I'd go so far

as to suggest this might be a good spot for another book featuring Mac and Charlotte. **Book The Ice bridges** So it's murder...but why...how...by whom? In the end it's Mac-and perhaps Hannah's ghost-who saves Charlotte and Bess's lives when the killer decides they're too close to the truth and tries to kill them too. **Ice bridge for cell tower** Griffith has strange grammar sense using who and whom correctly knowing how to manage the subjunctive—if I were but not knowing which pronouns to use in a compound object of a preposition. **Mystery Thrillers The Ice bridgeport** She comes on the island to mend her heart and be with her Aunt yet she gets more than she was looking for - murder mystery adventure and love as well as enough ghost stories to fill a book literally. **Book The Ice bridgeport** I discovered with joy that the story takes place on the Mackinac Island the same place where the action of Somewhere In Time (with Jane Seymour and Christopher Reeve) took place. **Kindle The Ice bridgestone** Kindle Edition This is a compelling story captivating the reader immediately with the accurate descriptions of Mackinac Island the soul-twisting healing period for Charlotte the sweetness and love of Aunt Bess despite her own heart-ache and Hannah's irresistible no-nonsense passion for life. **Book The Ice bridges** Her portrayal of the iconic island especially the winter is spot-on and she describes it so vividly that I swore I could hear the winds howling outside then the quiet soft non-sound of the snow falling. **Book The Ice bridgeport** As someone who has spent a huge portion of her life living in Northern Michigan and who has visited Mackinac Island countless time both during the season and during off-season I was pleasantly surprised to read the loving yet harshly-realistic descriptions of one of my favorite places on earth. **Horror The Ice bridge cast** I know I will read it again (and possibly again) slower the next time so that I can savor every nuance of these three women and Mac - the man who is lucky and sensitive enough to be an integral part of their lives. **The Ice Bridge kindle cloud** I was married to Russell for over forty three years; have a son two grandchildren and a great granddaughter. **The Ice Bridge booking** I have a quirky cat Sasha and we live happily in an old house in the heart of town: **Book The Ice bridgestone** 2012 EPIC EBOOK AWARDS \*Finalist\* for her horror novel The Last Vampire ~ 2014 EPIC EBOOK AWARDS \* Finalist \* for her thriller novel Dinosaur Lake: **Book The Ice bridge of st** \*All Kathryn Meyer Griffith's books can be found here: {site\_link} \*All her Audible. **Book The Ice bridge by john** Charlotte and Max acted more like teenagers than their true age, **Ice bridge telecom** Charlotte saw a girl kiss Mac on Christmas Eve and blew it up into some deep relationship in her mind: **Book The Ice bridgerton** Later she thought to say something to Mac about it but didn't, **Book The Ice bridgestone** Another disappointment was when Charlotte got a call at 3:00 AM about her aunt near death at the hospital, **Ice bridge for schools** She KNOWS there have been attempts on her life yet she doesn't even consider it's a setup? Everyone reading this book knew it was a setup. **The Ice Bridge epub reader** Kindle Edition If there's one thing I know about Kathryn's stories whether horror or suspense or thrillers it's that they're not predictable, **The Ice Bridge kindle unlimited** You think you know what's going to happen but then she throws you some sidewinder scenarios and it's anything goes from there: **Book The Ice bridget** She has now proven to me that she can write a great romance mystery also, **The Ice Bridge horror stories** Many of her books have these elements included in them but this is the first one of hers I've read that isn't a horror story too, **The Ice Bridge epub online** So genuine you'll feel like you've known them a long time. **The Ice Bridge book pdf** The main protagonist Charlotte just arrived on Mackinac Island running from a fiance who jilted her for her best friend almost at the altar and a job she couldn't stand. **Ice bridge telecom** Staying with her Aunt Bess who could sure use her company perhaps they'll both find a new sense of worth and love for life. **Mystery Thrillers The Ice bridgeport** Her chance encounter with a handsome police officer Mac stirs feelings she knows she shouldn't have, **The Ice Bridge publishing** And upon expressing her interest in writing a book Mac suggests that Charlotte write about the ghosts that are rumored to be roaming the island: **The Ice Bridge kindle reader** I always enjoy reading stories with writers in them and it was fun to read about some of the ghostly encounters as they're related to Charlotte, **Book The Ice bridget** I'd like to read that book!Charlotte is surprised how quickly she settles into her new life and she renews a loving friendship with her elderly neighbor Hannah. **Mystery Thrillers The Ice bridgeport** Hannah has

