

The Devil You Know (The Devil DeVere #3) By Victoria Vane

VISCOUNT LUDOVIC DEVERE FINALLY GETS HIS OWN STORY It was so obvious in The Virgin Huntress that DeVere and Diana shared a previous history together and I couldn't wait to find out exactly what had transpired between them to cause such tension. There were so many things I loved about this novella:- Setting It is so refreshing to have a story set in the Georgian era and Ms Vane really brought the period to life for me with her remarkable attention to historical detail. What can I say about the love scenes? HOLY SMOKE! HOT! HOT! HOT! Pass the smelling salts!!! Secondary Characters I'm not sure who I hated the most Diana's detestable husband.

But he would lead her now. The Devil You Know (The Devil DeVere #3) The Devil DeVere Series- Library Journal Best E-Book Romance 2012 When Dealing with the Devil.

THE WAITING IS OVER! THE DELICIOUSLY WICKED DECIDEDLY DEVIOUS DEVIL-IN-DIGUISE it is a compelling and darkly erotic tale of secrets jealousy blackmail mystery intrigue passion and desire. "VERDICT: A DEFINITE KEEPERRATING: □□□□□ The Devil You Know is the third novella in Victoria Vane's sumptuous The Devil DeVere series and the first of a two part story about Viscount Ludovic De Vere. My thanks to the Victoria Vane for kindly providing me with a copy of this ARC in exchange for an honest review How I imagine the 'Devil' De Vere Hugh Jackman How I imagine Diana Julianne Moore The Devil You Know (The Devil De Vere #3) Story Rating 5 Stars Character Rating 5 Stars Romance Rating 4 Stars Heat Level 4 Stars Overall Rating 4. I ask you what are you waiting for? If you have not read this series head right on over to Amazon now and get clicking :-) I'm glad that August 24 is just a few day's away and then I'll be able to continue on reading book 4 The Devil's Match. Victoria Vane has given us a witty novel set in Georgian England and she does an excellent job of transcribing an era that was elegant and more extravagant; a time when maneuverings and manipulations of romantic liaisons were deemed necessary in order to alleviate the boredom of the idle rich. What can I say about the Viscount Ludovic AKA 'The Devil De Vere'? I shouldn't like him or adore him let alone fall for his wit and charm any more than the proper Lady

