The San Francisco Alpha and the New York City witch get their story! A bad girl who I'm sure will end up making good (note: I've read Book 5 already so I know she does) and we get even more on Jade the sweet Lycan scientist who gets her own story in #5.

Lara's not sure but Liam might be her True Mate. Who knew Liam was such a dirty talker. Omg my heart was broken. Good thing I only read HEA's. It was mended pretty quick. I truly do love Vivianne. I can not wait for Jade and Sebastian's book. I voluntarily reviewed an Advance Reader Copy of this book. Beware going further
