

عذرًا! By kinkykarma.co.uk 24 pages I bought these to stick on my laptop cover to remind me of the countries I've visited it is a great book for kids a great way to learn the flags and put them in the right places however for my purposes they weren't sticky enough or 100% what I was looking for however with a bit of glue and some perseverance they now look good on the cover so 4* from me 24 pages Great book. I had hoped to use it for a primary school project but the flags are very small and I do not know why there are two flags for each country a small one and an even smaller one. You can learn all about flags and world geography with this informative and fun Flags of the World Ultimate Sticker Book fully revised and updated with the most current geographic information and flag imagery: She really enjoys finding the countries and adding the flags, Educational and fun what could you ask for! We have bought another one as a gift for a like minded friend, There aren't that many pages as it is a double page for each continent but that's fine, Each country has a large and a small flag so you end up with a spare one of each. 24 pages Great product for geography review 24 pages Mixed observations about this book. I do not need the maps of the various continents but for the price I am not complaining. 24 pages Cover was different than the one pictured but inside content was the same. good quality too! 24 pages My son loved this book it kept him very entertained placing the flag stickers on their spot on the maps, 24 pages Our son has recently formed a passion for geography. I made these for his continents bin to familiarize him with different countries flags: It's perfect! It comes with one large flag and one small brilliant! 24 pages Good sticker book plus educational, 24 pages This title helps you create your own picture book with over 300 full colour stickers. These sticker books make learning fun just read the captions and choose the flag that best fits in the space available.