Diana Palmerston-Wriothlesley. I even forgave him when he jumped to a conclusion about the heroine - whom I also liked - near the end of the book and I don't think I would do that with any other. I recommend you have the next one ready to listen to - or read - as this is a story in two parts! The rest of the series is coming out on audio soon not all by the same reader. God how he loved this dance! She had taken the first tentative steps yet she still fought her desire refused to give in to it it's Easy to Get Burned... Who can find a virtuous woman... Beautiful respectable and dutiful Lady Diana Palmerston-Wriothlesley has long resigned herself to her twelve-year loveless and childless marriage to a feckless husband...until his gambling pushes them to the brink of financial ruin. Sometimes the devil is disguised as a gentleman... Viscount Ludovic "The Devil" De Vere is accustomed to taking what he wants heedless of the cost until he encounters a woman who won't be had at any price. It is third in the series can be read first ** THE DEVIL DEVERE SERIES:A Wild Night's Bride #1The Virgin Huntress#2The Devil You Know #3The Devil's Match #4A Devil's Touch #4. 5Jewel Of the East #5 PREQUEL VIGNETTES:Devil in the Making #1The Trouble With Sin #2Ned's Folly#3 The Devil You Know (The Devil De Vere #3)Loved it! In THE DEVIL YOU KNOW (book 3 of The Devil De Vere series) the plot thickens the heat is turned way up and --oh boy-- do the games begin. What a great spicy historical romance series!! THE DEVIL YOU KNOW is also part 1 of a 2-part story featuring Viscount Ludovic aka 'The Devil De Vere' and Lady Diana Palmerson-Wriotesley. The Devil You Know is the third book in Victoria Vane's The Devil De Vere series and once again we're returned to Georgian England where the wealthy enjoy lives of power privilege and sexual indulgence. I thoroughly enjoyed the first two books in the series A Wild Night's Bride and The Virgin Huntress but oh how I loved this story!!! In The Devil You Know we go back in time and get a front row seat as Viscount Ludovic "The Devil" De Vere is first introduced to the very respectable very married Baroness Diana Palmerston-Wriothlesley. well she has become a heroine I'm wholeheartedly cheering for! I love their sexual tension their heated banter and all the other ways they heat up the pages too and I'm soooo looking forward to the next book The Devil's Match!My thanks to Breathless Press for providing me with a copy of this book for review. When you add the combustible chemistry and the smoldering passionate love scenes it makes for a near perfect read!This is the third installment in Victoria Vane's breathtaking series The Devil De Vere. Getting to know Ludovic and Diana better has endeared them more and has me tied up in knots wanting to ensure they get a HEA!For the first time I glimpsed a part of Ludovic not seen before and it was thrilling! He's a complex character and finally has met a woman who does so much more than stir his desire. " The deception and threats that are involved left me angry frustrated and anxious to get to the next installment The Devil's Match! While this is a novella it is filled with everything needed for a fantastic read! The author has written these novellas explicitly to be read in order. But be forewarned once started you will not want to stop until all have been devoured! The Devil You Know (The Devil De Vere #3) Review posted at: Swept Away By Romance5 Devilishly Delightful Stars!! Victoria Vane does it again; she's three books strong into this series and I can't get enough! In the first two books in the series Ludovic De Vere had a hand in orchestrating the pairing of the couples that were featured. He's charming shrewd debauched and quite honorable when need be although the thought of that makes him cringe! He's also shamelessly amusing and more than once his thoughts and words had me laughing out loud. "Always looking out for everyone's well-being *snicker*! Ludovic is reminiscent of one of my favorite characters Matthew Wallingford of Sinful yet he is UNIQUELY De Vere!Victoria Vane's writing is like the finest of chocolates. Just delicious!! The Devil You Know is beautifully written and depicts the Georgian time period both in setting and superbly crafted words which is fast becoming the author's trademark. I can hardly wait!! **I was given a copy of this book by the author for a fair and honest review** The Devil You Know (The Devil De Vere #3)

ABOUT VICTORIA VANE Victoria Vane is a bestselling award winning author of smart and sexy romance. Her books have received many accolades to include the 2016 Red Carpet Award for Jewel of the East December 2011 Ellora's Cave • Night Owl Reviews "Top Pick" • Reading Romances 5 flames and "Pen Award" • TBR Pile 5stars/Book of the month winner September 2012 • LASR Erotic Reviews 5 STAR/Book of the Month Nominee • The Romance Studio 5 Sweetheart Nominee • TRS CAPA Nominee 2012 {site_link}.

. As soon as I started reading *The Devil You Know* I found myself totally engrossed and just couldn't put it down until I got to the last page. How original as well to have Epsom and horse-racing as the setting against which the story plays out: I applaud Ms Vane for avoiding those crowded ballrooms and teeming parks of London. StorySPOILER FREE Set four years before *A Wild Night's Bride*.

