And love in this new story from Renee Ryan. Fans of *The Nightingale* will LOVE this one. Highly recommended. 9781335427076 2.5 stars for me rounded up to 3. I enjoy WW2 stories so this one caught my eye. It's a good read but not one I loved. So keep the tissues handy. Opinions expressed in this review are completely my own. 9781335427076 Fabulous. What a wonderful story. I was wrong. Helene has her own hidden secrets. Gabrielle is Helene's eldest daughter. They are all widows facing Nazi occupation in France. Their chateau is taken over by a German soldier. This is a powerful thought provoking novel. Highly recommended. They reveal it to no one. All opinions are my own. Gabrielle was my favorite because of her resilience and efforts. Ms. Be sure it is in your reading list. One will take a stand. One will cling to faith. One will strive to protect her secret. None of them will be the same when the war is over. I received a complimentary copy of this book through NetGalley. I was not required to provide a positive review.
