I absolutely loved this book!!! 5 stars! Don't Make Me Beautiful is a deeply touching beautiful and inspiring story with a powerful message about the strength of survival and the healing power of love. **Don't Make Me beautifulkjv** This is easily one of my favorites of the year! I first fell in love with Elle Casey's writing with her witty romantic comedy Shine Not Burn and when I learned that she'd released a new more serious romance I couldn't wait to try out another side of her writing and let me tell you -- I was blown away!!The story is that of a brutally abused woman Nicole whose face has been horribly disfigured after years of beatings at the hands of a man she once thought she loved. **Fantasy Don't Make Me beautiful gif** Things may not have worked out with his ex-wife but they remained good friends and his focus is on living in the moment and hoping that maybe one day if it's meant to be the right person will come along who can complete his family. **EBook Don't Make Me beautiful disaster** When fate crosses his paths with Nicole's he rescues her takes her to the hospital under a fake name and offers to take her home with him to give her a safe place to heal. **Book Don't Make Me beautiful places** Remember that this is a romance but given Nicole's situation and everything she'd been through that side of the story understandably was slow building for the first while allowing time for healing first. **Don't Make Me beautifuller** But this wasn't just about healing every single one of the supporting characters was wonderful -- especially Helen (the ex-wife) Agnes (the next-door neighbour) and Liam (Brian's adorable son). **Book Don't Make Me beautiful by john** It only took five days for her to go from invisible woman living in a house around the corner to the center of his universe Despite the subject matter I wouldn't call Don't Make Me Beautiful a difficult book to read and it's not really steamy. **Don't Make Me Beautiful booklet** Domestic violence is an issue all of us should be sensitive about and when films are made or books are written about it I appreciate the effort; that is why I read this book but it didn't make sense at all. **Don't Make Me Beautiful pdf editor** There is this girl Nicole who chose a wrong person as a boyfriend at the age of 19 and has been abused both beaten and raped by him in his house where he kept her locked and as a prisoner for three years. **Don't Make Me Beautiful fantasypros** And the sadistic boyfriend keeps a photo of her from the times when she was beautiful and every now and then he forces her to look in the mirror and then at the photo and compare herself with it. **Don't Make Me beautifulkjv** So have you pictured her now?Well then one day by accident a neighbor and his 6-year old son discover the existence of this girl and the boy's father rescues her from that house. **Don't Make Me beautifulknit** I just had a hard time to believe this! If there is going to be some romance in a book like this you don't have to start it a week after she was saved from that abusing monster. **Book Don't Make Me beautiful by john** Well did they do all these logical things?NOOOO! Of course not! - First of all she refused to report to the police and they all accepted her decision!- She didn't want therapy because she didn't want to talk about the terrifying things she endured and they also accepted it. **Don't Make Me beautifulkjv** Come on take her to a god damn dentist at least! She doesn't have teeth!And if she is afraid that the police will not help her you should also try to

