I've changed my mind since then though I still think Frank was a prick but an ever-fascinating one and a musical genius. **Rat pack confidential book** I always liked him (TV shows Dear Phoebe and The Thin Man) a totally screwed up guy with a crazy mother seriously sexually abused as a child and a Kennedy adjunct kicked to the curb when he self-destructed his marriage to Pat Kennedy and kicked further by Sinatra when he lost his Kennedy usefulness. **Rat pack confidential book** It's not a hatchet-job of Frank Sinatra disguised as unauthorized biography like Kitty Kelley wrote but the "Confidential" in the title clues you in that it's going to be dark ride Clyde. **Rat pack confidential book** Peter Lawford and Joey Bishop would hang out on the stage of the Sands Hotel in Las Vegas and sing and cut-up and booze it up for the entertainment of guys who would give their right nut to be them and the "broads" who wanted to be with them: **Rat pack confidential book** LIFE magazine has recently (2019) come out with a 112 glossy reprint of a 2013 issue called The Rat Pack. **Rat pack confidential book** Rather that they are taking full advantage of their status and their popularity and forming a kind of club that sets the bar sky high for style and talent: **Rat pack confidential book** Compared to the current chart dross it made me nostalgic for a time I never knew: **Rat pack confidential book** 0385495765 Breezy breathtaking romp through the lives loves and tragedies of Frank Dean Sammy Peter and Joey -- known as The Rat Pack. **Rat pack confidential book** Frank and crew ruled the world of showbiz for a couple of years then were cast aside by the rise of the counter-culture in the 60s and 70s, **Rat pack confidential book** But Frank is still the king of male singers and his albums still fly off the shelf. **Rat pack confidential book** And surprisingly Dean's and Sammy's best still hold up today, **Rat pack confidential book** Levy's foray into the Rat Pack world of broads sex booze and crime is a real page turner tying together the connections between Frank and the mob and the Kennedys. **Rat pack confidential book** Disclosure: Shawn and I go back about 30 years when we worked on the same Hollywood publication. **Rat pack confidential book** Gave me a taste of life around the times of this glorious group: **Rat pack confidential book** 0385495765

I have always been fascinated by the Rat Pack. It has loads of photos and similar information. Real singers singing real songs. 0385495765 This was rather well written. Highly enjoyable. Still feel rather sorry for Peter Lawford though poor chap. 0385495765 Good story. Terrible writing. Las Vegas is at its smooth cool peak. One is a short black Jewish one-eyed singing dancing wonder. DEAN MARTIN. SAMMY DAVIS JR. PETER LAWFORD. JOEY BISHOP. They call themselves The Clan. But to an awed world they are known as The Rat Pack. They had it all. Fame. Gorgeous women. It was Frank's World and we just lived in it. If you're already a fan you'll enjoy the details and trivia. 0385495765 The Sinatra Martini. Swingers. I used spirits for medicinal purposes only. I manufactured it for medicinal purposes only. for medicinal purposes only. ('Mr. ice cubes swimming along before assassinations changed the world. Frank: Take your hand out of the ice bucket. Dean: Oh. They stood for everything I hated. I'm not sure when I changed. I ran from all this stuff. Frank Sinatra as I said was a prick but much more. Honestly I'm surprised somebody didn't pop him.) Dean just wanted to be left alone--separated from it all. Sammy Davis Jr. Sammy caught in two worlds no matter what he did. And finally Peter Lawford a truly tragic figure. Barbara Marx is mentioned only in passing. I really regret it. American has next to nothing now. Just who is this Rat Pack?
