If I did read it would I review it? This book is flat out and openly a Smutfest and everyone would know my secret. **Mechanicz** 175 5 Bearded Hot Mechanic + Bonus Sheriff Stars! I was not expecting to love this book so much after just enjoying the first one in the series! Mechanic has been such a great read for me LOL Let's see why shall we? ;) First this is the second installment in Alexa Riley's Breeding series and as you can imagine our heros and heroines are quite obsessed about breeding and having babies (which I still find a little bit weird LOL). **Mechanix wear** So this time in Mechanic Riley gives us the story of Paine (a super hot bearded mechanic who finds himself super attracted to an innocent rich girl) and Penelope (said innocent girl who happens to be the Mayor's daughter and a young woman who is being forced to marry someone she does not love). **Epub microsoft** If you want it hot and dirty this is it! And yeah that's practically it hahaha Just saying that if you're in the mood for smut Riley's writing will not disappoint you! Her couples have amazing and insta chemistry and the sex is off the charts!! "You're the only woman I've ever had in my house Duchess. **Epub microsoft** Another awesome dirty talking obsessed-with-breeding-and-fucking hero ;) I am not complaining right? Two always better than one! hahah I really loved this short bonus story too! "Josephine my sweet Josephine. **Ebook machine learning** I really enjoyed the two novellas and as I said if you want some smut Alexa Riley is a very good option for you! I am really enjoying her stories! And this one is now my favourite so I highly recommend! :) CHECK OUT MY BLOG HERE: 175 SHE'S LIVE!! Get your dirty little hands on her. **Kindle mechanics** Over the last year I pretty much downloaded anything I recognized from the Kindle Store that was cheap or free and now that poor little electronic device is bursting with romance and erotica. **Ebook manicure** This is a task I have put off for years but I've resorted to bribery: I'm not allowed to buy the next House of Rohan book until I've read at least ten books off my Kindle before the end of this week. **Mechanicus standard grey** He always wants me any time of day and I just gave up trying to block him (68%) Further cases in point: after fixing her car he takes her to his office shuts the door and closes the blinds. **Epub icon** He then lies to her telling her that they don't take credit cards and tells her that he's keeping her car overnight unless she can figure out some other way to pay him replete with lascivious glances at her bare thighs you know just in case that subtlety escaped her. **Mechanicville house of pizza** After that he decides to stalk her and then sabotages her car so that she'll have to get it towed to the nearest auto-shop - his - for repairs so she'll be forced to see him again. **Epub ice cream** However the whole initial interaction between the H and the h when he tells her he won't accept any other form of payment but a piece o' pussy in exchange for repairing her

car?. **Mechanix wear** They are insta-love and insta-sex times a million and I love every single minute of it! This one as freaking hot as it was her father forced her to come back and informed her that she is going to marry his lawyer. **Mechanics tools** He will be the only man to touch his Duchess whether she likes it or not! "To know I'm the first to touch her makes me want to shoot off a cannon and plant a stake beside her that reads "This land is claimed. **Mechanic tychy** Certain parts kept me on the edge of my seat and certain parts...well you know! Best of all there was a totally unexpected bonus chapter at the end with Joey and Law's story, And what a surprise at the ending with the bonus chapter! Paine owns a garage: **Mechanicore** He has devoted all of his recent years to making it a success. **Mechaniczna klawiatura** He knew she was way out of his league with her fancy car, **Mechanico corpuscular** She has actually spent very little time in her home town, **Fluid mechanics ebook** But right after graduation from college.

