

Coffin Road By Peter May **EPub Coffin roadie** Set on the Isle of Harris in the Outer Hebrides this story follows several threads to their ends in alternating chapters building a mystery that could be taken from the front pages of a national newspaper. **Coffin brook road alton nh** He was barely alive - his life jacket had definitely saved his life; but as he thought more about the circumstances (of which he could remember nothing) he also realised with horror that he didn't know WHO he was either. **Coffin Road ebook reader** In pain shivering terribly he staggered up the beach not knowing where to go; when he was hailed by a woman who called him by name then escorted to a cottage he assumed must be his the moniker of Neal Maclean became his. **Coffin Road epub.pub** And when he discovered an electricity bill addressed to Neal Maclean of Luskenytre he knew who he was and where he lived...The only thing of interest Neal could find in the cottage was a map on which someone had highlighted Coffin Road. **Coffin road industry me 04938** But could a seventeen year old girl discover the truth? Or would Karen be in for further heartache?When Detective George Gunn was summonsed to cross the Atlantic to the Flannan Isles where a long standing mystery was still unsolved his sense of unease was great. **Book Coffin road runner** What would be the outcome? Was something terrible going to happen?Coffin Road by Peter May is another brilliant thriller by this author! Gripping and intense with a fast paced and definitely intriguing plot I was fascinated by the storyline. **Coffin Road kindle paperwhite** He'd admitted that he didn't often read fiction but that during a period of recovery form an operation he'd been gifted the first in a mini-series of three and had subsequently devoured the whole set. **Coffin roadjob** Could this be the fabled work that had so excited my friend the non-reader? It turned out that it was and a few weeks later I'd repeated the feat and all three books had been consumed. **241 coffin brook road alton nh** It wasn't so much the crimes or the clever plotting but more the atmosphere the setting - the islands of the Outer Hebrides - and the life story of the lead character that struck a chord. **Kindle Coffin roadrunner email** It's pretty well done though I couldn't help wondering why he remembered how to do certain things yet was he was unable to recall any details at all regarding his life to date. **Coffin roads scotland** He's bleeding a bit and stunned of course but he's addressed by name Neal and guided to his cottage where his dog greets him with the uproarious good nature that every Labrador owner will recognise. **Book Coffin road trip** He tries to fudge his way through a conversation about the book he is supposedly writing and a little later there's a surprising romantic interlude which is even more confusing but welcome and relaxing. **Coffin roadjet bus** Neal on his journey of self-discovery Karen on her search for answers about her father's suicide and the police who begin asking awkward questions of a man who doesn't know who he is. **Book Coffin roadside** Ringed by hills to the south the mountains of North Harris and the peaks of Taransay to the west beyond all that simmering turquoise he wondered if there could be any more beautiful spot on earth. **Coffin Road kindle** Neal sees bills in his name and various documents including a map which someone had marked the word Coffin Road which was on the table but Neal had no idea what it meant. **Coffin Road kindle cloud** How can I not know who I am? A temporary confusion surely? But the longer I stand here with the wind whistling around my ears shivering almost beyond control feeling the pain and the cold and the consternation I realise that the only sense that has not returned to me is my sense of self. **Book Coffin road runner** With the help of a few clues from people who seem to know him he finds where he lives but his house has no more clues to who he is than his own brain is providing. **Coffin road industry maine** It is like being too tired to walk any further under the blistering hot sun of the desert even though your nostrils are filled with the sweet scent of an oasis a few staggering steps away. **Coffin Road bookworm** Corporate greed and intrigue are at the heart of this novel and the only thing standing between the final destruction of the bees is a man with no memory of what he knows. **Coffin roadjet** This is not written with the depth of the Lewis trilogy but with an eye more for a diverting delightful read that will have your Scottish Morn tea cooling in the cup before you remember to take a sip.

