

The Complete Trader: The Definitive Guide to Mastering the Psychology of Market Behavior By Mark Douglas : Felt it was a rewrite of "Trading in the Zone" but with different examples and inclusion of his wife Paula: **Complete turtle trader book** Not a bad book at all but a bit pricey compared to the his previous work, **The complete trading course pdf** Kindle Edition The Complete Trader: The Definitive Guide to Mastering the Psychology of Market Behavior

[1]

I liked it Classic book. I don't mind though. Cheers mate. P.s. quite a bit of grammatical errors
