エリート吸血鬼・朔擲（ラブホで女王様が副業）はある男以外の血が不味くて飲めないヘタレ吸血鬼に（汗）。その男-Hと食事の相手、吸血鬼ハンター・渥美。カラダも心も憎悪も歓喜も快感も心臓も一命もかけた‘鬼ごっこ’真剣ラブ！ ネクラートホリック [Nekrateholic]It was a cute novel. ネクラートホリック [Nekrateholic] books I wish the characters Sakuya had shown more emotional consistency (he seemed to swing wildly from emotion to emotion inorganically).

ネクラートホリック [Nekrateholic] books

The editor could do a better job !As for the manga itself well it was correct but I've read far better. ネクラートホリック [Nekrateholic] books Maguro Wasabi What happens when the hunter becomes the hunted? Abject humiliation perhaps? The line between hunter and prey becomes blurred and the chase is on - which way will the scales tip in whose favor? Who will prevail the vampire Sakuya or the vampire hunter/dhampir Atsumi?Sakuya's troubles began when Atsumi comes into his life. ネクラートホリック [Nekrateholic] books And yet can he prevent it and does he truly want to? To his surprise Atsumi confesses to being just a man now that the hunters association found out about his tryst with a vampire and imprisoned him until he just recently escaped; his crest and his powers as a dhampir are gone. ネクラートホリック [Nekrateholic] books Balaur questions Atsumi as to his intentions - why does he want to kiss Sakuya again? What will he gain from that? Sakuya begs Atsumi to get one of the other dhampirs to kill him - he feels useless a vegetarian vampire that can't even kill what use is he? Atsumi seems angry at the suggestion - and what is this pain in Sakuya's heart? Atsumi tells him to get anyone he wants to kill him as long as he doesn't have to see it and he goes. ネクラートホリック [Nekrateholic] books Estoy harta de que sigan recomendando esto y de que lo sigan promocionando como comedia han pasado años desde su publicación y años desde que entro en la conversación que este tipo de historia era violenta que fomentaba la cultura de la violaci0n y que tenía cero representación real pero parece que no paran de aparecer post videos twits tiktoks donde siguen alentando su consumo. ネクラートホリック

[Nekrateholic] books This is very frustrating.

ネクラートホリック **[Nekrateholic] books**

He finds his blood to be actually sweet, **ネクラートホリック [Nekrateholic] books** The whole book is about the vampire that no longer craves blood except for the vampire hunters blood but he doesn't want anything to do with the vampire hunter. **ネクラートホリック [Nekrateholic] books** The vampire hunter will appear and tease the vampire and then disappears only to return later on, **ネクラートホリック [Nekrateholic] books** Maguro Wasabi A bit hard to follow it really needs a character introduction at the beginning so you can discern who is who. **ネクラートホリック [Nekrateholic] books** He drinks Atsumi's blood and now he finds that human blood makes him nauseous a pretty pickle for a vampire to be in. **ネクラートホリック [Nekrateholic] books** He vows to keep Atsumi by him as his means of sustenance but the damn fool keeps running away! That's no good not at all, **ネクラートホリック [Nekrateholic] books** In the meantime his moping about is certainly not good for business. **ネクラートホリック [Nekrateholic] books** Here he is in this goth looking love hotel with the strange name of Hotel Necrato, **ネクラートホリック [Nekrateholic] books** But lately he hasn't been giving the customers their money's worth and Balaur his right hand man/minion is concerned. **ネクラートホリック [Nekrateholic] books** Sakuya is determined to find him and put an end to his miserable existence once and for all so that he can go on with his own life, **ネクラートホリック [Nekrateholic] books** A vampire that can't drink blood? What use is he? When Sakuya goes to his next appointment he is shocked to see none other than Atsumi - there and in the flesh, **ネクラートホリック [Nekrateholic] books** While Sakuya tries to provoke him Atsumi asks why since he has come as a submissive to him. **ネクラートホリック [Nekrateholic] books** But Sakuya knows that if Atsumi touches him with that tongue - which has a rather powerful crest upon it - he will be lost: **ネクラートホリック [Nekrateholic] books** (A dhampir is the child born of a vampire and a human woman possessing a crest on his tongue and with powers to harm vampires - natural born vampire hunters), **ネクラートホリック [Nekrateholic] books** He tries to interest Sakuya in buying some but the vampire is singularly uninterested: **ネクラートホリック [Nekrateholic] books** He can only die at the hands of a dhampir and who would he leave the money to anyway? Atsumi admits to having bought some for himself naming Sakuya as beneficiary, **ネクラートホリック [Nekrateholic] books** Sakuya is waging an inner war over his feelings concerning Atsumi trying to understand them and come to grips with them, **ネクラートホリック [Nekrateholic] books** He needs to overcome what has happened so that he may consume blood once again and be what he was meant to be, **ネクラートホリック [Nekrateholic] books** He tries to seduce the humans who come to the Hotel but finds their stench unbearable, **ネクラートホリック [Nekrateholic] books** Alone Sayuka makes an appointment for himself with a tubby pig of a man, **ネクラートホリック [Nekrateholic] books** He finds himself having to fight off the man's unwelcome advances when suddenly Atsumi is there to defend him. **ネクラートホリック [Nekrateholic] books** And once Sakuya drinks from him once more but otherwise it was an interesting read. **ネクラートホリック [Nekrateholic] books** Maguro Wasabi Artwork is kinda lame Maguro Wasabi Me encantóooooooooEl te odio y te voy a matar son sinónimos de amor en este manga de vampiros y cazadores de vampiros ☹. **ネクラートホリック [Nekrateholic] books** Amé tanto a Takuya como a Atsumi espero que esos dos estén juntos por toda la eternidad ☹, **ネクラートホリック [Nekrateholic] books** 5? I bought this in 2008 but I don't think I've read it before now, **ネクラートホリック [Nekrateholic] books** It's a rapey vampire x vampire hunter thing played more for comedy than anything else. **ネクラートホリック [Nekrateholic] books** Sakuya is a vampire runs a love hotel where he works as a dominatrix. **ネクラートホリック [Nekrateholic] books**) In the beginning he is lethargic and can't stand blood after being attacked raped kissed and made to drink the blood of a dhampir vampire hunter a year prior, **ネクラートホリック [Nekrateholic] books** I particularly like Atsumi's character design (the hunter) though he's drawn much better in the first

