. Lee's books. I have recommended her to everyone I know. I read over 300 books in 3 months and Ms. Lee's were by far my favorite. Another fun and crazy read with this fantastical family.:) English Well what can I say. Aunt Tillie is all it for me. She had so many soft moments in this one. This one had a little more promise. I actually was pretty captivated in the beginning. Overall it's not bad. But my few little moments of irritation. 1.) The bacon thing is getting old. 2.) Nonplussed. 3.) Landon is still a prick. Yet onto the next one because I just can't help myself. English Bay is living the good witch life. This book was really good. I look forward to more now. English Excellent then this is the author for you. I can't wait for the next Witches book. Good for you Amanda M. Lee for continually improving.
