But cash works just fine. Some Dragons pillage and plunder. That curvy gambler who I know is my
mate. . All in on my forever. Drama and madness fire and steam action and adventure. Sweetness
with a touch of darkness. No cheating. No cliffhangers. And a guaranteed happy ending. This is
dragon-love Annabelle Winters style. It was an equal match couple. they had a lot in common. Nice
little plot twist with the black and red dragons. The banter they have with their human is always
comical. Gilfred's dragon was funny. This was a good ending to this series. I liked seeing everyone
from the former books. I voluntarily reviewed a copy of this book. The pages flew by. This story is a
doozy. Fate plays an important role as well. She doesn't make it easy for Gabbi and Gilfred. The
story flows smoothly. The characters have chemistry. Romance Suspense Thriller.
