

Death Around the World: Strange Rites Weird Customs By Margaret Ronan **Deaths around the world from covid** I had heard a little about Zoroastrian burial rituals from my former boss who was from Zanzibar (as was noted Zoroastrian Freddie Mercury) but they really are my favorite I think and what I would wish for myself were it feasible,

Deaths around the world from covid

Death Around the World: Strange Rites Weird Customs My Margaret Ronan-tober continues apace: **Deaths around the world from covid** I definitely would have devoured this as a kid but it has that cultural voyeur thing about it that makes it tough to read now: **Deaths around the world from covid** 122 I enjoyed the book very much and learning different ways cultures and countries around the world deal with death. This was the weakest one so far. They show up in this book. The historical aspect of each chapter was fun. A quick and enjoyable read. 122 Aaaah nostalgia. 122