We get to know a little more about the man. He's shrewd with his own code of honour and doesn't suffer fools gladly, Most surprising is his willingness to protect Diana and secure her future: It's obvious she means more to him than he cares to admit and so I hated him for what he said to her and made her believe at the end of the story: Baroness Diana Palmerston-Wriothesley I felt I could really relate to Diana, Her marriage is a mockery and she feels unfulfilled and undesirable. So it's no wonder she's susceptible to De Vere's dangerous charm, She sees no harm in a little flirtation but she certainly doesn't intend to be another notch on his bedpost, But it doesn't stop her wondering what it would be like to have such a man as a lover and having the most erotic dreams about him: It is only when events take an unexpected turn and Diana desperately needs affirmation that she is a desirable woman that she falls into De Vere's arms, I really felt her anger and pain when he walks away and can't wait for him to get his devil's horns well and truly clipped by Diana in *The Devil's Match*. Those 'X' Rated Moments Ms Vane certainly knows how to maintain sizzling sexual tension between De Vere and Diana. *The Devil You Know* (*The Devil De Vere* #3) Diana and Ludovic, Story ends on a cliffhanger and one has to buy the the next book to get more of the story: In a novella especially it is not fun to read about the hero having sex with his mistress while he is pretending she is the heroine. Note to self: DO NOT BUY and more books/novellas from this author. Writing Ms Vane has a style that makes everything she writes immensely readable, Her dialogue is sharp and witty and she has a wonderful descriptive flair : Viscount Ludovic De Vere We've come to see De Vere as an arrogant ruthless unpredictable manipulative rogue who has no qualms about exploiting people for his own purposes: Finally Reggie or De Vere's jealous vindictive mistress Caroline Duchess of Beauclerc: It was quite sad seeing Sir Edward Chambers and his pregnant wife Annalee so happy together knowing what was going to happen. I'll finish with one of my favourite quotes: "You think Diana would come to your bed?" Ned threw his head back and laughed, "You're mad! First of all she would never break her marriage vows. Secondly she's certainly deduced by now what a whoremonger you are: The second part and final novella in the series *The Devil's Match* will be published on 24 August, 5 Star *The Devil You Know* takes you back 4 years in time and explains a lot of unanswered questions that I had during the *Virgin Huntress* book 2. We got much MORE of Lord Ludovic De Vere and let me tell you he is one SEXY character: Gosh I have a headache and cannot write a decent review right now for the life of me, All's I can say is if you LOVE your historical romances very wicked and with scorching love scenes along with a hero you wish you had in your bed: Add in a fantastic story line and that's exactly what I got in every book in this series so far: The

Devil You Know (The Devil DeVere #3) Vauxhall Gardens - the Grand Walk c. 1751 by Canaletto (Giovanni Antonio Canal) (This is a review of the audiobook,) Eva Hathaway is a new to me narrator and I must admit I had to get used to her reading. She certainly improved - or I adapted - as this delightful story moved along at a brisk pace, Her "S" letters have a strong "sssss" sound giving some of them a bit of a whistle but it isn't too bad.) It was something I didn't even notice by the middle of the book; I wouldn't be opposed to listening to her again: Hathaway did a nice job differentiating the characters; this was probably due more to her getting the characters' personality right in her mind: An audiobook is always more enjoyable when you can tell the narrator is enjoying the story as much as you are and understands the characters, It just flowed by so quickly yet the dialogues sounded very much of that era without having any Purple Prose. Quite a trick that considering it was known for an emergence of Romantic poets: Vane has a distinctive narrative voice that is pitch-perfect for her settings; evocative atmospheric and fun: However despite his taunting arrogance and manipulations he doesn't resort to mendacity; you are assured deep in his core he is a nice person: I'm not big on adultery but Ludovic is a product of his times; still he manages to rise above the common libertine: I can't recommend this novel enough; it was wonderful! I look forward to listening to the rest of this series: I received this audiobook from the author in exchange for a fair and honest review. Currently out on audio: The Devil You Know (The Devil DeVere #3)

DISCLAIMER: I wrote this under my erotic pseudonym Victoria Vane THE SEDUCTION: She wanted him too. He could smell her budding arousal and would relish bringing her to full bloom: When Diana discovers a secret that shatters the carefully built façade concealing her private pain she seeks aid and comfort from the most unlikely place...the devil's arms, But will a single night of heavenly passion damn them both forever? **This is Part I of Diana and DeVere's story: (Book 4 THE DEVILS MATCH is the conclusion to their extremely HOT and passionate romance:) In this book we go back four years in time to learn how DeVere and Diana met and exactly what transpired between them. As we learn in books 1 & 2 DeVere and Diana have a history and are practically enemies but we don't know what led up to their estrangement from each other, There is some mystery around her dead husband and rumors that DeVere and Diana might have been lovers and this book reveals all. When I finished this book I immediately started reading the next book. What happens between DeVere and Diana in this book was so unexpected for me: The DeVere we met in book 1 & 2 appeared to be quite shallow of character devoid of morals and lacking respect for anyone but himself and a few friends: The DeVere we meet in THE DEVIL YOU KNOW made me see a completely different side to him, I finally understood why a woman of character like Lady Diana could find herself irresistibly drawn to him. THE DEVILS MATCH takes us back to 'present time' for the series and is where DeVere wins his Diana back: Sigh The Devil You Know (The Devil DeVere #3) Kindle Freebie for a limited time - through 11/16/14 <http://www>: DeVere however is not respectable and Diana's wedded status doesn't stop him from pressing his... 'interest'... when the opportunity arises. From his very first words in A Wild Night's Bride I've quite enjoyed Vic. His wit and devil-may-care attitude toward life made him rakish and charming and his title and wealth made him the bachelor to land: However I've had nothing more than luke warm feelings about Diana but after reading this book I can now say without hesitation that that has changed: Not only do I no longer merely "quite enjoy" Vic I adore him! And Diana, The Devil You Know (The Devil DeVere #3) Lady Diana Palmerston-Wriothesely is a beautiful and respectable lady. Her world comes apart when she discovers a sordid secret about her husband which will shatter her facade and drive her right in the arms of the devil himself DeVere: Diana Lord Ludovic DeVere is a charming and a sexy rogue that's use to getting what he wants on a whim: He's the devil in disguise and will stop at nothing to get his wicked ways with Diana: Ludovic DeVere The sexual tension between DeVere and Diana is off the charts and Victoria does a great job in feeding us just enough to make us salivate for more. He could smell her budding arousal and would relish bringing her to full bloom: God how he loved this dance! She had taken the first tentative steps yet she still fought her desire refused to give in to it but he would lead her now: 5 huge stars! ARC generously provided by Victoria Vane for an honest review. The Devil You Know (The Devil DeVere #3) One night in his bed and she was forever

