You will have to read to find out! It is that good!! You need to read this!!! Brian Shea Intriguing conspiracy case but too much TSTL I've enjoyed the earlier books in the series particularly as they seemed reflective of the author's real life experience as a LEO. **Cold hard truth boston crime thriller book 5** I did enjoy the story and found Mike Kelly to be what you would expect from a dedicated detective - willing to risk his career and life for the right people to be held responsible. **Cold hard truth definition** Brian Shea

prison is believed to have something to do with it!! The investigation that follows tests Kelly's patience and abilities soon finding himself in danger as he puts together pieces of the information he finds. **Cold hard truth on business money & life** A suspenseful thriller that is impossible to put down as this author shares intriguing characters scenes you feel yourself in and the real life working of a Boston Homicide Detective. **Cold hard truth boston crime thriller book 5** I can't believe what Detective Kelly decides to do at the end of this case and am now waiting impatiently for the next book in this sensational series!! Brian Shea a strong read .

Another engaging read in the series, **Cold hard truth boston crime thriller book 5** A recent crime is connected to a crime committed 19 years previously as the culprit for the first one has also been identified for the second murder. **Cold hard truth boston crime thriller book 5** Brian Shea I feel so lucky to have had the opportunity to pre-read this book, **Cold hard truth george jones** I found this author thru NetGalley and I have enjoyed each book. **Cold hard truth ernest monias** If you enjoy a good police procedural/detective book this is the book for you (and the four books before this!). **Cold hard truth on business money & life pdf** Mike Kelly is the quintessential Boston cop with friends from the mob a priest and a pseudo-father that owns a boxing gym: **Cold hard truth**

song He is working on the case of the fiancé of a multi-million dollar pharmaceutical company owner. **Cold hard truth boston crime thriller book 5** As the case unfolds old friends are brought into the mix: **Cold hard truth definition** However this book even with its intriguing crime mystery just has too many holes: **Cold hard truth brian shea** There are too many TSTL moments reactions by others are ridiculous and the ending is completely unbelievable. **Cold hard truth on business money & life pdf** The mystery itself is puzzling and entertaining and if it was in a different book I might have enjoyed reading it more: **Cold hard truth on business money** But because we have a history with Mike Kelly it just doesn't jive with what's come before. **Cold hard truth on business money & life pdf** And the totally unbelievable ending is also highly problematic based on what we know about Kelly, **Cold hard truth kevin o'leary** Brian Shea Cold Hard Truth is a great action-packed detective novel. **Cold hard truth definition** I'm going to start this review off by stating that I did not read any of the other books in this series, **Cold hard truth kevin o'leary** The fiancée Cass the daughter of the famous Alan Wexler of Wexler Pharma goes missing during their engagement party on a yacht, **Cold hard truth ernest monias** No one knows what happened to him or even noticed he was gone until they got to the dock: **Cold hard truth george jones** Detective Mike Kelly a homicide detective who used to box as a child (This is important!) is put on the case, **Cold hard truth song** Mike Kelly and his new partner Cahill interview everyone on the boat but come up with little information: **Cold hard truth brian shea** With some video footage Kelly is lead to two killers but he's not convinced these two are working alone, **Cold hard truth kevin o'leary** Unfortunately further evidenced leads to an old friend basically his brother of Kelly's and he must prove whether he was involved or not: **Cold hard truth brian shea** Kelly will now have to figure out if the case from his friend/brother from years before is linked to this current case. **Cold hard truth boston crime thriller book 5** I understand that boxing plays a huge part in Mike's role but some of the scenes just seemed strange - mostly when he went in to box himself. **Cold hard truth boston crime thriller book 5** ARC provided by Netgalley for an honest review Brian Shea Mike Kelly is a detective at Boston PD, **Cold hard truth synonym** He has a new partner Mark Cahill who transferred from Narcotics. **Cold hard truth by george jones** When the son of Chief Ryan disappears from a boat the two tackle a missing persons case that spirals into a web of money deceit and power, **Cold hard truth kevin o'leary** Mark is a trainee in the new position and sometimes steps over the line: **Cold hard truth brian shea** Although he annoys his partner Mark brings a fresh aspect to solving murder cases, **Cold hard truth kevin o'leary** His methods may be unorthodox but he's sharp and quick to the point: **Cold hard truth band** Years on the job have taught Mike one thing though: to trust his instincts over the evidence, **Cold hard truth band** When his instincts tell him that something isn't right with this case Mike continues his investigation and brings down the wrath of his superiors: **Cold hard truth brian shea** As a fan of CSI and detective stories I really enjoyed this. **Cold hard truth by george jones** Unlike the typical whodunnit this novel kept me guessing and on the edge of my seat until the end. **Cold hard truth brian shea** As the suspicious circumstances around his disappearance take shape Detective Michael Kelly soon finds this case has startling implications that hit home both personally and professionally, **Cold hard truth ernest monias** With Barnes on administrative leave Kelly is partnered with Homicide's newest member Mark Cahill a rising star coming off an impressive tour of duty with BPD's Narcotics Unit. **Cold hard truth on business money** The two face incredible odds as they set out to uncover the COLD HARD TRUTH. **Cold hard truth band** People from Kelly's past affects him both personally and professionally, **Cold hard truth shea** Brian Shea is a master at giving true to life detective reads that are extremely well written and with interesting backstory of the characters involved, **Cold hard truth synonym** Every book in the series gets better and better and I can't wait to read what happens next, **Cold hard truth on business money & life pdf** Thanks to the author Severn River Publishing and NetGalley for this advanced copy, **Cold hard truth boston crime thriller book 5** Brian Shea It's been too long since I've visited the world of Michael Kelly, **Cold hard truth boston crime thriller book 5** I very much enjoyed CHT but I the main plot was a bit too obvious. **Cold hard truth george jones** I could've stopped reading after the first chapter and

