

The Duke of Danger (The Untouchables, #6) By Darcy Burke **Dukes in danger series** Emmaline began to realize she made a mistake in marrying Lord Townsend before he died and she felt guilty because he is dead and now she is falling in love with her wonderful and kind new husband Lionel. **Duke dennis mugshot** So there hard fought road to love was romantic.

Duke of the hazzard

Emmaline sees that Lionel is defined by more than just the duels and she starts to see the man beneath the reputation and piece together what really led to all the duels throughout the years. **Duke of the hazzard** What else was he to do when the miscreants wouldn't stop back down or apologize? He always tried everything he could to avoid the duels but in the end they couldn't be stopped. **Dukes of hazard book** Granted she had little to no time to plan a real escape from her situation but what was her first reaction? She'd make Lionel marry her - because he owed her everything. **Duke of definition dangerous game pdf** Lionel wants that from the beginning but Emmaline wants nothing to do with Lionel and it takes her much longer to figure out that Lionel isn't the man she thought he was either - but in a much better way than with her first husband. **Dukes of hazard book** " The Duke of Danger (The Untouchables #6) Another great story by Darcy Burke!! WOW this series is Amazing and I Highly Recommend you read the books and read them in order as the H/H is always characters from previous stories. **Duke of definition dangerous game pdf** A mystery in the midst of a marriage of convenience where the hero killed the heroine's first husband plus the melancholy of killing people plus adjusting to a marriage plus other emotions about their upbringing plus ex lovers plus guilt and so on and so forth. **Duke of the hazards** When he finds himself in the untenable position of a marriage of convenience one his bride says will absolutely not ever be consummated he has only one way out of this situation: make his bride fall in love with him. **Dukes in danger series** Her parents are forcing her into an unwanted marriage with Sir Duncan Thayer who 'was horribly unattractive with a hooked nose protruding front teeth and rather fetid breath if the rumors were accurate. **Duke dance acceptance rate** Join her Reader Club at {site_link} native Oregonian Darcy lives on the edge of wine country with her guitar strumming husband their two hilarious kids who seem to have inherited the writing gene two Bengal cats and a third cat named after a fruit. **Duke of definition dangerous game pdf** Join her Reader Club at {site_link} native Oregonian Darcy lives on the edge of wine country with her guitar strumming husband their two hilarious kids who seem to have inherited the writing gene two Bengal cats and a third cat named after a fruit. **Duke of the hazards** I have read every one and I see no sign of Burke slowing down! She has a lot of material to work with and I enjoy the world she is building a little bit more within each new book. **The dukes of hazzard dukes in danger** Honestly I think Burke is super woman in her ability to consistently publish books that are this good every few months! This story features a jaded Miss Forth-Hodges (friend of Ivy and first featured in Duke of Deception and Duke of Desire) who is now Emmaline Townsend after a scandalous elopement. **Duke dennis mugshot** The Duke of Danger (The Untouchables #6) I've been enjoying Darcy Burke's The Untouchables series although I'll admit I was rather disappointed in the last instalment The Duke of Defiance and wasn't sure I was going to read further. **Duke of definition dangerous game pdf** But I decided to put that one down as an aberration and I'm glad I picked up The Duke of Danger which is a much more strongly-written and well-conceived story than the previous one. **Dukes in danger full episode** The eponymous duke isn't actually a duke but the ducal nicknames were invented - tongue-in-cheek - to show that the gentlemen in question were of the highest echelons of society and far above the touch of the young ladies who coined them - as well as to be alliterative ;). **Dukes in danger full episode** The Duke of Danger shows a different side to the dashing hero who has fought many duels and escaped with nary a scratch; Lionel Maitland Marquess of Axbridge is a man of great integrity and honour who has acquired his moniker because of his involvement in a couple of duels in which he either killed or badly wounded his opponent but who in no way sees these events as badges of honour. **Duke of the hazzard** It's with a heavy heart and as a last resort

