

Outlaw Tales of Montana By Gary Wilson **Outlaw Tales of montanaqua** Outlaw Tales tells the stories of some of the most fascinating-and least known-badmen to roam Montana's Long Henry Thompson the terror of eastern Montana; Con Murphy the Jesse James of Montana; Dutch Henry Leuch (and the outlaws of Big Muddy Creek); and George Big Nose Parrott. **Outlaw Tales of montanaque** I checked the 3rd edition I had of this book and it was NEVER corrected so I'm wondering about the fact that his editor/proofreader/and other readers missed this and never brought it to anyone's attention? I get mistakes are made but someone should have caught this I would think:

Outlaw Tales of montanaquil

The mythic life of the western badman-rich with adventure freedom and cash-has always held a powerful attraction for Americans, **Outlaw motorcycle clubs montana** In his lively and thoroughly researched Outlaw Tales of Montana Gary Wilson furthers our love affair with outlaw lore while finding the reality behind the myth, **Outlaw Tales of montanaman** Also included are new insights into the life of Harvey Kid Curry Logan: **Outlaw Tales of montanaos** P SkyHouse Books Outlaw Tales of MontanaWhile the topic is interesting I found the book difficult to read: **Outlaw Tales of montanaquil** covering one outlaw then switching to another and going back to the first, **The outlaws mountain village co** Maybe shorter bits on the individual outlaws would have been better: **Outlaw Tales of montanaqua** 096322400X I love MT history and thought I would enjoy this book: **Outlaw Tales of montanamar** It's a little discombobulating in the way it is written seems to bounce back and forth, **Outlaw realty bozeman mt** Also on page 103 there is this The youngest Leuch brother (or perhaps half-brother) Chris came to America in 1902. **Outlaw Tales of montanaos** I AM JUST A LITTLE CONFUSED AS TO HOW THIS CAN BE? What this did for me is throws all the research into question that this gentleman did for this book. **Outlaw Tales of montanaon** If no one has it is to late as the gentleman is deceased as I'm sure are most of the others that proofed/published it, **Outlaw realty bozeman mt** In any case interesting history on eastern Montana but can one believe what is in it? 096322400X

. The information seemed convoluted at times. He became a U.S. citizen at Crookston Minnesota in 1898