changed, Vane has done in giving us the beginning of Ludovic and Diana's story. The surprising revelations along with Diana's discoveries held me completely captive: While I loved the first two books I have been anxiously waiting to get here. This time he's in the spotlight the story takes us back in time and we learn what led him to lead to his wicked ways, At this point his best friend Ned is blissfully married to Annalee and they are expecting their second child, Her cousin Diana Palmerston-Wriothsesley accompanies them on a visit to De Vere's estate. Little does Diana know that her host will light a fire within her that will burn long after she leaves Woodcote Park, I was surprised by some of the turn of events particularly those relating to Diana's husband Reggie, One would have believed that the circumstances were different as was implicated in the previous book but now we know what brought about his untimely demise, "Should you later grow chilly dear lady you need only whisper the word and I shall command every hearth in this monstrosity be lit: I would rather set my entire house aflame than cover such a magnificent..." His gaze raked over Diana's bosom with an appreciative gleam: It melts in your mouth it consumes you as you enjoy its sinful decadence and long after it's gone it stays with you. The intimacy that ensues between De Vere and Diana left me breathless; it's naughty sexy and passionate, The book is also filled with witty dialogue and although this is a novella it's a substantial story: The ending leads us and teases us right into the next book. It far exceeded my expectations. He was a master and a ruthless bastard. Meh. A story needs more depth to pull that off. Victoria also writes romantic historical fiction as Emery Lee. Look for her new Highland saga coming summer of 2017. Contact info: Email: victoria.vane@hotmail.com Website: {site_link} www.victoriavane.com Blog: {site_link} www.embracingromance. Victoria also writes romantic historical fiction as Emery Lee. Look for her new Highland saga coming summer of 2017. Contact info: Email: victoria.vane@hotmail.com Website: {site_link} www.victoriavane.com Blog: {site_link} www.embracingromance. De Vere's younger brother Hew also makes an appearance. She wouldn't touch you with gloves my friend. Nevertheless once I did I quite enjoyed her. (Better than a hiss certainly. Ms. I really got caught up in the story. Ms. He is both vivid and true to life. P.S. He could see it in the rapid rise of her breasts. She found heaven in the devil's arms. I couldn't put it down until I was through. Boy was I wrong. But this is only the beginning of their story. amazon.com/gp/product/B00E. This is where the fun and games begin. My favorite quote: She wanted him too. He could see it in the rapid rise of her breasts. He was a master...and a ruthless bastard." The writing is fabulous and deliciously sinful. This is a keeper and a winner. Just finished a re-read and it's still an awesome read. Ludovic and Diana have become one of my favorite couples. 2/20/2013 What an incredible job Ms. I wasn't expecting any of it. It appears Diana is not the only one "forever changed. It caught me off guard. De Vere is the "Rico Suave" of his time. "... gown