The master of crime brings murder back to the Outer Hebrides, **Book Coffin road** A man is washed up on a deserted beach on the Hebridean Isle of Harris barely alive and borderline hypothermic. **Coffin Road booking** The only clue to his identity is a map tracing a track called the Coffin Road: **Coffin roadjet logistics** He does not know where it will lead him but filled with dread fear and uncertainty he knows he must follow it, **The coffin road book** A detective crosses rough Atlantic seas to a remote rock twenty miles west of the Outer Hebrides of Scotland, **The coffin road book** With a sense of foreboding he steps ashore where three lighthouse keepers disappeared more than a century before - a mystery that remains unsolved, **EBook Coffin roadie** But now there is a new mystery - a man found bludgeoned to death on that same rock and DS George Gunn must find out who did it and why, **241 coffin brook road alton nh** A teenage girl lies in her Edinburgh bedroom desperate to discover the truth about her father's death. **Coffin road epping nh** Two years after the discovery of the pioneering scientist's suicide note Karen Fleming still cannot accept that he would willfully abandon her, **Book Coffin road trip** And the more she discovers about the nature of his research the more she suspects that others were behind his disappearance, **EPub Coffin roadside** Coffin Road follows three perilous journeys towards one shocking truth - and the realisation that ignorance can kill us. **PDF Coffin road trip** Coffin Road This is probably the best book I have read so far this year and really I shouldn't be surprised as I have never been disappointed by Peter May's story telling. **Coffin roadjack** I find him an excellent writer who is very descriptive and paints a picture for the reader without boring them: **Coffin roadjet logistics** A man is washed up on a deserted beach on the Hebridean Isle of Harris with no memory of how he got there or who he is: **Coffin roadguard** The only clue to his identity is a map tracing a track called the Coffin Road: **Coffin Road bookkeeping** His neighbours know him as Neal Maclean a writer who is working on a book: **Coffin roadjet logistics** He soon realises that this is a cover but for what? He tries to uncover the truth but the more he learns the harder it is to comprehend: **Coffin roadjack 10** Peter May writes excellent books that paint great pictures of the location and the characters. **Coffin brook road alton nh** I find them informative with just the right amount of descriptive text and so well paced, **Coffin Road book** This is a page turner that is well thought out and great entertainment: **241 coffin brook road alton nh** Full of suspense and plenty of surprises that make this book an excellent read. **The house on coffin brook road 303** A man washes up on a beach with no recall of who he is where he is but others know him: **Coffin roadjack 10** So begins Coffin Road another excellent offering from Peter May: **Book Coffin roadside** As in the other books I've read from May the descriptions of the natural world and the power of nature are wonderfully expressed and often beautiful, **Coffin Road epub.pub** On the second page of the book the beauty of the land and fragility of man are front and center: **PDF Coffin roadside** Behind me the sea retreats shallow a deep greenish- blue across yet more acres of sand toward the distant dark shapes of mountains that rise into a bruised and brooding sky: **Coffin roadjack** A sky broken by splinters of sunlight that dazzle on the ocean and dapple the hills. **Coffin roadjet bus** And for the first time since consciousness has returned I am aware with a sudden sharp and painful stab of trepidation that I have not the least notion of who I am, **Coffin roadjob 2**)After this scene---oh yes this is merely a very brief set-up for all that will follow, **Book Coffin roadrunner email** For those who have already discovered Peter May add this to your reading list ASAP. **Coffin Road bookworm** Also read the The Lewis Trilogy: The Blackhouse The Lewis Man The Chessmen (which also exists as individual books but should be read in order, **Book Coffin roadrunner email 303** One thing I can always count on when I open a Peter May book is a really good read and Coffin Road was no exception, **241 coffin brook road alton nh** It is set in the wild bleak Hebrides a place where it seems almost anything unusual could happen - and it did, **Coffin roadjob** The story was involved but always intriguing I enjoyed the characters very much and there was a bit of a twist at the end which I was not expecting, **The coffin road book** One star lost though for bombarding me with 'scientific' information: **Coffin brook road alton nh** If I wanted to know that much detail about bees I would

