This couples journal has a questions that will spark conversations and maybe get couples talking about something that they haven't yet covered. **What does it mean to be american book** Scratch that this journal is really good for any couple! It's a lot of fun and I've enjoyed the few questions that me and my boyfriend have done so far and I can't wait to fill this book up and learn some new things about the man who makes me happiest :) 9781641524247.