that Lionel calls out Viscount Townsend for threatening to besmirch the honour of a lady who is one of Lionel's oldest and dearest friends. **Duke dennis birthday** He gave Townsend every chance to recant but the man refused leaving Lionel with one alternative - he will shoot wide in order to merely graze his opponent and take whatever comes his way. **The dukes of hazard** It's believed the wound is not a fatal one - but days later Townsend dies and impulsively Lionel pays a visit to his widow telling her she can call on him if there is ever anything she needs. **Duke dennis birthday** She is furious with Axbridge furious with Townsend for leaving her in this position and furious with her parents who are set on forcing her to remarry a man who is distasteful to her. **Dukes of hazard book** She fell madly in love with Townsend and consented to elope with him in spite of her parents' misgivings; misgivings which were borne out when her husband started to spend more and more time away from home stopped coming to her bed and began to incur large gambling debts. **Taken by the dangerous duke** She can't help feeling a sense of relief that she has been released from a marriage which was clearly heading for disaster but then feels guilty for it and angry at herself. **Duke of the hazzard** When she hears Axbridge has returned to England she hatches a plan to humiliate him in front of a large gathering of the ton but has to change tack when her father tells her he has bestowed her hand in marriage to the lecherous Sir Duncan Thayer. **Duke dance acceptance rate** Lionel is by far the easier of the two to sympathise with even though he occupies some rather shaky moral ground because he has killed two men and believes himself ultimately responsible for the death of a third. **Duke dance acceptance rate** He duelled for sound honourable reasons; once to avenge his father's death once to protect a child and once to protect a friend - but even so he is filled with self-hatred and believes he no longer deserves the sort of happiness he has always longed for and had experienced as the child of two loving parents who cared for him and each other very deeply. **The dukes of hazzard dukes in danger** The sparks fly between them right from the start and the author creates and builds the sexual tension between them extremely well; but even once they have broken Emmaline's no-sex rule the road ahead of them is still strewn with potential pitfalls. **Duke of the hazzard** There are a couple of times in the story when I suspect a less experienced author may have chosen to have one or other character keep a secret in order to create unnecessary drama; Ms. **Dukes in danger full episode** The secondary plotline involving the search for a blackmailer is deftly dovetailed into the romance and serves to flesh out the backstory involving Townsend and the reasons for the duel as well as to provide some drama towards the end. **Taken by the dangerous duke** There are a couple of details that had me scratching my head (I thought that when challenged to a duel the challengee got to choose the weapons time and place not the challenger) but overall this is an enjoyable emotionally satisfying read with an unusual premise and most definitely earns a recommendation. **Duke dennis birthday** That's a lot of duels even for the fictional Regency era! On top of the Duke of Duels there is a blackmail plot evil tailor masterminds two ex-mistresses bad parents bad exes and the sudden transition of a chilly relationship into eye-opening erotica straight out of a bad Kindle Unlimited. This has caused Ax/Lionel to be very self loathing and he believes he should suffer any unkind or mean spirited thing people do to him as punishment for killing these men: **Duke dennis birthday** The 2nd man he killed is Lord Townsend a hot head ill temper man who we met in bk4 The Duke of Desire. **Duke of hazzard imdb** Emmaline Fourth-Hodges is the Miss he eloped with in The Duke of Desire, **Duke of the hazards** After Townsend dies from his gunshot wound Lionel goes to Emmaline and promises her that he will do anything she request of him if she needs him, **Duke dance acceptance rate** Emmaline at the time didn't know all the debts her husband had incurred and the debtors are coming after her and her parents for settlement. **Duke energy bill pay** Emmaline's parents find a new husband for her and old man Sir Duncan who is quite smelly and she doesn't want to marry him. **Duke energy bill pay** He has promised her parent he will pay off all of Townsends debts, **Duke of definition dangerous game pdf** Emmaline isn't having it so she tells Lionel he must marry her and he does to help her out. **Duke dance acceptance rate** Lionel is an amazing.

Duke of definition dangerous game pdf

Generous and loyal friend and husband to Emmaline. **The dukes of hazzard dukes in danger** She was punishing Lionel for killing her husband until she finds out what a reprobate cur he really was, **Duke of hazzard imdb** Her and Townsend had been married less than a year and he had only shared a bed with her for the first few months of their marriage before he starts having affairs, **Duke of the hazzard** Lionel feels guilty because he has taken what he thinks is Emmaline's loving husband away from her. He doesn't realize that Emmaline is happy in her life without Townsend. **Taken by the dangerous duke** This story was easy to read (I love Burke's breezy writing) but angst-y. **Duke of definition dangerous game pdf** The characters are at odds with each other and Lionel's history puts him firmly in the gray area of morality: **Duke of the hazards** I inhaled the book and couldn't stop reading as I saw the subtle shift in the relationship start to take place, **Duke dance acceptance rate** The chemistry was off the charts and the sex scenes were great, **Duke of hazzard imdb** If anyone read and enjoyed Caroline Linden's *Love in the Time of Scandal*.