read a science journal and be sure I was reading facts. **Coffin Road ebook3000** 5□sWhen the man staggered out of the waves on a deserted beach he had no idea where he was: **Coffin brook road alton nh** He assumed that someone was him but he had no idea what Coffin Road meant to him; he was sure he needed to find out though: **Coffin Road ebooks free** As Neal struggled with his lack of memory the frustration that absolutely nothing would come to him was wearing him down: **Coffin Road ebook reader** Karen Fleming was still struggling with the death of her father two years previously, **EBook Coffin roadside** Grief stricken she had turned from the plain young fifteen year old she was when he died to a rebellious tattoo covered and bitter teenager: **Kindle Coffin road trip** Karen hated her mother and the new man who was now living in her father's house - and she was determined to find out what had really happened to her beloved dad: **Coffin roadjack 10** The ensuing discovery of a man's body with no identification meant Gunn had to find his killer as well as a motive - and he wasn't sure he was up to the task. **PDF Coffin road runner** Three people on different paths in their lives - the danger and peril which was bearing down on them all unbeknown to each other would become catastrophic: **The coffin road book** I loved the previous standalone Runaway and when I saw this one was coming out knew I had to read it: **Coffin road industry me 04938** With thanks to NetGalley and Hachette Australia for my copy to read and review, **Coffin road paulding ohio** 5 stars I could read Peter May just to enjoy his descriptions of the various islands in Scotland. **Coffin roadjack** I can feel the wind whipping around my face and see the beauty of the countryside. **EBook Coffin roadhouse** I feel like I am actually with the characters as they live their lives on the unique stunning islands they call home, **Book Coffin road** A man washes on a beach with no idea how he got there. **Coffin Road bookworm** He stumbles his way home and has no idea of his name until a neighbor calls out to him: **Coffin Road bookkeeping** He tries to remember who he is but the life he stumbles into is almost blank, **Kindle Coffin roadrunner email** As he stumbles around looking for his identity he discovers some bee hives he has been tending. **Coffin brook road alton nh** I have a particular fondness for bees as my oldest son kept them as a 4H project, **Coffin roads scotland** While he did admirably with them out at the hives he always seem to disappear when the messy back breaking work of harvesting came about, **Coffin Road epubor** The problems of the disappearance of honey bees is a real crisis and should be dealt with immediately. **Coffin roadjet bus** People seem to have no idea how much our food production depends on them and their continuing survival: **Book Coffin road trip** I really like this problem is a central point in this mystery. **The coffin road book** Her lack of awareness of how dangerous her actions were was just plain dumb: **EPub Coffin road** She was like a two year old stamping her feet and insisting she wanted it now and didn't care about the trouble it caused: **Coffin road by peter may** There were a few minor strands that didn't make sense to me either but they were minor: **Coffin roads book** Still if you're looking for an exciting mystery that actually deals with real life problems this would be the book for you. **Coffin road industry maine** As an added bonus you get a lovely travel story on the Isle of Harris in Scotland: **Coffin roadjet logistics** 303 Coffin Road is probably not the best review to write on Thanksgiving Day but I am really behind on picking up the pen these last few months, **Coffin roadjet** Especially those where the setting takes place on the outer Hebrides of Scotland, **Coffin Road booker** Coffin Road is on the Isle of Harris where a man washes up on the shore at death's door only to find out he has lost his memory, **Coffin Road ebook3000** Years ago 3 lighthouse keepers mysteriously disappeared and now a man has been found murdered at the same lighthouse rock. **Coffin roadguard interlock** One of the great pleasures of reading May's books when he brings us back to the Hebrides is the promise of a dark foreboding and menacing plot and setting: **Coffin Road ebook** The plot is fascinating and quite timely for environmental issues the world has seen of late. **Coffin road industry me 04938** I absolutely loved this book and highly recommend to all those who thrive when reading the dark side of mysteries, **Coffin roadjob** I wish all of my Goodreads' friends a wonderful Holiday whether you are celebrating the Thanksgiving Day in the US or not, **Coffin roads scotland** 5 out of 5 stars 303 Late one night after a few drinks a friend told me about some books he'd read: **Coffin roadjet logistics** It got my attention and I asked him the name of the author: **Coffin roadjack 10** By the

