

Lover by Chance By Debra Glass **Love by chance kissasian** Elena in her anger did precisely this she allowed herself to lose her fidelity to her husband so she could finally experience some true lovemaking something she never had gotten from Richard. **Love by chance novel** While I felt this story was quite enjoyable I would love it to have been a bit longer so there could have been more character development in what is otherwise a sweet yet spicy hot romance; which is why I'm only giving it 4 STARS. **Love by chance season 3** Well if that's all she means to him she decides maybe she'll just use this outrage as grounds for a divorce; meanwhile maybe Jed can teach her what a truly fallen woman needs to know,

Another splendid hot read from Ms. Debra Glass. Laurent. Needless to say she didn't handle it real well. They feed off each other and it keeps the story going. It gets hot and hotter between these two. So glad I read this book. I will read more from this author if given the chance. They wind up doing the dirty all night. Also I've read better by this author. But ok for a freebie. Kindle Edition 1852 aboard the Belle Creole in Mississippi. Jedidiah Nash & Richard (Dickie) Laurent were playing cards.
