This was a wild ass ride. Literary gold. Fun and fantastic read. She loved her some younger men. Ms. Insane. Hilarious. Crude. It's an experience you will never forget. Thriller Crime Suspense Well I'll be. Baby she is too hot to trot. I can't wait to read part two. The story got straight to the point and was interesting. Then just as quickly went down an unbelievable rabbit hole. It could do with a good proof read also. Thriller Crime Suspense Old That.Real Talk. And the end.that really threw me for a loop. Younger men weed and partying fill her nights. It is definitely not up my alley. You will regret it. Thriller Crime Suspense.