next morning I'd not only forgotten the writers name but the whole conversation was lost to me too, **Coffin road industry me 04938** However some months later whilst browsing my local bookstore I came across a crime fiction novel and the description rang a distant bell: **Coffin roadjack 10** The books comprise the Lewis Trilogy written by Scottish wordsmith Peter May, **EPub Coffin roadside** Unlike my friend I listened to the books on audio read by the excellent Peter Forbes. **241 coffin brook road alton nh** So I was more than excited when I was able to grab a copy of this stand-alone book which is also set on these wild and beautiful islands. **Coffin road peter may** As before Forbes is at the microphone and I was soon lost once again in the landscape and mysteries of this place. **241 coffin brook road alton nh** For the most part the characters are new though the island copper does make a return appearance. **EPub Coffin roadrunner email** This time the story focuses on a man who stumbles from the sea one wild and windy night, **Coffin Road book** Moreover he can't remember what happened to him or even who he is; he's lost all memory of his history and his identity: **EPub Coffin roadie** As the story develops we get to experience his reactions to his circumstances real-time and through his eyes, **PDF Coffin road** Is loss of memory this selective? Maybe but I found it a bit distracting: **Coffin Road pdf24** I wont go into details of the plot as this would be a real spoiler but I will say it's clever science based mystery. **Coffin roadjet bus** The story is well told and the tension is maintained at fever pitch pretty much throughout, **Book Coffin road trip** The ending is satisfying and the science interesting enough to have me undertake some research to check its authenticity. **Book Coffin roadside** It turns out that the issues covered here are real - pretty scary stuff: **Coffin roadguider** I can't say that the experience quite matched up to the Lewis Trilogy - in truth I never expected it would - but it was a good tale well told. **Book Coffin road trip** If you are a fan of May's work you'll certainly enjoy this return journey to Lewis, **The coffin road book** If this author is new to you then I'd probably suggest you start with The Blackhouse and work your way through, **Coffin roadjob 5** "The rain is as relentless as the wind and it feels as if it is flaying the skin from our faces, **PDF Coffin road** Wet and cold! This part of the world is known for some challenging weather so it's no surprise that it's a feature here. **Coffin Road pdf merger** A man washes up on a beach in the Isle of Harris in the Outer Hebrides and has no idea who he is: **241 coffin brook road alton nh** He's got a life jacket on so he assumes he's gone overboard somehow somewhere, **Coffin road industry me 04938** Neal sleeps a long time and is awakened by a visit from the couple from next door, **Kindle Coffin road runner** He finds a map with a route along Coffin Road marked so he figures he might as well go to the end of the mark and see what's there: **Book Coffin road trip** He sleeps the sleep of the dead as he puts it and then : **Coffin Road pdfescape** well I don't know about you but I'd have gone back to bed: **Book Coffin road runner** A driving rain blown in on the leading edge of a strong south-westerly. **Coffin roadjack** "The story switches back and forth between this man and Karen an angry frustrated teenaged girl who lives with her mother and would-be step-father, **Coffin roadjet** "She had gone from being Daddy's little girl to Mother's nightmare in twenty-four short months. **The coffin road book** She's also extremely bright and is determined to find out why her father committed suicide, **Coffin road ullapool** She knew he worked in neuroscience but doesn't know what went wrong in his life or why he'd be pushed to such despair. **241 coffin brook road alton nh** This is a part of the world with lighthouses that tourists love to visit, **Kindle Coffin roadrunner email** They have discovered a dead body out by one of these lighthouses so we now have the police involved, **Coffin road peter may** To top it off Neal has discovered he's a regular visitor to these places and wonders if he could have been the killer, **Coffin Road book** His life is becoming dangerous and he has no idea whom to trust, **The house on coffin brook road** Karen finds herself in similar dicey situations in her quest for answers as well. **Kindle Coffin roadrunner email** I did feel a bit hit over the head with facts and while the drama was believable I definitely felt a bit as if I were being given lessons: **Coffin Road epublising** There are better ways to introduce information to a reader than to have one character explaining things to another: **Book Coffin road trip** But in the interests of fairness I'll add a quote about the appeal of the place rather than the rainstorms I complained about earlier: **Book Coffin roadside** "The tide was out and the sands of Luskentyre glowed silver very nearly