been her friend since she was a young lass and they enjoy that same trust and love again, **EPub The Ice bridgers** Could she have fallen victim to the Ice Bridge? The ice bridge is a way for islanders to cross the lake when winter settles in and cuts them off: **Book The Ice bridgestone** Once it's checked and deemed safe they use it ride their snowmobiles to land and replenish supplies. **The Ice Bridge horror stories** If something happened to Hannah they might never find her body, **Ice bridges festival** Charlotte won't rest until she finds out what happened to Hannah. **Mystery Thrillers The Ice bridgeport** Accident or murder she'll dig out the clues and find out the truth no matter the danger she may be in. **Book The Ice bridgerton** The author paints such a vivid description that I see it all anew even though it's been years since I was there. **The Ice Bridge epub file** I'd love to visit in the winter see the fabulous Grand Hotel encased in icicles snow covering the beautifully shaped shrubs and historical homes, **The Ice Bridge kindle direct** I wouldn't be brave enough to venture on the ice bridge though, **Book The Ice bridget fonda** It was such a wonderful surprise how much I loved this story. **Mystery Thrillers The Ice bridgeport** I love her horror and thriller stories with demons and witches and rampaging dinosaurs all out to kill you or eat you or both: **Book The Ice bridge by john** There's a murder but nothing even younger readers can't handle a sweet brush at new romance and some truly wonderful characters: **Book The Ice bridgeport** Kathryn's talented writing shines as the story flows smoothly and quickly to a fabulous ending, **Kindle The Ice bridgestone** Kindle Edition The Ice Bridge by Kathryn Meyer Griffith is a paranormal suspense thriller that captured me from the opening pages: **Horror The Ice bridge base** Kathryn's ability to spin a tale writing about realistic characters with a familiar location Mackinac Island makes this especially desirable for me, **Kindle The Ice bridget fonda** During the winter an Ice Bridge forms allowing the islanders and anyone else to more easily navigate to and fro. **The ice bridge lyrics** It made me think of the Ice Road Truckers who deliver goods to out of the way places that would not have the supplies without the Ice Road. **Ice bridge for schools** Mackinac Island has a tight knit community and they become even more so in the winter. **The Ice Bridge epub file** Charlotte has come back to Mackinac Island and her Aunt Bess bringing with her a broken heart. **Book The Ice bridget fonda** They are both hurting and so much alike living together may help heal the wounds, **The Ice Bridge epub.pub** I like some romance with my thrills so I am glad to meet him: **Mystery Thrillers The Ice bridgeport** They call her The Ghost Lady and she makes me think of Melinda on The Ghost Whisperer: **The Ice Bridge horror stories** I love that Kathryn Meyer Griffith mixes a mystery with the paranormal giving the story that something extra that I crave, **Ice bridge telecom** We definitely have a mystery but I am drawn into the characters worlds and their life struggles, **Kindle The Ice bridget fonda** I am very concerned for their welfare knowing Kathryn Meyer Griffith has a habit of killing off some of her characters: **The ice bridge from europe to north america** The writing details their misfortunes leaving me wanting good things for them not the bad that keeps coming: **Book The Ice bridgestone** There is more going on than broken hearts and murder and the suspense rises as the killer gets closer and will stop at nothing to get what he wants: **Ice bridge telecom** I know the writing is excellent when I already have the story figured out but I can't put the book down anyway: **Pdf ice breaker** I received a copy of The Ice Bridge from Kathryn Meyer Griffith in return for an honest review, **Book The Ice bridget fonda** To see more visit fundinmental Kindle Edition The Ice BridgeWritten by: Kathryn Meyer GriffithCharlotte has always loved the island. **The Ice Bridge bookworm** So she decides to move to Mackinaw Island to stay with her Aunt Bess after being jilted by her fiancé who runs off and marries her best friend: **Book The Ice bridge of st** During the ferry ride over from the main land she meets Mac whom she's instantly drawn too! much I'm now disappointed that I don't live on the island!! And that Charlotte Bess and