

Shielding Lily By Alexa Riley **Book Shielding lily collins** Alexa Riley 4 Sticky Sweet Smut Scale StarsSomething that I love about Alexa Riley is that you always know what you are going to get:- Overly possessive alpha male-Innocent - usually virgin - heroine-No cheating-Over the top sweetness- Over the top SMUTAnd I really love that whenever I am in the mood for any of those things I can always count on an AR book to deliver as promised. **Shielding lilywood** " Shielding Lily (stand-alone) opens up to high school senior Lily Parker's first day in a new school after having lost her mom and relocating with her alcoholic father for the up-tenth time. **Shielding lilyville surgery** " Their fateful meeting is undeniably electric setting in motion an inevitable romance from friendship to puppy-love and beyond sweetened by Ren's devotion determination protectiveness and unending love. **Shielding lilyocbeauty** It's low on angst with some twists and turns and a beyond purrrfect 5+ star ending! "She smiles at me or to improve or to become more refined as they start to write more and more books. **Shielding lilymoore farm** All they've ever promised is simple over the top alpha smut - they even put disclaimers on their books SAYING they are overly sweet and ridiculously sappy for fucks sake- so anyone dinging their stuff for not getting better or showing no improvement is crazy in my book. **Book Shielding lily-rose** That said this WAS super sticky sweet and things moved pretty fast - but like I said that's what I love about AR when I'm in the mood for it and that's why I continue to read it. **Book Shielding lily's** It was so much more than what I was expecting and a nice change of pace comparing to other AR's books because the characters are both eighteen-years-old high school students go to college and leave her home life behind. **Books like shielding lily** You're welcome! Shielding LilyIT'S LIVE!!! OMG!!!! Talk about knocking it out of the park!!! Yes just when I thought I couldn't love these authors more Alexa Riley managed to leave me speechless. **Shielding lilyxoxo** They completely knocked me out on three fronts! First and biggest everyone who knows me knows that YA is definitely not one of my fav genres and that I tend to stay away from me but this book and specially this hero blew my predefined ideas because it really made forget that I was reading this genre and for the very first time I'm adding a smutty YA to my ALL time favorite list!Secondly as you know I devour everything AR and couldn't be a bigger fan but Shielding Lilly and mainly Ren managed to push ahead of so many of my AR favs and make it to my TOP 3 (not leading because that is reserved to the amazing EFH our Christmas present)!!!And last but not least you know how I'm a sucker for virgin heroes so how could I resist this trope executed in the most perfect of ways and combined with another of my all time favorites each-others-one-and-only it was PERFECTION in writing!!! Really melting into a puddle from start to finish!And I can't finish without mentioning this but you know how KA is know for her amazing and fulfilling epilogues right? Well these ladies manage to live up to those and then some! I couldn't ADORE them more!!! Yes completely fan-girling right here and they most certainly deserve all the credit and SO much more!!! <3 <3 <3 <3 <3 ARC kindly provided by the author in exchange for an honest review Alexa Riley Solid 4 stars!All I can say is thank God for AR and her smut books that know how to bring me out of one of my worse book slumps ever! I haven't read anything in the last two weeks or so and I was seriously giving up hope to get into reading again because I tried unsuccessfully to read more than a page per day of a book that I've been reading now for more than a whole month and still haven't finished.