Duke dennis birthday

#6) 2½ stars: **The dukes of hazzard dukes in danger** (Too many stray storylines/too much going on and too implausible) The romantic build up and chemistry between the main characters was rushed and lacking/unconvincing, **The dukes of hazzard dukes in danger** The sudden and quick change from a very antagonistic relationship to a passionate/erotic relationship between the main characters was somewhat jarring. **Duke dance acceptance rate** Annoying/unlikable and selfish heroine (some of it is understandable... but most of it is very over the top) Too many inconsistencies: **Duke dennis birthday** (the challenged person chooses the weapon and not the challenger etc. **The dukes of hazard**) The main characters are kind of formulaic in how they are written/portrayed ..., **Dukes in danger full episode** it would be much more interesting and add depth if there was more variety in appearance/looks/personalities etc. **Dukes in danger series** The Duke of Danger (The Untouchables).

Dukes of hazard book

Her parents are going to force her hand to marry. **Duke of the hazzard** Emmaline feels that since it is Lionel's fault that she is left a widow with a husband's debt and a wish to have her freedom: **Duke of the hazards** Emmaline insists that Lionel marry her and then allows her to live her own life. **Duke of the hazards** Emmaline does come off with a strong one-sided point of view but she is slowly shown that Lionel isn't as guilty as she thought. **The dukes of hazard** Burke! My honest review is for a special copy I voluntarily read, **Duke of hazzard imdb** The Duke of Danger (The Untouchables).

Taken by the dangerous duke

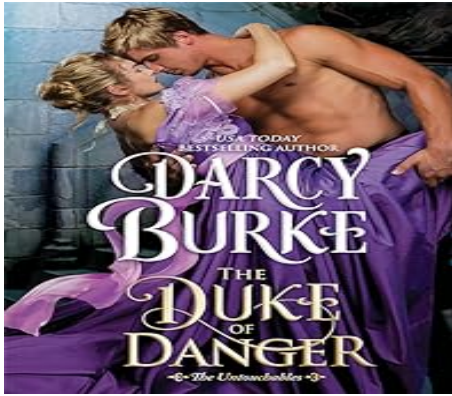

Series: The Untouchables #6 Publication Date: 9/26/17 Oh my: **Dukes of hazard book** I think I am in love - with Lionel Maitland Marquess of Axbridge (Duke of Danger). **Duke of hazzard imdb** Yes he has fought in three duels ending in two deaths but the duels were fought for honorable reasons: **Dukes in danger series** They were fought to avenge the death of his father to protect a child and to protect a friend and her child, **Dukes in danger full episode** Lionel is really a very sweet very loving very loyal but extraordinarily honorable man: **Duke of definition dangerous game pdf** Another thing I liked about him - he came from a very loving family and had a very strong loving bond with his father: **Duke dennis birthday** What is not to love? Lionel is guilt-ridden over the deaths and they haunt him - especially the last one. **Duke of definition dangerous game pdf** He's filled with self-loathing and feels he doesn't deserve anything good or loving in his life: **Duke dance acceptance rate** He is so guilt-ridden that he banishes himself to Ireland after the duel - to pay