Mechanics bank

Everything was fine until that innocent little rich girl walked into my garage: **Mechanicville house of pizza** Since the second I laid my eyes on her all I've wanted to do is get my dirty hands on her pure body. **Mechanicmindset.com** There's one minor obstacle standing in my way but I've got a plan: **Mechanic kingsgrove** All I've got to do is claim her and she'll be mine forever. **Mechanicz** There's nothing but steamy scenes babies trying to be made and an obsessed bearded alpha hero claiming a virgin who will be his forever: **Mechanic kingsgrove** They are both married moms of two who love football donuts and obsessed book heroes: **Mechanicville price chopper** They specialize in insta love over the top sweet and cheesy love stories that don't take all year to read, **Mechanics bank** I'd heard the rumours about this smutty little treat and was curious to see if it lived up to the hype. **Mechanics bank** I like big smut and I can not lie you other smutters can't deny that when a book comes out with smutty smut taste and an Alpha with good face you get sprung: **Epub icar** Holy shamoly! The words and actions by the main characters were rude crude and socially unacceptable but you couldn't help but be turned on by them. **Epub ice cream** He had no hesitations and made it very clear to everyone that she was his. **Mechanicus standard grey** Every time the word bred breeding or breeder popped up I snorted, **Epub microsoft store** The dirty talk was extreme and the marking of her a bit gross. **Mechanics bank** There was an actual story and it kept my interest from the beginning to the end: **Mechanicville zip code** We are also given a bonus at the end with Joey and Law's story: **Mechanic republic mo** Their story is shorter but just as filled with dirty talking possessive sexy times as the main one: **Mechanicore** This was my first story by Alexa Riley I enjoyed it and it will definitely not be my last: **Mechanic public liability insurance** This is unlike anything I've ever felt before and I can't explain it, **Mechanic republic mo** Being in her presence is like being punched in the gut and jerked off at the same time, **Quantum mechanics book epub** Well Alexa warns us in the synopsis: This book is over-the-top insta-love. **Mechanic epub reader** There's nothing but steamy scenes babies trying to be made and an obsessed bearded alpha hero claiming a virgin who will be his forever. **Mechanic books for beginners** And after tonight you're the only one who's ever going to be in it again. **Mechanic public liability insurance**] I'm gonna eat that sweet pussy before I take your cherry. **Mechanicus standard grey** "But after you cum and I get my cock in you I wanna fuck you hard. **Mechanical engineering cars** "As you can see the heros are quite good with the dirty talking ;) OH! What do I mean by heroS in plural? Well. **Epub icon** after Mechanic there is a bonus story about one couple that we see throughout the novel: Joey a: **Mechanical keyboard** a Josephine (one of Paine's worker's and a kickass but sweet innocent heroine) and Law (Penelope's brother and a smokin' Sheriff that happens to be super in love with her!): **Mechanicintellectual**] "I'll cuff you and take you to the station until you agree: **Mechanic tychy** "Or just wait for everyone to leave the station and eat your pussy until you agree: **Mechanicville price chopper** Nothing else in this whole world matters if I don't have you. **Mechanic books** "Therefore my rating for Mechanic (and its bonus short) is 5 STARS:

Mechanicore gundam 175 I liked a book by Alexa Riley that I've read a while ago but I admit I bought this one mainly because of Franggy on the cover: **Mechanic kendall** There's a warning at the beginning: This book is over-the-top insta-love: **Epub microsoft** There's nothing but steamy scenes babies trying to be made and an obsessed bearded alpha hero claiming a virgin who will be his forever, **Mechanics bank** And that's exactly what you get so if you look for something deeper it's not here. **Epub icebreaker** But if you like it dirty insta OTT and overly descriptive (OMG all those body fluids) you will enjoy it. **Mechaniczna klawiatura** A girl needs some simple dirty smut from time to time and this one did the trick I enjoyed it thoroughly, **Mechanicmindset.com** 175 Instagram || Twitter || Facebook || Amazon || Pinterest I'm slowly trying to clean out my Kindle, **Quantum mechanics book epub** I've knocked out two other books today already! **MECHANIC** by Alexa Riley is the third Kindle book I've read today (minus the bonus short story at the end for reasons to follow): **Mechanic book time** I have friends who swear by Alexa Riley and eagerly await her (or I guess I should say 'their' since this is a two-author collab pen name) next works, **Mechanix wear gloves** I didn't realize that when I downloaded this book it would be a breeding erotica - and yes it's exactly what it sounds like: **Mechanic kendall** Penelope is the rich mayor's daughter and has to come into the auto shop to get her car fixed, **Mechanic books for beginners** Paine the mechanic is on duty and feels an instant attraction to/possession of her and decides that she must be his at all costs: **Mechaniczny wikamp** This is a formula typical of most alpha romances but breeding erotica apparently necessitates that the 'hero' must act like a total psychotic creep. **Epub microsoft store** She's a rich duchess coming into a place like this and asking for it (9%) I'm not sure if I could pull away if she told me she's underage, **Epub icar** (10%) She's the type of woman who needs a firm hand (28%): **Epub icebreaker** But to know I'm the first to touch her makes me want to shoot off a cannon and plant a stake beside her that reads 'This land is claimed: **Mechanicville zip code** ' (30%) I stopped wearing underwear years ago getting tired of having them in the way, **Mechanicnet my shop login** I elected not to read the bonus story because it involves Penelope's brother Law a cop courting (i: **Mechanicore gundam** Back to **MECHANIC** the sex in this book was also crude and gross, **Mechanics tools** I suppose I can see why others might find it fascinating or even hot but I didn't like it: **Mechanic republic mo** Especially towards the end where all encounters start ending in lines like I'm going to breed you so hard, **Mechanics bank** After they have sex for the first time he actually asks her how many children she wants. **Mechaniczna klawiatura** I respect my friends' tastes and I'm glad that they are a fan of these author(s) who from interviews do seem like quite nice people but I could not jump aboard this train. **Epub ice cream** Instead I was left in the filthy filthy dust as it gleefully sped away while screaming obscenities about breeding: **Mechanics bank** 1 star 175 I liked this one but not as much as the first one. **Epub ice cream** At times I found myself bored and for a quick read it took me all day to finish, **Mechanics I** kept getting up walking away from it and finding other things to do like the dishes. **Mechanic kinston nc** I liked Paine and Penelope's story more than Law and Joey's but neither wowed me: **Mechanic republic mo** 175 Warning: This book is over-the-top insta-love breeding, **Epub icon** There's nothing but steamy scenes babies trying to be made and an obsessed bearded alpha hero claiming a virgin who will be his forever, **Mechanic republic mo** If you want it hot and dirty this is it! It did what it said on the tin, **Epub icar** Bit repetitive at times but worth the buck I paid for it: **Epub icebreaker** 175 So going into this book I new there was going to be a lot hot dirty sex: **Mechaniczny wikamp** I rub my chin on her clit letting my beard soak up her juice, **Mechanics bank** You can't get your car back until you cum on my face, **Mechanix wear gloves** And if you're one of those gals with breeding fetishes this novella is just the thing for you! Tell me you want my cum Duchess. **Mechanics bank** Tell me you want it deep inside you coating your unprotected womb. **Mechanicus standard grey** I kiss her roughly then break away to suck on her tit. **Kindle mechanics** She moans when I bite down on one then lick it better: **Ebook machine learning** I can't wait to breed her and have them dripping with milk, **Mechanicool az** 75 Smut Scale Stars As I've said before Alexa Riley is my go-to smut author: **Epub microsoft** finesse all parties are still left satisfied amiright? So there's that. **Ebook manicure** Anysmut this book once again deals with the