Mac aren't my friends: **Book The Ice bridget fonda** The flow was off in some spots basic grammar errors and a bit more polish is needed in some of the dialog, **Book The Ice bridge nyc** Author delivered on all counts! This book was a gift from the author for a fair review: **The Ice Bridge epubublishing** Kindle Edition This story features on Mackinaw Island Fun thriller that takes place on Mackinaw Island Michigan. **The Ice Bridge book series** Snowmobiling and visiting during the winter would be fun but not on the ice bridge: **Book The Ice bridgeport** Charlotte returns to her Aunt Bess and Mackinac Island a quaint retreat that welcomes summer tourists and allows no cars to renew herself and write about the island's ghosts, **Book The Ice bridges** She's come to help Bess with her heartache an ended love with Shaun and to renew a friendship with neighbor Hannah: **Book The Ice bridges** In winter Mackinac closes down and everyone looks forward to the ice bridge that freezes across the Straits of Mackinac. **The Ice Bridge epub online** But Charlotte and her admirer cop friend Mac don't think so, **Ice bridge for schools** It breaks most of the rules for good writing: show don't tell; leave red herrings for the reader; don't be repetitious...oh there are more but enough of that: **Book The Ice bridge of st** The story is predictable and could have been suspenseful but was so annoyingly written and narrated that it wasn't. **Horror The Ice bridge base** Arnold sounded like she was reading rather than telling a story. **The Ice Bridge kindle reader** Her pronunciations were often awkward and her phrasing was choppy and really hard to listen to: **Book The Ice bridgeport** Why did I keep listening? Okay I wanted to know the end even though I already knew. **Mystery Thrillers The Ice bridgeport** It's hard to be so critical but I owe other readers an honest review: **Book The Ice bridges** There are so many really good books this 9 hours was not worthwhile. **The Ice Bridge horror stories** My last comment is that here is the flaw in self-publishing: **What is an ice bridge** A good editor would have cleaned this up found a better narrator and called for some important rewriting: **The Ice Bridge horror stories** Kindle Edition Excellent read with realistic people and setting. **Book The Ice bridge base** The location and it's peculiarities bring depth and intensity to a well written tale, **The Ice Bridge horror stories** Kindle Edition Such a good story! I live in a small quaint town in Illinois. I've been to Mackinac Island and loved it. Kathryn Meyer Griffith captured it in word perfectly. I felt I was there. As it went on it got a little repetitive. A little silly even childish. If she had it would have been cleared up. She runs out in a panic to get to her. Cheap writing like that ruined it for me. I couldn't relate to any of the characters. Having said all that most of the story was interesting. I don't regret taking the time to read it. You'll meet some really great characters. It's too soon. But that doesn't mean they can't be friends. This was such a great idea to add to the story. But then Hannah goes missing and Charlotte fears the worst. I've visited Mackinac Island several times. This has none of that. I ate this up and sure didn't want it to end. I received this book for my honest review. Hannah who goes missing has a special talent. I like characters who are flawed and damaged. I want to see them made whole again. I want to be there minus the murder. I liked this mystery/romance. Especially the setting Mackinaw Island. She did a great job in describing the area. Maybe another mystery they could solve? Overall. I very much enjoyed the time spent reading this book. It delivered intrigue mystery and a little romance. I even received a mini refresher course on Mackinaw Island.

Reminds me of Danielle Steel's love stories. I'd be afraid of the ice bridge too. I've visited the Island many times in the summer. Kindle Edition A Mackinac Island Ghostly Murder Mystery. She'll fall in love again...with a man and the island. Until Hannah disappears into the icy waters crossing it. Everyone says it's an accident. Something isn't right. Hannah was too smart to go off the path. The Ice Bridge

Could have been better. This was a painful listen for me. Sorry. No one did that. It could have been much better. Follow along in their lives and trials. Ashley's audio performance highlights and strengthens the characters. It's very PG so I listened with my preteen son. The book reads beautifully and the winter scenery are marvelous. The author must have spent time on Mackinac Island. What a beautiful story. Thank you Kathryn Meyer Griffith for sharing it with us. Kindle Edition.