filling Gunn's field of vision. **Book Coffin road runner** " 303 When a man washes up on a remote beach he has no recollection of how he got there or who he is, **Coffin roadjet** What he does know is that he is in quite a bit of pain and he can't stop shivering. **Coffin brook road alton nh** As he struggles to get himself up he begins to stagger along the sandy beach but he has no idea where he is or where to go, **Coffin roadjet** Then he hears a woman yelling out to him by name Neal Maclean she helps him to a nearby cottage which appears to be his but none of it looks familiar to him: **Book Coffin roadhouse** As the story unfolds so do the twists turns and intrigue, **Coffin roadjet** Peter May is a new author to me and I can't wait to read more of his books: **Kindle Coffin roadside** Coffin Road was a fast paced mystery/ thriller which had me hooked right from the beginning, **Coffin roadjob** And for the first time since consciousness has returned I am aware with a sudden sharp and painful stab of trepidation that I have not the least notion of who I am: **Coffin brook road alton nh** The cold the taste of salt the acid still burning all the way up from my stomach: **Coffin roadjack 10** As if I inhabit the body of a stranger in whose uncharted waters I have been washed up in blind ignorance. **Coffin road industry me 04938** "He finds himself washed up on a beach with no memories of who he is: **Coffin roadjack 10** He would gladly go back and punch his knowing self in the face for leaving him with so few threads to pull. **Book Coffin road runner** And who is this beautiful married woman who slides into his bed as if she belongs there? He knows he likes her just as he knows what scotch he likes to drink: **Coffin road industry me 04938** Even when he does learn a name it fits like borrowed clothes, **Book Coffin road** The more he discovers he starts to wonder if he really wants to know who he once was. **EBook Coffin roadie** "Nothing absolutely nothing since I found myself washed up semi-conscious on the Traigh Losgaintir has made sense. **Coffin roadguard interlock** My failure to find a single clue to my identity beyond my name even in my own home. **Book Coffin roadhouse** The book on the Flannan Isles mystery that I am not writing, **The house on coffin brook road** "Peter May returns to the setting of his famed Lewis trilogy with this fast paced thriller set in the beautiful desolation of the Hebrides in Scotland: **Kindle Coffin roadside** If you wish to see more of my most recent book and movie reviews visit <http://www.> He has no idea who he is or how he got there. Glimpses of sailor-suit blue seem startling and unreal. I have no idea where this is. (p. For those unfamiliar with this author do give him a try. This is a standalone book and well worth a try. Now I will have to try his other series books myself. That's just me though. Everything else about the book was really good. Four well deserved stars. 303 4. Highly recommended. 303 4. Still I read May for more than that. He can write some rip roaring mysteries. He is freezing cold disoriented and scared. He kept things secret before his accident. He instinctively knows how to care for them. I gave it 4.5 stars as I found the daughter Karen annoying. I love Peter May's books. Atmospheric to the ultimate. Best wishes to all. I was spellbound. Brilliant stuff. He's soaked through desperately cold and somewhat beaten up. You're unlikely to be disappointed. 303 3."That sums up how I felt through much of the book. His lady friend offers to drive him. "It is raining when I waken. I can see it slashing across the beach almost horizontally. The cloud is low nearly black at its most dense. A deliberate decision."Green hair piercings tattoos she's the whole package.Back to the islands.So there are three investigations going on now. Nothing is as it appears.On top of that there is an underlying environmental issue. He does write some nice descriptions. They never ceased to take his breath away. Highly recommended. 303 "I have no idea where this is. That breathless realisation banishes all else. He is very frustrated with himself whoever that might be. None of it is forgotten just locked away in his head. He is so close to discovering what he must know. My memory loss. My affair with Sally. Beehives on the coffin road. My missing boat. Now someone trying to kill me. And someone else stepping in to save me. The weight of it all is very nearly crushing.jeffreykeeten.comI also have a Facebook blogger page at:<https://www.facebook.com/JeffreyKeeten> and an Instagram account <https://www.instagram.com/jeffreykeeten/> 303
