all life's too short for anything other than a HEA. All her heroes from mountain men to billionaires are possessive obsessive alpha males who go OTT for the women they fall for: And the heroines? Shy sweet smart ambitious and everything in between these ladies always get their happy endings. After all life's too short for anything other than a HEA. This is a well written and very entertaining story. I would recommend this book to any book lover. They saved each other without knowing; complemented each other. The story was short but had a thorough background story. Both MCs had their own ghost and difficulties. Sweet short swooning instalove story. I'd saved her. Finders keepers. Violet is on the run from a controlling and abusive husband. If her husband finds her she will not go back. It also has a hot sexy knight to rescue her Cain. She is afraid what her husband will do to them. Cain seems ready to take any chance to have her. I came to the woods to die. I deserved that much. But then I saw her hurt and desperate. Needing help. I couldn't leave her. I don't care about her past. I don't care about her demons. I'll slay them all to protect her. She's afraid they'll catch up to her. Let them come. She's not alone anymore... and she never will be again. Let them come. Violet I came to the woods to escape. He saved me and asked for nothing in return. The one who had made me afraid. A short steamy romance with heart. The is a wonderfully well-written story. The love and affection for one another is heart-warming. Cain is honorable loyal and tender. Violet is sensitive thoughtful and timid. Their passion and desire is palpable. Cain is living alone in an isolated cabin. She is hurt & cold. Luckily the author Gia Bailey guarantees a sweet HEA. □ Drama danger & romance. He truly thinks he doesn't deserve her. This short story would make a fantastic full length novel. I give this a four out of five stars
