

Love, Sex and Soulmates By Frederick Dodson The entire marketing and advertising industry praise on people state of unfulfilled desire; their very easy job is to find something someone desire and associates their own products with it. "The art of living and producing strong and beautiful waves is the master of being very clear with who you are and with what you like and want.

Frederick Dodson success coach and consciousness researcher author of over 35 books translated into 7 Languages. Kindle Edition I enjoy listening to it as an audio book due to my schedule but that was fun actually didn't expect that "listening to a book" would be as fun as reading it. well maybe not the same because I had to repeat some parts to contemplate on them but still fun! I tend to grasp things more effectively by looking at them so I wrote some of the parts I liked here. The peace you radiates contribute to the world peace peace in the world is not established by controlling everything —as fear people always attempt to do— it is established by developing one's own peace first to higher and higher levels not by pointing fingers to others that are supposed to be peaceful. "Self confidence comes from self respect and then being consistent in that; this constancy should not turn into inflexibility and stubbornness because the wave that becomes ice easily breaks. " Kindle Edition This book contains everything worth knowing about Love Sex Male and Female Energy-Polarity Conscious Relationships and Soulmates from the perspective of consciousness researcher and success coach Frederick Dodson.

Self-respect comes from having achieve a set of skills and abilities, Even if you can't talk about these skills; the self respect is restored in your energy field and can be sensed by others, "Behind every desire is a belief that something is difficult to get. "Someone driven by desire can easily be manipulated into many kinds of things, •"The biggest issue is neediness seeking attention is a recipe for failure because it is a lack position: You are too precious to be a bigger for your partner's attention or approval, "Good relationships are based on controlling yourself not the other: You can have be and do whatever you like if you can control your own energy state. "All problems in human interactions stems from the need to control another. "Fix your own life before demanding the world get fixed it all begins with you and your surroundings, "Having a skill means you are able to focus and if you are able to focus that's mean hundred of other things to a potential partner.short and didn't really say anything new.
