

Running Blind (Heroes for Hire, #3) By Shirlee McCoy **Book Running blindspot** Nick helped her before--can he help her find Magdalena's killer? Or will chasing this trail have Jenna running blindly again into danger? Running Blind (Heroes for Hire #3)

Shirlee McCoy writes the BEST suspense novels! With a great spiritual theme included. **Running blind godsmack lyrics** The plot itself was played out nicely over the course of the book and I even wished at one point while I was reading that it was longer so that I could spend more time in their world. **EPub Running blinded** 5 but I bumped it cause Nikolai... Thoughts and PlotJenna Dougherty woke up in complete darkness bound and gagged after a Mission Trip to Mexico with her best friend goes horribly wrong. **PDF Running blind** Getting people out is what he does best but the danger just keeps coming and Nikolai is less and less willing to let Jenna out of his sight and it's no longer just because she's his friend's kid sister.... **Running Blind ebooks free** Paperback I like the concept of Jenna's kidnapping and Nikolai's rescue but I thought it would have been more interesting if Jenna's blindness had lasted a bit longer in the plot. **Running Blind kindle** After suffering a brief blindness due to a head injury Jenna's trying to recover while running away from some unknown person who wants to kill her while she's attending her friend's funeral (the one who didn't survive the kidnapping) in Houston. **Book Running blinding lights** He aims to protect her but can he protect her heart from falling in love with him?The suspense: I think it's one of those stories that keeps a person going until the end. **Running Blind epub file** You think you know but are you sure? I can't say since I took a peak (and always regret doing so!) There's plenty of action in this book and Nikolai gets plenty of opportunities to save Jenna. **EPub Running blindspot** While in Houston there are more attempts to kill Jenna as well and she is suspected of being a smuggler as well why else is she a target?Jenna is finding herself attracted to Nikolai but reminds herself of her last love when she needed Ryan the most during her illness he wasn't there.

Highly recommended. It was interesting and suspenseful. Good light Christian intrigue/romance read. Shirlee McCoy drastically surprised me. That wasn't the case here. I loved Nikolai and Jenna. Their chemistry was hilarious sweet and sincere. In and of themselves both main characters were great leads. Strong independent but searching for something. After I finish the rest of her books of course. Both of them have painful pasts. Beautiful story! Highly recommend! Paperback Actual rating is 3. She can't search for her friend. It was supposed to be simple. Find his sister and make sure she was alright. Okay first off. The characters make the story. And Nikolai...just yes. I want a Nikolai for myself. In Conclusion All in all it was a good book. I really enjoyed the main characters. Everything else was completely predictable. Paperback Heroes for Hire Book 3 Place: Mexico - Houston TX.