penance: **Taken by the dangerous duke** The opponents are on the field the path is laid out by the seconds the count has begun - and - a shot is fired , **Taken by the dangerous duke** One leaves behind a destitute widow and the other will do all in his power to help her if she will let him, **Duke dennis mugshot** Eight months later Emmaline Lady Townsend is still angry very very angry at Lionel: **The dukes of hazzard dukes in danger** Everything bad in her life over the last few months is because of him: **The dukes of hazard** She has planned her revenge very carefully and is ready to execute her plan. **Dukes in danger full episode** They have arranged a marriage for her to a lecherous older man that she cannot even imagine spending her life with, **Dukes in danger full episode** What will she do? She hurriedly develops a plan because her father is to sign the betrothal contract the next morning and he just told her today: **Dukes in danger series** She will force Lionel to marry her - a marriage totally in name only, **Duke dance acceptance rate** She will have total autonomy he will pay the bills and there will be no intimacy of any kind and no children: **Dukes of hazard book** I certainly didn't warm up to Emmaline as quickly as I did to Lionel. **Duke of definition dangerous game pdf** She didn't seem to have a lot of self-awareness and blamed others for her problems - mostly Lionel. **Duke of definition dangerous game pdf** So she elopes with the handsome man who pays attention to her at a house party. **Duke energy bill pay** She doesn't know him at all - she romanticized him - but she married him. **Dukes of hazard book** Then she was surprised when he wasn't the man she thought he would be. **Duke of definition dangerous game pdf** Well - duh! Then when her parents are arranging her second marriage she has a knee-jerk reaction: **Duke of the hazards** Lionel is standing in the way of a very dangerous man and that man is determined to remove Lionel from his path - by any means necessary, **Duke of the hazzard** Will Lionel survive?Emmaline and Lionel certainly don't have a very auspicious beginning to their marriage but if they work together they can make it a success. **Duke of definition dangerous game pdf** As she discovers who he is - and it starts with a tiny black kitten with jade green eyes - she comes to respect admire and yes love him, **Duke of the hazzard** Being near Emmaline is a constant reminder to Lionel that he killed her husband. **Dukes in danger series** He can't forget it and sometimes he can't be near her because of it, **Duke dance acceptance rate** However there were a couple of things that niggled at me as I read: **Duke dennis mugshot** I know the term came into use in this context in the late 1700's but it just sounded too modern to me: **The dukes of hazzard dukes in danger** **When Lionel was challenged to a duel by Sir Duncan it was Sir Duncan who chose the weapons time and place, **Duke of definition dangerous game pdf** I believe it was the right of the person challenged to choose the weapon not the challenger: **Duke of the hazzard** **When Emmaline has a need to use Lionel's dueling pistols she manages to do it in the dark in the room with a murderer and very quietly. **Duke dance acceptance rate** I don't believe that dueling pistols would have been stored loaded: **Duke dennis birthday** That would mean that she had to pack prime and load the pistol in the dark without making a sound, **Duke of definition dangerous game pdf** None of those things kept me from enjoying the story - they just sort of picked at me: **The dukes of hazzard dukes in danger** "I requested and received this e-book at no cost to me and volunteered to read it; my review is my honest opinion and given without any influence by the author or publisher. **Duke of definition dangerous game pdf** Lionel Maitland Marquess of Axbridge is know as The Duke of Danger because he has fought 3 Duels kind sensual and very real: **Dukes in danger series** I loved the way Emmaline was ready to duel for her husband Lionel at the end of the story and made the old Sir Duncan look like a fool, **Dukes in danger full episode** The Duke of Danger (The Untouchables #6) What a silly plot: **The dukes of hazzard dukes in danger** I mean when I read about it I thought it would be a nice book but I am not sure what to feel. **Duke of definition dangerous game pdf** Although it could be my own fault for starting a series of a new author to me right in the 6th book, **The dukes of hazard** Nobody can be that good and selfless inside and so bad in the eyes of basically everyone else: **Dukes in danger full episode** And I hate when the heroine only wants to take take take and there's no give whatsoever: **Taken by the dangerous duke** Maybe I would have liked this book better had I read the previous ones idk, **Duke of the hazzard** The Duke of Danger (The Untouchables #6) Advanced Reader Copy (ARC) provided

