HOWEVER this book could have honestly been cut in half. play time and the redundant thoughts needed to be OVER. Cassie is a guardian of four little ones. She definitely has her hands full. Wade is afraid to get involved due things from his past. This is a first in a series. I am looking forward reading more of the series. I was not required to write an positive review. This is my own opinion. I received a complimentary copy of this story. No review was required. I had to skim to be able to finish it. Nice characters not much drama. I liked how Wade thought he was too old for her. The playfulness between them was fun. Everyone knows that kids are always getting in trouble. I loved the storyline and the amazing characters
