

The Postwar Moment: Progressive Forces in Britain, France, and the United States after World War II By Isser Woloch

The Postwar momenthouse

An incisive comparative study of the development of Post-World War II progressive politics in Britain France and the United States Toward the end of World War II the three democracies faced a common choice: return to the civic order of prewar normalcy or embark instead on a path of progressive transformation. **Post war mental illness** In this ambitious and original work Isser Woloch assesses the progressive agendas that crystallized in each of the allied democracies: their roots in the interwar decades their development during wartime the struggles to enact them in the early postwar years and the mixed outcomes in each country. **The Postwar momentive technologies** The issues at stake included priorities for reconstruction or reconversion; “full employment” via economic planning; price controls; the roles of trade unions; expansion of social security; national health care; public housing; and educational reform, **Book The Postwar momentive** The Postwar Moment examines three progressive postwar manifestos that reveal a common agenda in the three nations, **Book The Postwar moment** A highly regarded scholar of European history Woloch persuasively adds the United States to a discussion that is usually focused solely on Europe. **Book The Postwar momento** The Postwar Moment: Progressive Forces in Britain France and the United States after World War II