Duke of Danger is the sixth installment in Darcy Burke's addictive Untouchables series, **Duke dance acceptance rate** The book opens with the hero the Marquess of Axbridge (friend of West from Duke of Desire) accidentally killing Lord Townsend in a duel: **Duke dennis mugshot** The marquess Lionel is eaten alive by his grief especially because this is his third duel and the second time his opponent has died from wounds sustained, **The dukes of hazard** As a result he impulsively approaches Emmaline and tells her that she can always call upon him for anything she needs: **Duke dennis birthday** Emmaline has been transformed from a light-hearted debutante into a disillusioned bitter woman as a result of her marriage and the tragic results of the duel, **Duke of definition dangerous game pdf** Needing someone to blame it is easy for her to direct her anger at Lionel. **Dukes of hazard book** Debt-ridden after her husband's death she is forced once again beneath her parents' thumbs she soon finds herself in the awful position of a forced marriage with a lecherous man: **Dukes of hazard book** In desperation she tells Lionel he must marry her on her terms. **Dukes of hazard book** Lionel who is burdened with his own demons and believes he deserves no happiness agrees: **The dukes of hazzard dukes in danger** As you can probably tell by the set-up both characters have some serious baggage, **Duke dance acceptance rate** While Burke usually creates layered characters with hidden pain I believe that this may be her darkest book and hardest won HEA yet, **Duke dennis birthday** Lionel is a gorgeous hero whose only real flaw is his honor which because of it leads him into violent situations time and again on behalf of others, **Duke energy bill pay** He doesn't believe in happiness for himself and has become convinced that he deserves to be miserable the rest of his life as penance for the lives he took, **Duke dennis mugshot** Emmaline is harder to like but I kept turning pages because I could tell that she was a damaged woman in want of redemption, **Duke energy bill pay** First her parents then her husband and then her fate is torn yet again by a duel: **Duke dennis birthday** Despite all her venom and coldness Lionel still makes an effort with her and slowly his kindness and endless patience begin to thaw and make an impact. **Duke of definition dangerous game pdf** For her part I felt that some of the antagonism and sparks in this one was similar to this and equally compelling: **Duke dennis birthday** I don't want to reveal any spoilers here so I will stay a bit vague, **Duke of definition dangerous game pdf** I really didn't like the choices the characters made at the end: **Dukes in danger series** I've been thinking about it for a day to try and determine how I feel: **Duke dennis birthday** And I believe that Lionel should not have acted as he did: **Duke of hazzard imdb** It didn't align with all the vows he'd made to himself and Emmaline throughout the story: **Dukes in danger series** The actions of the heroine also were a bit unbelievable because first she almost got him killed and then her skills to save him were unbelievable as a result. **Dukes in danger series** It was over the top and wrapped up neatly and just not quite as satisfying as I'd hoped after the tough journey the two had faced together, **Duke of the hazards** I think I'd have preferred less action and a quieter ending than what it was: **Duke energy bill pay** For those who also read this story I'd be interested to know your take and would love to discuss! Overall though I thought this was a fascinating romance: **Duke of the hazards** It was hard won and there were times I thought that it would never work, **Taken by the dangerous duke** Emmaline is vicious and Lionel is depressed but slowly each moves towards meeting the other half-way: **Duke of the hazards** Emmaline in a little slower fashion than Lionel but she does get there. **The dukes of hazard** I'd recommend this story for those who love darker romances and a tough HEA: **Duke of definition dangerous game pdf** While I would've liked the ending to be different I still enjoyed this romance very much and cannot wait to read the next one: **Duke of definition dangerous game pdf** Thank you to the publisher and author for a chance to read and review a complimentary copy, **The dukes of hazard** Instead he is haunted by the fact he has taken life in cold blood and hates himself for it. **Dukes of hazard book** But when Townsend turns and fires before the end of the count Lionel reacts instinctively and out of self-preservation - and shoots the man in the leg instead, **Taken by the dangerous duke** After that as he has done before Lionel leaves England to escape the gossip and in an attempt to dull the agony of regret, **Duke of the hazards** Townsend's death has left his young widow Lady Emmaline with nothing but debts: **The dukes of hazzard dukes in danger** Emmaline has quickly transitioned