chapters than towards the end: ネクラートホリック **[Nekrateholic] books** I didn't really like storyline in chapters 4-6 when the second (very famous) vampire hunter shows up I'd have preferred the story went in some other direction. ネクラートホリック **[Nekrateholic] books** THERE'S NO PLOT NO A LITTLE BIT OF RESPECT IN THE ROMANCE THERE'S NO ROMANCE AT ALL: ネクラートホリック **[Nekrateholic] books** This want me to believe that for some reason they have love for each other but is just violence and non-consent sex. ネクラートホリック **[Nekrateholic] books** La trama es estúpida cero creíble y sin ningún tipo de coherencia. ネクラートホリック **[Nekrateholic] books** El principio el medio el final todo es tonto y sacado del aire. ネクラートホリック **[Nekrateholic] books** Además el romance sale de la nada y desde el principio sabemos que uno de los protagonistas abusó sexualmente del otro. ネクラートホリック **[Nekrateholic] books** Y quieren que creamos que están enamorados y que es bonito y divertido cuando la primera cosa que hace el abusador cuando se reencuentran es precisamente abusar del otro. ネクラートホリック **[Nekrateholic] books** Y por supuesto que tiene la dicotomía seme/uke que parece más una película de terror donde el segundo es la víctima. not u thofine whatever. idc. Maguro Wasabi I really liked reading this. It was making me laugh. This is about a vampire and a vampire hunter. Storyline is cute and fluffy with some humour and gore. He is the star attraction s&m Queen Sakuya. A year has passed and no sign can be found of Atsumi. And stop being so . . . obsessed . . . with the vampire hunter who has ruined his life. It seems that Atsumi is now an insurance salesman. Again. Sakuya is not pleased a week later to see Mr. Haoka at the Hotel due to growing customer complaints. Balaur decides he needs to take action. Interestingly he has his tongue crest back. A nice palette cleanser. Maguro Wasabi 3. Kind of enemies-with-benefits to lovers thing. (ie: I hate you because I can't admit I want you.) Explicit but on the just barely end of explicit. (Frequent queen and insults/jokes referring to him as female. He thinks only of revenge. The art is decent. I liked the unnamed Bat-king character also. Plot is all over the place. Cute though if you're not put off by the rape aspect. Maguro Wasabi NO. THAT'S IT. La cuestión es que todo está mal aquí. Esto es recurrente. Y por supuesto que le atribuyen características femeninas. Maguro Wasabi.
