fiction books And another thing that I loved in this book was the secondary characters; Dare's family especially his brothers and the townspeople. **Book A Little dareu** I loved how protective the Westmoreland brothers were of Shelly: **Book A Little dare county** Even the townspeople were upset with Dare when he broke things off with Shelly, **Book A Little daren** I laughed out loud when they met at the restaurant and most of the townspeople were also there bringing up the past and ganging up on him: **A Little Dare epub.pub** Haha! And from the way everyone was looking at Dare the last thing they wanted was for her to become involved with him again. **A Little Dare booklet** Serves you right! And I also loved that it is told from Shelly and Dare's points of view. **PDF A Little daren** This will make you understand them both and feel their emotions: **Book A Little darebee** Overall A Little Dare was such a sweet delightful and wonderful book about a second chance, **A Little Dare Literature fictional** THIS IS A LOVE STORY WORTH READING! The ending in this left me with a big smile on my face. **A little driving music brian bromberg** Paperback This was much better than the first one in the series, **A little dark jewellery** Dare breaks up with Shelly to start a career in the FBI so Shelly leaves town 2 months pregnant, **Book A Little darebee** She moves back home and finds that Dare is now the sheriff and no longer in the FBI. **A Little Dare ebooks online** She admits that AJ is his son and wanted to introduce them so that he can help her, **A little dash of seasoning wow classic** I like the fact that he calls her out on it stating that the only reason she wants him involved is because he is causing trouble. **A Little Dare pdf editor** Not that she wanted AJ to have a father even though she always professed that she wanted them to know each other. **A little drunk** The other thing I like is that they let AJ decide when to acknowledge Dare as his dad rather than just thrusting the idea on him and expecting him to accept it: **A Little Dare booking** It was done with the child in mind not the parents or their past relationship: **A Little Dare booker** Paperback I love the way Brenda Jackson writes romance and I really enjoyed this one. **A little dab will do ya** ☐☐ I thought AJ was gonna be a headache in the beginning glad I was wrong. **Book A Little dare county** Shelly and Dare were hot together and although Thorn was mentioned several times it was Storm that piqued my interest, **A little drummer boy christmas** When Shelly and her son AJ move back to town its not just to rediscover old roots- but also to rekindle old connections. **A little driving music brian bromberg** As her son grows and gets mixed with the wrong crowd she decides to bring him back and meet his father: **A little dab will do ya** The chemistry between h and H was there but both were cautious. **A Little Dare pdf editor** The family bonds were strong- and I loved how Dare connected with AJ. **A little dab will do ya** The love scenes were well written and the rest of the characters leave us intrigued for the coming books in the series: **A little devil** The sense of nostalgia was high between the couple and it added to their intimacy: **A little dab will do ya** Not safe technically while they were separated the H moves on but the h doesnt. **Book A Little dare county** However once she comes back to his life he's 100% loyal 4/5 Paperback.

. Of course dear old heroine has been celibate since H. Paperback Another great read ☐☐☐. Loved this one so much more than the first book. Dare and Shelly were great. It was all just really romantic. I'm so glad I started reading this series. And I was hooked. Email Brenda at authorbrendajackson@gmail.com or visit her on her website at brendajackson.net. And man what a train-wreck which was kind of funny. Then he learned the reason why she came back. Shelly is a wonderful heroine. And I'm glad that she told Dare. Better late than never. But no matter what Shelly's still a wonderful mom. Dare. Dare. Dare. I loved both Dare and Shelly. They were very compelling characters. And the chemistry between them was off the charts. It was hot and explosive. Yet at the same time it was sweet and tender. They seem very real. And good proof that first love never dies. I can't wait to meet the rest of the Westmoreland men. Paperback My first read by Brenda Ms. Jackson if ya nasty. Looking forward to his story. Paperback Another sweet story in the Westmoreland series. I liked everything about the book
