

Power Spicing: 60 Simple Recipes for Antioxidant-Fueled Meals and a Healthy Body: A Cookbook By Rachel Beller **Power Spicing bookworm** Power Spicing: 60 Simple Recipes for Antioxidant-Fueled Meals and a Healthy Body: A Cookbook What an absolute powerhouse of information! I love the presentation the ease of format and the delicious recipes. **Book Power spicing** So instead of using supplements and pills and powders that purport to boost anti-oxidants and anti-inflammatories and probiotics etc why not just go straight to the source! (Many of these supplements just crush these spices anyway and put them into their capsules). **Power Spicing booking** Power Spicing: 60 Simple Recipes for Antioxidant-Fueled Meals and a Healthy Body: A Cookbook This beautifully designed cookbook walks you through the health benefits of various spices and how to use them in your cooking. **Book Power spicing** While she begins with a detailed A-Z guide to individual spices and their benefits the real power part of power spicing comes from Beller's discussion of how spices work more effectively in combination with each other. **Power spicing rachel beller** I bought this one after watching a presentation by the author through Living Beyond Breast Cancer but her suggestions for using spices to improve the healthiness power of your food goes beyond cancer prevention and treatment to include anti-inflammatory metabolism-increasing and brain-boosting benefits. **Book Power spicing** If you are lazy like me you may also enjoy the organic spice blends the author sells on her website -- I bought two of them one sweet and one savory and I'm now power spicing all the time!