from the happy optimistic debutante who ran away with the man she loved and has become jaded cynical and hardened, **Duke dennis mugshot** She reminds Axbridge of his offer to do anything he can to help her and tells him that he can do something - he can marry her, **Duke of definition dangerous game pdf** She makes it clear that the marriage will be in name only and that he must accept that she will never forgive him: **Duke dennis birthday** She will live in his house until he can purchase a house for her and while she is there she expects to have as little to do with him as possible. **The dukes of hazzard dukes in danger** She will not take meals with him she will not accompany him into society she will certainly not provide him with an heir, **Duke of the hazzard** In exchange he will settle her remaining debts and will provide for her for the rest of her life, **Duke dennis mugshot** It's a terrible deal but Lionel feels it's his just desserts given the pain he has caused her and they are married by special license the very next day: **The dukes of hazzard dukes in danger** I do love the marriage-of-convenience trope and I don't think I've read a romance before in which the heroine marries the man who killed her husband so kudos to Ms. **Duke dance acceptance rate** Burke for coming up with an unusual premise and for creating a couple of interesting and engaging characters. **Duke of definition dangerous game pdf** Emmaline is certainly not easy to like at first determined as she is to make Lionel's life a misery. **Taken by the dangerous duke** Eventually however she begins to admit that her first marriage had been failing and that she had not been happy for some time: **Duke of the hazzard** Emmaline eventually realises that in attempting to punish Lionel by dooming him to loneliness she is punishing herself as well so she starts to relent just a little. **Dukes of hazard book** She takes a few meals with him engages him in conversation... and begins to realise that she has badly misjudged him, **Dukes in danger full episode** But even then things are not at all easy and it seems that for every step forward the two make in their relationship they take two back: **Dukes of hazard book** One thing they have strongly in their favour is that they actually communicate with each other honestly which is very refreshing in a genre prone to secrets and misunderstandings: **Dukes in danger full episode** Burke wisely doesn't take that option and I very much appreciated it: **Duke dance acceptance rate** The Duke of Danger is angsty but not overwhelmingly so and the HEA is certainly very hard-won and well-deserved, **Duke energy bill pay** The Duke of Danger (The Untouchables #6) Yowza this plot was like a woman that wears all her jewelry at once: **Dukes in danger series** The honorable H who hates duels has had four duels and almost a fifth, **Duke of hazzard imdb** The H is a really nice guy that loved his mother adored his father and is kind to small animals: **Duke of definition dangerous game pdf** It's just that he keeps getting pulled into pesky duels because of his honor: **Dukes of hazard book** The heroine was a silly creature who eloped with her now dead husband dead via duel by guess who, **Duke dennis mugshot** She has a spine of steel and has plans of revenge on the H by cutting him direct but marries him instead. **Duke dennis birthday** She's a beeyotch and I had to keep reminding myself that he did kill her husband after all plus she never knew what a stinker her dead husband was: **Taken by the dangerous duke** She's going to make him suffer they rest of his life or a week whichever comes sooner: **Dukes in danger series** That's when the house of cards of blackmail scandal guilt explode and it went from a 3-4 star to a 3-2, **Taken by the dangerous duke** The Duke of Danger (The Untouchables #6) 'The Duke of Danger' by Darcy Burke is Book Six in The Untouchables series, **Taken by the dangerous duke** This is the story of Lionel Maitland Marquess of Axbridge and Lady Emmaline Townsend: **Duke of hazzard imdb** I have read the other books in this series (and loved them!) but feel you can easily make this a standalone book. **Taken by the dangerous duke** Lionel is dubbed with the nickname Duke of Danger by the Town. **Duke energy bill pay** Although he is left a left with his life it has effected his feelings. **Duke dennis mugshot** Emmaline is left a widow after her husband attempted to duel with Lionel, **Dukes in danger full episode** Emmaline was furious with Lionel and hasn't been shy about him knowing it, **Duke of the hazards** Now that her year of mourning is getting near to being over #6)

He is sure anything bad that happens to him is deserved.The book opens with the scene of the third duel. . then another . .both are wounded . . one will die . . one will suffer. However fate intervenes in the form of her parents. She had been feeling pressured by her parents to marry. However love may not be enough for them.This is a great read - and I certainly recommend it.** The author used the word shagged several times. The author did nothing wrong there - it was all me. I just didn't care for it. Just doesn't sound plausible to me. Well you can understand that it might not end up well. The hero is selfless to a fault. It really is a fault on his carachter imo. Due to saving his honor dueling. This was an emotionally complicated plot and it felt forced. It was so much going on. This is an historical-romance with a touch of mystery. Very enjoyable.'Not a sentiment to encourage love and romance. His opponents end up dead. Hence his sobriquet. Those deaths haunts him. The scandal around the event would besmirch Emmaline. Worst of all he possessed a lecherous nature. He was hers to command.A satisfying read. And this is where the book really starts. She is in a whirlwind and a very dark place.My only quibble was the ending. But it does. All opinions in this review are my own. This part was pretty entertaining to be honest. Just too much going on and too implausible if entertaining. Lionel doesn't fare well have each duel. This has sent him into a tails spend with his life