make her see that this is absolute nonsense. **Book Don't Make Me beautiful places** But no they don't report him to the police and the man follows them and of course kidnaps her again! Yes why not? If you are so stupid this is what would happen! Also this girl looks awful and ugly (this is what the book says not me) and she needs to have a lot of plastic surgeries to gain her previous appearance back. **Don't Make Me beautifulknit** So she doesn't want to attract any attention anymore! So what happens when she says "Don't make me beautiful"? The surgeon says "OK however you wish" again and he doesn't make her beautiful!!! Come on she cannot think healthily because she didn't have therapy so she thinks being beautiful is a curse whereas in reality the reason was the fact that she unfortunately met someone who was a psycho! So in this state of mind you cannot operate her. **Don't Make Me Beautiful pdf editor** I was totally going insane reading all those pages! Oh at the very end of the book when everything comes to a kind of resolution marriage and child issues all done she decides that she can now start therapy. **Don't Make Me beautifulkitty** A lot of people who read this have issues with Nicole staying in an abusive relationship for 3 years or have issues with her refusal to go to the police after the beating that nearly took her life. **Don't Make Me Beautiful fantasy** And then one day out of the blue the autographed baseball caught by Brian Jensen at the latest Marlins game enters her prison and manages to turn her world completely upside down. **Book Don't Make Me beautiful day** Does she dare to believe the things she's told that this is not the life she was meant to live? That being a monster is not her forever-fate? And will she be willing to risk everything to reach out and accept the helping hands around her and share her deepest darkest secrets? She knows only too well that hands can hurt. **Book Don't Make Me beautiful women** A note from Elle about this book: A really long time ago I read an article in a newspaper or a magazine (I haven't been able to locate the original) about a woman who was so badly beaten over a long period of time she couldn't leave her house. **Don't Make Me beautifuller** I thought about that woman a lot over the years and about what her thoughts might have been her fears her reality ... and this book was my attempt to both exorcise those thoughts from my brain and also shed some light on a subject —domestic violence— that I feel should never be left in darkness. **Fantasy Don't Make Me beautiful disaster** Don't Make Me Beautiful Elle Casey a former attorney and teacher is a NEW YORK TIMES and USA TODAY bestselling American author who lives in France with her husband the youngest of her three kids and several horses dogs and cats. **Fantasy Don't Make Me beautiful gif** BOOKS BY ELLE CASEY (by genre): ROMANCE {site_link} By Degrees {site_link} Rebel Wheels (3 book series) {site_link} Just One Night (romantic serial) {site_link} Just One Week {site_link} Love in New York (3 book series) {site_link} Shine Not Burn (2 book series) also available as an Audiobook {site_link} Bourbon Street Boys (3 book series) also available as an Audiobook {site_link} Desperate Measures {site_link} Mismatched Elle Casey a former attorney and teacher is a NEW YORK TIMES and USA TODAY bestselling American author who lives in France with her husband the youngest of her three kids and several horses dogs and cats. **Fantasy Don't Make Me beautiful day** BOOKS BY ELLE CASEY (by genre): ROMANCE {site_link} By Degrees {site_link} Rebel Wheels (3 book series) {site_link} Just One Night (romantic serial) {site_link} Just One Week {site_link} Love in New York (3 book series) {site_link} Shine Not Burn (2 book series) also available as an Audiobook {site_link} Bourbon Street Boys (3 book series) also available as an Audiobook {site_link} Desperate Measures {site_link} Mismatched ROMANTIC SUSPENSE {site_link} All the Glory: How Jason Bradley Went from Hero to Zero in Ten Seconds Flat {site_link} Don't Make Me Beautiful {site_link} Wrecked (2 book series) Book 1 also available as an Audiobook CONTEMPORARY URBAN FANTASY {site_link} War of the Fae (10 book series) *Book 1 The Changelings is a free ebook at most retailers* {site_link} Ten Things You Should Know About Dragons (short story The Dragon Chronicles) {site_link} My Vampire Summer {site_link} Aces High SCIENCE FICTION {site_link} Drifters' Alliance (3 book series +) {site_link} Winner Takes All (short story prequel to Drifters' Alliance Dark Beyond the Stars Anthology) {site_link} The Ivory Tower (short story standalone Beyond the Stars: A Planet Too Far. **Book Don't Make Me beautiful by john** A Space Opera Anthology) DYSTOPIAN {site_link} Apocalypsis (4 book series) *Book 1 Kahayatle is a

Nicole is in hospital in ITU with supposedly one of the worst cases of abuse the doctors have ever seen. **Don't Make Me Beautiful kindle paperwhite** Yet after a day some woman is barging in all ITU care is expensive it needs to be paid for Now I do not claim to have a knowledge of the US health system or exactly how it works - but that is not right surely. **Don't Make Me beautifully** What would they have done if Brian was not there pretending to be her brother? Chucked her out? So she gets discharged even though her injuries are pretty terrible but she has no insurance but apparently she can have some rehab as an outpatient (which never happens) No support is offered no links to appropriate charities help etc. **Don't Make Me Beautiful booklet** At some point her abuser finds her they both end up back in hospital and she is all of a sudden waiting on the DA to make a decision as to if she should be charged with a crime - luckily she does not get charged with a crime that could lead to jail time but a lesser charge. **Don't Make Me beautifulknit** Now again not an expert on US law but I find it really

hard to believe given her situation and history and given the donations flooding in for her and the public sympathy she was getting at this point that anyone would even think she should be charged with anything. **Fantasy Don't Make Me beautiful gif** The police seemingly cannot do anything even though they were at the house along with the ambulance when she is rescued know full well the state she was in who's house she was found in but seem to be completely powerless to even find the bloke let alone question him. **Book Don't Make Me beautiful by john** I just got the impression given how quick it all happened and the insta love thing that she would have fallen in love with whoever rescued her and Brian just has the need to be the hero and save her. **Book Don't Make Me beautiful day** On top of that this author's note! A really long time ago I read an article in a newspaper or a magazine (I haven't been able to locate the original) about a woman who was so badly beaten over a long period of time she couldn't leave her house. **Don't Make Me beautifully** I thought about that woman a lot over the years and about what her thoughts might have been her fears her reality ... and this book was my attempt to both exorcise those thoughts from my brain and also shed some light on a subject —domestic violence— that I feel should never be left in darkness.

This was also about a woman taking charge of her life once again after it had been stolen from her. **Book Don't Make Me beautiful** Seeing the strength that Brian helped her find again and then the rest of the strength that she found on her own was truly inspiring: **Book Don't Make Me beautiful again** This might sound odd to say because it so rarely happens in books but I actually also really loved the relationship that Brian had with his ex-wife. **Book Don't Make Me beautiful by john** It was so nice to see a divorced couple in a book who weren't at each other's throats and who genuinely supported each other and wanted each other to be happy, **Book Don't Make Me beautiful day** Another thing that I really loved about this book was that I absolutely respected and understood every decision each character made: **Don't Make Me Beautiful pdf reader** Never once did I roll my eyes or want to shake anyone, **Don't Make Me beautifulkfv** To me that speaks volumes for the strength of the story itself that it's able to be this captivating without any unnecessary drama, **Don't Make Me beautifulkfv** It was truly beautiful and I was left with the most wonderful feeling ever!!!Don't Make Me Beautiful is a beautiful.

