In *The Latinx Files* Matthew David Goodwin traces how Latinx science fiction writers are reclaiming the space alien from its xenophobic legacy in the science fiction genre. **The Latinx files** seek The book argues that the space alien is a vital Latinx figure preserving Latinx cultures by activating the myriad possible constructions of the space alien to represent race and migration in the popular imagination. **The Latinx files** Carrington and many others often explicitly reject the derogatory correlation of the space alien and Latinxs while at other times they contain space aliens that function as a source of either enlightenment or horror for Latinx communities. **Book The Latinx files** stream Throughout this nuanced analysis *The Latinx Files* demonstrates how the character of the space alien has been significant to Latinx communities and has great potential for future writers and artists.

The Latinx files

Started this for class months ago and FINALLY FINISHED because I was not letting this roll over into the new year: **Book The Latinx files** Overall a good and interesting look at Latine Sci-Fi especially considering allegories of illegal aliens: **EPub The Latinx files** stream *The Latinx Files: Race Migration and Space Aliens (Global Media and Race)*.

. A very subjective 3. The works discussed in this book including those of H.G. Wells Gloria Anzaldúa Junot Diaz André M