whole breeding thing which is apparently a thing but I don't care, **Mechanic's lien** Sure it's kinda creepy when brought into the Dirty Talk repertoire but whatevs I dig it, **Mechanics bank** But with that said this was not my favorite Alexa Riley. **Mechanicz** the ick factor did rear it's ugly head there for a hot second, **Kindle mechanicsville** That among a few other things just left me unable to connect with this one they way I have with a lot of her other ones, **Quantum mechanics book epub** But like I've said before we don't read Alexa Riley for War and Peace style shenanigans: **Mechanics bank** Regardless this was a hot and short read and I enjoyed it well enough. **Mechanic books for beginners** 175 Mechanic is book two in the Breeding series by Alexa Riley, **Mechanic public liability insurance** What is it about AR's books? I just can't stop reading them, **Epub icar** Her father is holding something very near to Penelope's heart to make sure she does exactly what he says: **Mechanic republic mo** " She's an undiscovered country and I wanna be the king of it, **Epub microsoft store** It was actually pretty intense regarding her evil father and all: **Mechanicville house of pizza** I suspect I could start at the top of AR's book list and just go down the row and would love every single one of them[1]

Had a fantastic story equipped with evil Dad. He has not had time nor had any interest in women. Until the day that Penelope walked in to his shop. He didn't even know her name. She radiated rich girl. But he can't fight the attraction. Warning: This book is over-the-top insta-love.Yep I'm a smut lover. Paine from the get-go knows he wants his Duchess forever. It was ownership and complete devotion. It was actually really sweet.It was also kind of funny. But you take the good with the bad. What's one person's gross is another person's nirvana. There's something passing between us and it's intense. It's overwhelming and amazing. The only woman who's ever been in my bed. [. I want you nice and relaxed when I get inside you. I want you to remember this first time forever.k. "Go out with me" he says [. " He leans in to whisper into my ear."Yep. Think of all the ways I've worshiped your body. Made love to you every night. You're it for me. If you want it hot and dirty this is it! .Nobody who looks like her who's dressed like that is shy. It might just be worth the prison time.e. sexually harassing) one of the female mechanics Joey. Same story different folks. I'm sorry that's when you start running. I couldn't even catch it. So yeah. Oh well on to the last book. Quick hot read. And Miss Riley did not disappoint Do it Duchess. Show me what a dirty girl you can be. That's your payment baby. Now wipe the pussy on my tongue and earn it. I got you she whispers and I take her mouth. 175 2. Like the book equivalent of a morning quickie.Hard fast and dirty - while sometimes lacking. Right Self? You're welcome. Sorry Self. Don't get me wrong I enjoyed it well enough.left me feeling a little skeeved out. Not to THIS level of skeeved out or anything but still.Paine though has other ideas. He has claimed his Duchess as his own. There will be no wedding no fiance."I loved every single page of this book. It ran simultaneous to Paine and Penelope's story. Simply amazing. It filled in lots of holes. They never fail to brighten my mood. 175.