*3: **Book Don't Make Me beautiful women** 5 Stars*While I didn't end up falling in love with the delivery of this story I respect its content and the brave messages it so strongly conveyed, **Book Don't Make Me beautiful day** Don't Make Me Beautiful centers on one woman's escape of an extremely brutal and heartbreaking case of domestic abuse. **Don't Make Me Beautiful fantasy 5** The beginning presents fairly gruesome events that although potentially difficult for some to witness are detrimental in communicating an honest representation of the abuse: **Don't Make Me Beautiful fantasy 5** She has become an unwilling prisoner to the confines of her home where she is sadly hidden from the world around her: **Don't Make Me beautifullest** Until a child a baseball and a broken window rock the foundation of her tortured world: **EBook Don't Make Me beautiful day** When he sees Nicole it becomes his selfless mission to rescue her from not only her circumstance but from the unwarranted blame she places on herself: **Don't Make Me Beautiful pdf free** His gentle and understanding yet firm and persistent persona is exactly what Nicole needs to pull her back to life, **Don't Make Me Beautiful book** Listen you're going to stumble but that's what I'm here for: **EBook Don't Make Me beautiful disaster** There are a few twists and suspenseful turns in this story that do NOT disappoint: **Don't Make Me beautifulknit** The writing is fairly simplistic but I felt it became a gentle way of presenting such difficult subject matter: **Book Don't Make Me**

beautiful again Although this story is based on a heartbreaking scenario I found the majority of it uplifting and was surprised to find much lightheartedness within its pages, **Don't Make Me beautifulkjv** The plot could have easily remained dark but it gracefully placed more emphasis on positive growth rather than becoming swallowed up by the violence. **PDF Don't Make Me beautiful women** What didn't entirely win me over was this story's pace and believability, **Book Don't Make Me beautiful disaster** I felt the hero's portrayal was a bit too flawless and perfect : **Book Don't Make Me beautiful by john** Yes it was inspiring but his character lacked the feel of being human: **Don't Make Me beautifullest** That's not to say I needed him to be broken cruel or conniving — but for me his 'superhero' character sometimes felt robotic. **Book Don't Make Me beautiful lyrics** Although the way everything so perfectly unfolded felt a bit unnatural at times the family and friendship bonds that formed warmed my heart and made me smile, **Don't Make Me Beautiful fantasy** a very unconventional largely twisted but happily-ever-after fairy tale — and that's not to make light of the very real and disgusting truths to domestic abuse. **Don't Make Me beautifuller** Book Stats:■ Genre/Category: Romantic Suspense/Abuse■ Steam Caliber: Moderate■ Romance: Hesitant but sweet and heartwarming, **Don't Make Me Beautiful ebooks free** ■ Plot: a broken woman escaping an abusive and destructive relationship, **Don't Make Me Beautiful ebooks free** It's both heart breaking and heart warming with a strong heroine a to-die-for hero and a story that will stay with you long after you finish reading: **Book Don't Make Me beautiful by john** It touched my heart deeply and reminded me that there are still superheroes out there everyday who save each other: **Fantasy Don't Make Me beautifully** She was conditioned to never escape and her body had been broken and rebroken more times than she could count. **Book Don't Make Me beautiful day** Brian is a single dad whose whole world revolves around his son: **Don't Make Me beautifullest** He might not know anything about her but he wants to help shelter her and help her give her back the life that was stolen from her. **Don't Make Me Beautiful pdf book** " Ok first of all despite the fact that this book might seem dark it's really not. **Book Don't Make Me beautiful disaster** The base subject matter is grim but I generally found the story to be very heart warming: **EPub Don't Make Me beautifully** Because this is inspired by true events it restored some of my faith in humanity and reminded me that there are true super heroes out there living among us each day, **Book Don't Make Me beautiful day** Seeing how happy she used to be and how broken she was now was gut wrenching and I knew I wanted to see her journey to safety and happiness. **Book Don't Make Me beautiful lyrics** If only she'd known then what she knows now she would have picked up the nearest weapon and beat John to death the minute she met him, **Book Don't Make Me beautiful lyrics** Instead she dated him moved in with him and then became his prisoner: **Don't Make Me Beautiful fantasy 5** The things she suffered at the hands of her boyfriend/abuser were sickening, **Don't Make Me Beautiful fantasy** There were no graphic descriptions but just the thought of any human being going through that made my stomach turn: **Book Don't Make Me beautiful by john** I think a huge part of what added to how chilling it was though was the fact that this was all happening in a normal house in the middle of a suburban neighbourhood, **Don't Make Me beautifulkjv** And nobody noticed!!
