He's in London. She's in L.A. literally. ...Despite everything and everyone that tries. Away from home more than either of them want. Tristan and Ginny just grated my last nerve. There were no surprise for the ending. I saw it coming from a mile away. Lots of ups and downtwists and turns. So buckle up and hang on for a wild ride. A must read book. A MUST A MUST READ SERIES. Oceans Apart #6
Good basic happy ending.parents