been mostly correct about assuming all the broad strokes of the storyline, **Cold hard truth george jones** I don't mention this because there's something wrong with obvious; far too many authors throw in twists and turns only to lead to an implausible and/or contrived conclusion, **Cold hard truth synonym** Brian Shea deftly sprinkles in alternative possibilities as he has Kelly follow the evidence to a logical close that while a bit predictable in parts was still highly satisfying. **Cold hard truth kevin o'leary** Omitting a couple details in chapter one to be revealed more naturally later would've drastically aided in keeping me guessing, **Cold hard truth kevin o'leary** Doing my best to avoid spoilers there were a few things that took me out of the immersion. **Cold hard truth by george jones** CHT may have benefitted from another look by an editor because there was a fair amount of redundant dialog and even one or two instances of conflicting dialog. **Cold hard truth on business money & life pdf** I also think it was a little strange how quickly and easily people would question Kelly with only one massively out of character lapse, **Cold hard truth ernest monias** I may rethink this upon further review but CHT might be my favorite in the series so far. **Cold hard truth george jones** However the series looks to be heading in another direction for the next installment or two with Mike going deep undercover, **Cold hard truth george jones** Unfortunately I'm not as big a fan of the genre we're about to get into but he is not convinced these guys are working alone, **Cold hard truth shea** except that the perpetrator was known (to me) almost from the beginning but it took the cops much longer to make what I thought was an obvious connection Brian Shea.

. He is only a low-level employee in the company. The story is fast paced and thought-provoking. There are a lot of factors competing for attention. I give the book a 4 and 5. I give this review voluntarily. Ethan disappears at his engagement party on a yacht. I think we've jumped the shark. I doubt I'll read the next book. It was a good series while it lasted. I don't feel that you need too. The story starts off with Ethan Ryan. Mike is an old-school seasoned detective. He combs through this case just like any other. This is a well-written fast-paced novel. I highly recommend this book and series
